Maintaining Board's Override Commitments

- This budget maintains the Board's commitment to exercising fiscal discipline while maintaining quality municipal services.
- This budget maintains the Board's commitment to respond to ongoing school enrollment pressures.
- This budget maintains the Board's commitment to Building Arlington's Future.
- Actions separate from this budget, but already planned and/or undertaken, have maintained the Board's commitment to minimizing the impact of the last override on taxpayers, particularly seniors and those with income challenges.
- This budget maintains the Board's commitment to keeping a 5% financial reserve for the duration of the three-year plan.

PROCLAMATION

WHEREAS: Samuel Whittemore was a resident of Menotomy, now Arlington, in the 1700s; and

WHEREAS: Samuel Whittemore served in the military in King George's War but then rose against the crown, serving on the Committees of Convention and Correspondence, which objected to unfair taxation and the Acts of Parliament; and

WHEREAS: Samuel Whittemore, then an elderly man, acted heroically when he hid behind a stone wall and shot and killed three British soldiers during the Battle of Menotomy on April 19, 1775; and

WHEREAS: Samuel Whittemore was then shot and bayoneted by accompanying British soldiers, thought to be mortally wounded, and left for dead; and

WHEREAS: Samuel Whittemore survived and lived for many more years and passed away on April 2, 1793; and

WHEREAS: Samuel Whittemore, believed to be the oldest known combatant of the American Revolution; and

NOW, THEREFORE, BE IT RESOLVED, that we, the Members of the Select Board do hereby proclaim February 2, 2025, Samuel Whittemore Day in the Town of Arlington. We honor and thank them for his bravery on behalf of all the Town's residents.

MEMORANDUM

To: Stephen DeCoursey, Chair, Select Board
Jim Feeney, Town Manager

From: Katie Luczai – Economic Development Coordinator

Angela Olszewski – Chair, Arlington 250 Committee

Stewart Ikeda – Chair, Arlington Commission for Arts and Culture, member, Arlington 250 Committee

Date: December 30, 2024

RE: Samuel Whittemore Day on February 2nd

At the age of 80 years old Captain Samuel Whittemore stood his ground during the Battle of Menotomy on April 19, 1775. Whittemore valiantly defended his community and his liberty and sustained seemingly deadly wounds during the Battle. Amazingly, Whittemore recovered and lived to be 98 years old. He is laid to rest in the Old Burying Ground.

On **Sunday, February 2nd, 2025 at 2pm**, we will be recognizing Captain Samuel Whittemore's heroism with a rededication ceremony and an acknowledgement of Samuel Whittemore Day. We request the use of Whittemore Park for this midday event.

Let me know if you have any questions and thank you for your consideration.

Re: Reappointment: LGBTQIA+ Rainbow Commission

Dear Fiona:

Please be advised that the Select Board will be discussing your reappointment to the LGBTQIA+ Rainbow Commission at their meeting conducted via hybrid format on Monday, January 27th at 7:15pm. Although it is not a requirement that you attend this meeting, you are invited to do so.

The meeting will take place in the Select Board Chambers. The link to the meeting and other information will be available at the bottom of the Select Board Agenda, as well as on the Town Calendar, where the meeting will be posted on Thursday, January 23rd, by 7:00pm.

Please contact this office by e-mail, sbadmin@town.arlington.ma.us, if you have any questions.

Thank you.

Very truly yours,
SELECT BOARD

Arlington 250: The Untold Stories

Inspired by the William Dawes, Paul Revere ride through Arlington we plan to display two life sized painted fiberglass horses in Arlington center. They will highlight our town history.

This is an image of the running horse that our two professional artists will paint.

Arlington's Deputy Town Manager of Operations, Christine Bongiorno and Laurie Bogdan will be working together to manage this project along with assistance from our Arlington DPW for delivery and installation on a removable pad. We are on the battle road route and feel this project will add interest to the Arlington 250's continued efforts as both a tourist and town attraction. The horses will be on display from April 2025 until the Fall of 2026 (after 250th Independence Day)

Site one: just off the Mass Ave. sidewalk
Before the Whittemore park sidewalk.

Site two: In Uncle Sam Plaza adjacent to
the Visitor's Center.

Viewable on both sides. Great for selfies, seen by both vehicles and pedestrians.

Event Security Plan

Highrock Church & The Mill Café After Hours
In Collaboration with: Arlington Brewing Company
Hosted at the Mill Café
14 Mill St., Arlington, MA 02476

ARLINGTON
BREWING COMPANY

Event Overview

The Mill Café is planning to stay open past its normal hours to offer a limited new menu and the Arlington Brewing Company will host a pop up beer bar. Both organizations will participate, with Arlington Brewing Company serving all alcoholic beverages while The Mill Café provides all non-alcoholic beverages and food.

Event Space

The event will take place at the Mill Café, 14 Mill St., Arlington, MA 02476. The event space is limited to the existing cafe space. Beer will be served from a kegerator that will be setup temporarily in the space.

Service Restrictions

- All persons purchasing alcohol will have their age verified by a TIPS certified server.
- Alcohol will not be served to any person who appears to be intoxicated.
- If any guest appears to be intoxicated staff will take the appropriate measures, up to and including asking the guest to leave.
- If necessary, staff will alert police to any issue that raises concerns for public safety.

Serving Containers

All beers will be poured into 16 oz cups from our kegerator-based draft system.

Emergency Evacuation

In the event of an emergency, guests will be directed to leave through the main entrance or the back entrance of the building following The Mill Café fire safety plan.

TIPS Certifications

The event manager and all staff are TIPS certified. TIPS certificates are below.

Re: Appointment: Arlington Tourist and Economic Development

Dear Simon:

As a matter of the standard appointment procedure, the Select Board requests that you attend the Select Board meeting conducted by hybrid format, on Monday, January 27, 2025, at 7:15 p.m.

It is a requirement of the Select Board that you join this hybrid meeting. This will give the Board an opportunity to meet and discuss matters with you about the area of activity in which you will be involved.

You may attend the meeting in-person or virtually. The meeting will take place in the Select Board Chambers. The link to the meeting and other information will be available at the bottom of the Select Board Agenda as well as on the Town Calendar when the meeting is posted on Thursday, January 23rd, at 7:00 p.m.

Please do not hesitate to contact me by e-mail, sbadmin@town.arlington.ma.us, if you have any questions.

Thank you.

Very truly yours,
SELECT BOARD

Co-Founder and CEO Flocktory
Arlington, Massachusetts, United States

Summary

Designing, building, and bringing to life new products has been my drive throughout my career. My background has given me a diverse set of experiences from managing IT teams, to strategic consulting in retail and the telecom industry, to starting up and running one of the fastest growing data marketing B2B startups.

Based on my leadership I have built a high tech company of over 90 employees across multiple countries, that raised over \$2.5M in venture financing, and successfully exited to a NASDAQ listed company with a valuation of over \$20M.

My passion is bringing solutions to meet the challenges of today while constantly driving teams to plan, perform, and deliver the solutions for future growth

Re: Appointment: LGBTQIA+ Rainbow Commission

Dear Michaela:

As a matter of the standard appointment procedure, the Select Board requests that you attend the Select Board meeting conducted by hybrid format, on Monday, January 27, 2025 at 7:15 p.m.

It is a requirement of the Select Board that you join this hybrid meeting. This will give the Board an opportunity to meet and discuss matters with you about the area of activity in which you will be involved.

You may attend the meeting in-person or virtually. The meeting will take place in the Select Board Chambers. The link to the meeting and other information will be available at the bottom of the Select Board Agenda as well as on the Town Calendar when the meeting is posted on Thursday, January 23rd, at 7:00 p.m.

Please do not hesitate to contact me by e-mail, sbadmin@town.arlington.ma.us, if you have any questions.

Thank you.

Very truly yours,
SELECT BOARD

TOWN OF ARLINGTON

DEPARTMENT OF PLANNING and
COMMUNITY DEVELOPMENT

TOWN HALL, 730 MASSACHUSETTS AVENUE
ARLINGTON, MASSACHUSETTS 02476
TELEPHONE 781-316-3090

MEMORANDUM

To: Members of the Select Board
From: Mary Muszynski, Community Development Block Grant Administrator
CC: Claire Ricker, Director of Planning and Community Development
RE: Community Development Block Grant (CDBG) Program Year 50 Mid-Year Report
Date: January 23, 2025

CDBG Subrecipients are community based and Town organizations that provide stable housing, public services, economic development opportunities, and accessible and safe infrastructure that help create a stronger, more livable, and more resilient Arlington. At the midpoint of Program Year 50, which began July 1, 2024 and continues through June 30, 2025, CDBG Subrecipients have made notable progress toward achieving anticipated outcomes.

Affordable Housing Projects

Housing Corporation of Arlington (HCA) is using grant funds for Capital Improvement projects within their affordable housing portfolio. HCA's program year 50 project locations have been identified and will be moving forward. HCA's projects completed so far this year include stair repairs at 113 Medford Street and foundation and masonry work at 123 Warren Street.

Arlington Housing Authority (AHA) continues their large capital improvement projects at the Hauser Building at Drake Village; at midyear their HVAC Ventilation System Exhaust Fan Project has completed the procurement process and the AHA Board voted to approve the contract. AHA is now waiting for the Executive Office of Housing and Livable Communities (EOHLC) to complete the final approval of the contract.

The Hauser Building Program Year 48 Roof Replacement project was completed in April 2024.

Caritas Communities has narrowed the scope of work down to their 22 Fessenden Road property. Plans include replacing the roof, siding, and insulating the attic and basement. Caritas Communities will hold a competitive bidding process in Q3 and they plan to complete the project by July 31, 2025. Caritas Communities program year 48 improvement project including seven bathroom renovations and the kitchen renovation were completed in June 2024.

Public Service Activities

Public service programming has provided essential health, recreation, employment training, after-school, and transportation services to 1,225 Arlington residents since July 1, 2024. This represents roughly 70% of the collective goal for public services for Program Year 50. Goals are measured by the number of participants who have benefited from the program. The Boys and Girls Club Scholarship program, Operation Success, and Fidelity House's Menotomy Manor Outreach Program have already exceeded their goals for the year. Arlington EATS and Fidelity House's Jobs program have hit their goals for the year. Council on Aging's Transportation program has achieved 50% of their goal by mid-year.

Arlington Boys and Girls Club Scholarship Program provided financial assistance to 37 households consisting of 51 children/individuals served through CDBG funding. Children were provided a safe place to enjoy a wide range of activities outside of school with children their own age and dedicated staff. Children at Boys and Girls Club take part in activities that focus on leadership, character development, education, health and life skills, and sports, fitness, and recreation. Boys and Girls club exceeded their goal of 48 children/individuals assisted.

Arlington Eats Food Program for Seniors has served 611 individuals who are seniors (defined as age 62+) through Market and Home Delivery programs. Seniors are eligible to be served once a week with either a shopping visit to the Market or a Home Delivery to their home residence. During this time 3,581 visits were provided; 16% were home deliveries and 84% were Market visits. Visits by seniors represented 33% of total guest visits. Of those seniors 315 individuals were supported by CDBG funding, meeting Arlington EATS' annual goal.

Arlington Housing Authority's Operation Success provided academic assistance to fourteen students so far this year, working to increase the students' homework completion and study skills. The program has increased enrollment by contacting the families of eligible students who have not yet taken advantage of the tutoring program. Operation Success has surpassed their goal of twelve student enrollments this year.

Arlington Youth Counseling Center so far this year CDBG funding helped five youth, and three parent/caregivers overcome financial barriers to accessing mental health services at AYCC. Additionally, CDBG funded 10 collateral contacts with family members and outside providers to support the treatment goals of these clients.

COA Transportation program works to reduce isolation and help fill a need for older adults in Arlington by transporting them to necessary medical appointments, errands in town, and to services offered by the COA at Arlington Community Center. So far this year a total of 1,624 van rides were completed. Of the Seniors who benefited from van rides through COA's Transportation Program 386 were assisted by CDBG funding.

COA Volunteer Coordinator has managed 320 seniors who volunteer to assist with COA programming and activities so far this year. The Volunteer Coordinator also manages COA's Transportation Program including the Volunteer Medical Escort drivers who fulfill daily out of town medical ride requests for seniors in Arlington, 121 Medical escort rides have been completed so far in Q1/Q2. (Medical escort rides are not included with the COA van ride totals.)

COA Adult Day Health Scholarships – Scholarships are scheduled for later this year and will be reported with Q3 in March.

Fidelity House Menotomy Manor Outreach works to decrease barriers to participation by providing transportation to 100% Menotomy House residents taking part in Fidelity House programs. So far this year 127 individuals have benefited through CDBG funding, surpassing their goal of 115.

Fidelity House Jobs, Jobs, Jobs program encourages youth from low to moderate income families to apply for Fidelity House childcare positions created to teach translatable skills for their future. Fidelity met their goal of hiring four individuals to participate in this program this year.

Recreation and Community Service – CDBG funded recreation scholarships will be granted later this year and those accomplishments will be reported at that time.

Public Facilities and Improvements

Construction projects have faced delayed timelines and increased costs, which have resulted in setbacks and additional planning. Both the Robbins Library ADA accessible restroom and the Veteran's Memorial Park redesign projects have been continued from Program Year 49 (2023-2024).

Projects in the bidding process:

AHA Hauser Building /Drake Village ADA Paving Project
Lower Mill Brook Flood Resilience Design Project
Robbins Library ADA Accessible Restroom Project

Bikeway Tree Planting Design project is in process, a Landscape Architecture firm has been contracted and has begun work.

Veterans' Memorial Park Redesign Project – The CDBG funding that was awarded for Program Year 49 is now needed for ADA improvements construction instead of the ADA design portion of the project. There is no change to total

funding; an updated contract addendum and environmental review will be completed after the proposed change receives CDBG Subcommittee approval.

ADA Curb Ramp Installation Project – The goal for Program Year 49 is to install 44 curb ramps and 56 curb ramps for Program Year 50. The work at locations identified by DPW and the Town’s ADA Coordinator for improved accessibility are still in progress.

Town Hall ADA Improvements to Brick Sidewalks – The brick sidewalk and Town Hall Annex entries have been restored to remove barriers to the built environment and correct conditions that pose accident hazards. Work on this portion of the project was completed in October 2024.

Planning and Administration

The Department of Planning and Community Development manages a number of the current CDBG-Funded Projects. Program Year 50 funds for long term planning studies are earmarked to support of the Town’s Master Plan update process.

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information				
A. Contact & Organizational Information (If application is completed by a Collaborative, provide the lead entity contact only)				
Agency/Organization: Arlington Center for the Arts, Inc.				
Contact Name: Tom Formicola		Title: Executive Director		
Mailing Address: 20 Academy Street, Arlington MA 02476				
Email Address: tom@acarts.org		Phone: 781-648-6220		
Universal Entity Identifier (UEI)#: TKQ8CJHWJ1G7 <small>All entities receiving federal assistance must have a UEI #.</small>		Registered on SAM.gov? <input type="checkbox"/> Yes <input type="checkbox"/> No <small>All entities receiving federal assistance must be registered on SAM.gov</small>		
Please Identify the Type of Organization Applying for Funds (Note: More than one may apply)				
<input checked="" type="checkbox"/> 501(c)3	<input type="checkbox"/> For-profit authorized under 570.201(o)	<input type="checkbox"/> Faith-based Organization	<input type="checkbox"/> Unit of Government	<input type="checkbox"/> Institution of Higher Education
Collaborative Partners: If this application is being submitted on behalf of a collaborative please identify all partnering agencies here.				
B. Project Information				
Project Name: ACA Scholarship Program		Is this project new to your organization? <input type="radio"/> Yes <input checked="" type="radio"/> No		
Anticipated Start Date: July 1, 2025		Anticipated End Date: June 30, 2026		
Amount of Request: \$5,000		Project Address(es): 20 Academy Street, Arlington		
C. Eligibility				
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.				
Low/Moderate Income Benefit:				
<input type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://geomap.ffiec.gov/FFIECGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: _____				
<input checked="" type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS				
<input type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures.				
<input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.				
Slum/Blight:				
<input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted.				
<input type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.				
Urgent Need:				
<input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.				
Beneficiaries:				
Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents.				
<input checked="" type="checkbox"/> All beneficiaries are Arlington residents				
<input type="checkbox"/> _____ % of beneficiaries are Arlington residents				
Does your project benefit any of the following demographics?				
<input type="checkbox"/> Abused children	<input type="checkbox"/> Elderly persons (age 62 and older)	<input type="checkbox"/> Battered spouses		
<input type="checkbox"/> Homeless persons	<input type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*)	<input type="checkbox"/> Illiterate adults		
<input type="checkbox"/> Persons living with AIDS	<input type="checkbox"/> Migrant farm workers	<input checked="" type="checkbox"/> Other (please specify): Low-income		
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.				
Persons Served: 13 Households Assisted: _____ Jobs Created: _____ Businesses Assisted: _____				

D. Project Summary									
Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i> Arlington Center for the Arts (ACA) is committed to making its programs accessible to as broad-ranging an audience as possible – particularly people from underrepresented and underserved communities. We offer need-based scholarships to students of all ages. Eligible students may receive 50% or 100% off the price of class or camp tuition. ACA is proud to participate in the Card to Culture Program, a collaboration between Mass Cultural Council, the Department of Transitional Assistance, the Massachusetts Health Connector, and the Women Infants & Children (WIC) Nutrition Program. Electronic Benefits Transfer (EBT), WIC, and Connector Care card holders automatically qualify for scholarships from ACA as funds allow. Alternatively, applicants can submit									
Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i> In FY22, ACA distributed \$4,280 through 11 scholarships; in FY23, we distributed \$7,906 through 24 scholarships; and in FY24, we distributed \$13,070 through 30 scholarships. Last year, about 40% (or 12) scholarships went to residents of Arlington. As we intentionally continue to grow the scholarship fund and sharpen our outreach efforts, we find more and more untapped need in our own community and beyond. We recently served a family that emigrated to Arlington from Guatemala and was in search of opportunities for safe self-expression for their two kids. We also provided a scholarship to a local 4th grader from a single-parent household subsisting on disability income; his parent reported that the child enjoyed time with kids who could relate to him that that he									
Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i> ACA utilizes several methods to evaluate the progress and results of our scholarship program. We track the amount of funds distributed, the number of scholarships awarded, and the number of students who successfully complete the camp or class. Also, we survey scholarship students to assess information about their process of applying, navigating our virtual and physical spaces, and experiences in class with the content, our instructors, and other students.									
Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.</i> <table><tr><td><input checked="" type="checkbox"/> Town of Arlington Master Plan</td><td><input type="checkbox"/> Fair Housing Action Plan</td><td><input type="checkbox"/> Net Zero Plan</td></tr><tr><td><input type="checkbox"/> Housing Plan</td><td><input type="checkbox"/> Open Space & Recreation Plan</td><td><input checked="" type="checkbox"/> Other Arts & Culture Action Plan</td></tr><tr><td colspan="3"><input type="checkbox"/> Connect Arlington Sustainable Transportation Plan</td></tr></table> <i>Please explain which goals and/or strategies the proposed project advances:</i>	<input checked="" type="checkbox"/> Town of Arlington Master Plan	<input type="checkbox"/> Fair Housing Action Plan	<input type="checkbox"/> Net Zero Plan	<input type="checkbox"/> Housing Plan	<input type="checkbox"/> Open Space & Recreation Plan	<input checked="" type="checkbox"/> Other Arts & Culture Action Plan	<input type="checkbox"/> Connect Arlington Sustainable Transportation Plan

Construction			
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET			
C. Summary of Other Funding: Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)			
Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:			
Private:	DONORS	10,000	COMMITTED & PENDING
Total:			
Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support. \$2,500 is already pledged from a donor for ACA's Scholarship Fund in 2025-26			
D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.			
<div>TOTAL CDBG REQUEST AMOUNT: \$ 5000</div> <div>TOTAL NUMBER OF PROPOSED BENEFICIARIES: #13</div> <div>= \$ 385 PER BENEFICIARY</div>			
E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.			
This project is scalable up or down, depending upon the funds available to distribute.			

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
Income inequality exists in Arlington, with 5.4% of residents living below the poverty line. Among high school graduates, 5.3% live in poverty, but this jumps to 19.5% for those without a high school diploma. The poverty rate is even more pronounced among disabled residents, where it reaches 15.7%. Furthermore, 63.7% of those living in poverty are renters, compared to just 25.3% of residents with incomes above the poverty threshold. These figures highlight the barriers faced by many in our community, particularly those with limited financial resources. Scholarships play a critical role in ensuring that all individuals, regardless of income, have access to the transformative power of the arts. By funding scholarships, we can break down financial barriers and offer equal opportunities for all Arlington residents to engage in arts programs that might otherwise be out of reach.	
B. GOAL	
ACA is dedicated to increasing access to cultural experiences for all who are interested. Our goals include: helping students from low-income households to access arts education opportunities and participate in community arts activities; to help students of all ages and abilities to develop their artistic skills and pursue their creative goals; and to improve mental health and overall well-being.	
C. INPUTS	
As a Card to Culture Program participant, ACA receives training, communications, and policy support from Mass Cultural Council. Also, the partnering agencies administering EBT, WIC, and Health Connector cards promote ACA's participation to their participants. ACA's Scholarship program is managed by our Student Services Manager, Michael Mahin, who works in collaboration with our Communications Director, Aneleise Ruggles, to conduct outreach and promote opportunities. Contributions to ACA's Scholarship Fund continue to grow year after year, allowing us to serve more and more underrepresented and underserved students.	
D. ACTIVITIES	
Students who receive scholarships from ACA participate in art classes and camp programs led by qualified teaching artists alongside peers who share their interests. All ACA programming is designed to inspire joy, nurture growth, and build community through the arts. Instructors help students to learn new techniques and expand their skill sets in a creative, supportive, and inclusive space that encourages students of all abilities to learn something new or continue honing a talent through continuing practice. Programs include drawing, painting, mixed media, ceramics, fiber arts, and more.	
E. OUTPUTS	
A grant of \$5,000 would allow ACA to provide approximately 13 scholarships to students from low-income students living in Arlington.	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
Participation by scholarship students in community arts programs offers many short-term benefits, including: skill development, social connection, increased confidence, cultural exposure, academic improvement, leadership opportunities, creative expression, social-emotional resilience, and networking opportunities. These benefits contribute to personal growth and a healthy community.	Participation in community arts programs can have a significant and lasting impact on scholarship students as well as their peers in the classroom, promoting an appreciation of different backgrounds, experiences, and viewpoints. Engagement helps students feel more connected to their communities, fostering a sense of belonging and social responsibility. For students with a passion for the arts.

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)

Persons Served: 200 Households Assisted: 200 Jobs Created: _____ Businesses Assisted: _____		

D. Project Summary									
<p>Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i></p> <p>Arlington Center for the Arts (ACA), in partnership with Arlington Housing Authority (AHA), will provide 24 free arts workshops for low-income tenants facing mobility issues and health concerns at three public housing residences – Winslow Towers, Cusack Terrace, and Chestnut Manor. From October 2025 through May 2026, programs will be planned, promoted, implemented, and evaluated in cooperation with the Tenants Association at each site.</p>									
<p>Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i></p> <p>In year one, this program served 120 participants in 16 workshops at two residences. In this second year, we anticipate serving 180 participants in 24 workshops at three residences. ACA’s successes have all to do with the close working relationships we enjoy with the Tenants Associations and AHA staff as well as our ability to listen to feedback and make programmatic and logistical adjustments to suit the needs and interests of residents. In the year ahead, we plan to continue working at the same three sites to capitalize on momentum built and increase participation.</p>									
<p>Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i></p> <p>ACA will utilize both qualitative and quantitative methods to evaluate the ongoing success of the project throughout its duration. We will track the number of participants by location and by workshop. We will also track repeat participants. Through surveys and discussion, we will get feedback about the workshop content, instructor performance, and student experience, including accessibility. Participants will be invited to share ideas for future workshops. Regular check-in meetings with Tenants Associations and AHA staff will help us to get a handle of the response to overall programming.</p>									
<p>Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>A recent study conducted by Animating Democracy (a program of Americans for the Arts) emphasizes the importance of encouraging creative thinking and leveraging creative expression through arts partnerships to build healthy and vibrant communities. Such partnerships have the power to advance diversity, equity, inclusion, and access by creating a platform for connectivity and cohesiveness. Unfortunately, there are significant barriers that often prevent participation in the arts, including transportation, personal income, and accessibility as well as individuals not knowing where to start or even feeling uncomfortable trying something new. Tenants of AHA, including seniors and people with disabilities, have not traditionally had access to consistent arts programming. While there may be some programs of interest that take place off-site, and for which residents could arrange transportation, many do not feel comfortable leaving the safety and familiarity of their everyday surroundings.</p>	
B. GOAL	
<p>The lack of access to high-quality arts programming by AHA residents will be addressed through the thoughtful and consistent delivery of meaningful projects at three sites – Winslow Towers, Cusack Terrace, and Chestnut Manor – from October 2025 through May 2026. In all, ACA will offer 24 arts & crafts workshops, led by qualified teaching-artists, and planned, promoted, implemented, and evaluated in cooperation with the Tenants Association at each site. Bringing arts programming to AHA tenants in the places where they live, aligns with the CDBG Consolidated Plan goal to increase access to education and create suitable living environments. Projects will be designed to nurture the creativity and talents of participating tenants in welcoming and safe spaces, fostering a sense of belonging and community pride. 100% of program participants will be from low and moderate income households. All residents of AHA housing are income certified annually. Over the last 18 months, ACA has built rapport and</p>	
C. INPUTS	
<p>Our partnership with AHA, enables ACA to access institutional knowledge and expertise about how to choose content and manage logistics that best support the residents being served. There are community rooms available at each of the AHA sites to which we have access for programming. ACA arms AHA partners with program details and promotional materials to help build interest in the workshops and recruit participants. Delia Tharnish, ACA’s Education Director, serves as the point person for AHA. She and Program Manager, Evan Caldwell, work closely with the Tenants Associations to ensure that programming reflects the needs of the residents. Delia and Evan are also responsible for hiring teaching artists to lead the workshops. They provide support for the teaching artists as they develop their lessons and ensure the accessibility of offerings. Pam Shanley, ACA Operations Director, is responsible for sourcing workshop materials in consultation with the teaching artists. Pam also brings decades of</p>	
D. ACTIVITIES	
<p>ACA will host 24 arts & crafts projects at three AHA sites over the course of eight months. These programs will be free and open to all interested tenants. Programs will be created with input from AHA staff and the Tenant Association at each site. Program offerings may include, drawing, painting, collage, fiber arts, and yoga. Programs will last from 1-2 hours, and materials will be provided. ACA, in consultation with AHA, will be responsible for leading the planning, implementation, and evaluation of the individual workshops and overall programming. Regular meetings will be conducted with AHA staff and Tenants Associations to ensure satisfaction with programming so that we may adapt and change course as necessary to best meet the needs of residents.</p>	
E. OUTPUTS	
<p>From October 2025 through May 2026, ACA will provide 24 arts & crafts workshops, serving 200+ residents at three AHA sites.</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>Many AHA residents have had little or no experience with art-making. This program serves as an introduction. ACA provides residents with convenient and accessible workshops in a welcoming and respectful environment: to foster opportunities for them to discover their own creativity; to appreciate the creative expression of others; to create new connections between neighbors; to inspire joy at</p>	<p>Long-term outcomes include encouraging residents at AHA to become more active participants in the larger community. By providing ongoing opportunities for residents to regularly engage in arts activities at home, ACA hopes to inspire them to seek out new experiences at ACA itself, the Arlington Senior Center, and other local venues. ACA will promote scholarship opportunities to AHA</p>

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information			
A. Contact & Organizational Information (If application is completed by a Collaborative, provide the lead entity contact only)

B. Project Information			
Project Name: Food access for seniors		Is this project new to your organization? <input type="radio"/> Yes <input checked="" type="radio"/> No	
Anticipated Start Date: On-going		Anticipated End Date: on-going	
Amount of Request:		Project Address(es): 117 Broadway	
C. Eligibility			
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.			
Low/Moderate Income Benefit:			
<input type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://geomap.ffiec.gov/FFIECGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: _____			
<input checked="" type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS			
<input type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures.			
<input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.			
Slum/Blight:			
<input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted.			
<input type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.			
Urgent Need:			
<input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.			
Beneficiaries:			
Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents.			
<input checked="" type="checkbox"/> All beneficiaries are Arlington residents			
<input type="checkbox"/> _____ % of beneficiaries are Arlington residents			
Does your project benefit any of the following demographics?			
<input type="checkbox"/> Abused children	<input checked="" type="checkbox"/> Elderly persons (age 62 and older)	<input type="checkbox"/> Battered spouses	
<input type="checkbox"/> Homeless persons	<input type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*)	<input type="checkbox"/> Illiterate adults	
<input type="checkbox"/> Persons living with AIDS	<input type="checkbox"/> Migrant farm workers	<input type="checkbox"/> Other (please specify): _____	
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.			
Persons Served: 725 Households Assisted: 500 Jobs Created: 0 Businesses Assisted: 0			

D. Project Summary

Brief Project Description: *Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.*

Arlington EATS will contribute to the health and well-being of seniors aged 62 and over, in Arlington, MA by providing healthy and nutritious food at no cost to these individuals. Our organization has a Market where individuals can shop for their own foods, as well as a home delivery program where participants choose what food items they would like delivered to their homes. We work to ensure that no senior in Arlington goes hungry.

Returning Applicants: *Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.*

Since the start of FY25 (July 1), EATS has served 611 unique seniors (defined as age 62+) through our Market and Home Delivery programs. Seniors have the opportunity to access food once a week.

Our strengths in providing access to food for seniors include:
Providing a diverse range of foods including fresh produce, tofu, gluten free items and low sodium or low sugar items.
Collaborating with the Council on Aging to provide free van rides to seniors to the Market.
Offering home delivery services for those who have barriers to coming to shop in person and providing food choices with customized orders for each household.
Collaboration with other Town and other local agencies through the Human Services Network, Arlington Housing Authority, and Minuteman Senior Services.

A weakness includes limited transportation capacity. While the Council on Aging provides free rides to seniors to EATS, there is a limit on how many rides they can accommodate due to driver schedules. At this point they have been able to accommodate the seniors requesting rides but if that number increases too quickly some seniors will not be able to get to Arlington EATS. When this happens EATS will evaluate options including expanding home delivery.

Our biggest challenge has been rising food costs and the rising number of food insecure residents that strained our capacity. As a result, we experienced our first financial deficit in FY24. As a result, our staff and board have been working to expand fundraising efforts through grants, foundations, and engaging more individuals through our first ever Turkey Trot in November 2024.

An opportunity for EATS has been in the area of communications. While we have a number of translating devices, as well as some volunteer interpreters, we are not always able to communicate in real time with a guest due to language barriers. In fall 2024, we launched a pilot program by hiring a Mandarin-speaking community liaison who has been engaging Mandarin-speaking seniors during the Market and through focus groups in order to break down communication barriers. This is a work in progress but has been very helpful in educating guests, volunteers, and staff in cultural practices and language misunderstandings. At the end of the pilot, we will have a number of recommendations in order to continue communication efforts with the Mandarin-speaking community.

Performance Evaluation Plan: *Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?*

Arlington EATS will measure progress on the number of seniors who utilize our services both at the Market and through the Home Delivery Program. We will also track the pounds of food we provide to seniors. The ability of our programs to reach more individuals who are seniors than we currently do will also be an evaluation method.

Additionally, we evaluate our programs through surveys in order to receive feedback from our guests. Our most recent agency-wide survey was offered in 6 languages in April 2024. We received 403 responses. This survey was focused on improving the food choices and overall experience for EATS guests. Our experience and response rates demonstrate our capacity to evaluate our programs using this method.

In order to ensure language is not a barrier to services or feedback, we use a Vasco translator device, which offers one-to-one translation in 78 languages. This device increases the diversity of feedback we receive from those who utilize our programs.

Town of Arlington Goals: *Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.*

☒ Town of Arlington Master Plan

☐ Fair Housing Action Plan

☐ Net Zero Plan

☐ Housing Plan

☐ Open Space & Recreation Plan

☐ Other

☐ Connect Arlington Sustainable Transportation Plan

Please explain which goals and/or strategies the proposed project advances:

Town of Arlington Master Plan Article 1. Community and Citizen Service and Article 2: Diversity

Consolidated Plan Goals and Objectives

Which Consolidated Plan Goal does your project align with? (select one)

☐ Improve the Condition of Existing Housing: Provide decent, affordable housing

☐ Increase Economic Development Opportunities: Create economic opportunities

☐ Enhance Parks, Public Facilities, and Infrastructure: Create suitable living environments

☒ Increase Access to Jobs, Education, Transportation, and Other Services: Create suitable living environments

Geographic Distribution of Activities: (Town wide or Census Tract)

If the geographic distribution is in a specific area, please note below.

☒ Town wide

☐ Specific Area – Which block group(s)/census tract(s) is/are the project located in?

Community Availability:

Is the proposed project available from any other providers in the community?

☒ No, not available from other providers in the community

☐ Yes, available from other providers in the community (please explain)

E. Attachments

The following attachments must accompany this proposal:

☒ 501(c)(3) Letter of Tax Determination Status from the Internal Revenue Service (IRS)

☒ One (1) copy of agency’s most recent financial audit

☒ One (1) copy of agency’s MA Certificate of Good Standing

The following attachments are optional and may be used to supplement your proposal:

☐ Letters of Support

☒ Resumes, brochures, newspaper articles, or other organizational marketing materials

CDBG Application, Town of Arlington, Program Year 51

2

Part II. Project Budget			
Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.			
A. Non-Construction Projects/Activities (Public Services, Economic Development)			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Food access for seniors	\$15,000	\$77,000	\$92,000
TOTAL PROPOSED BUDGET	\$15,000	\$77,000	\$92,000
B. Construction Projects (Housing, Public Facilities) Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction			
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET			
C. Summary of Other Funding: Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)			
Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:			
Private:	See below	\$77,000	Pending
Total:			
Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support. Other funding for this project includes: \$77,000, which will be raise through grants and donations from individuals, businesses, community and faith-based organizations and foundations.			
D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.			
<div>TOTAL CDBG REQUEST AMOUNT: \$ 15,000 = \$20.69 PER BENEFICIARY</div> <div>TOTAL NUMBER OF PROPOSED BENEFICIARIES: #725</div>			
E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.			
EATS has been serving this community since 1991 (as the Arlington Food Pantry) and will continue to serve food-insecure Arlington residents as long as the need exists. If the project is funded at a lower level, EATS will seek out alternative funding in order to ensure that no senior goes hungry in Arlington.			

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>Arlington EATS is committed to eliminating food insecurity and nurturing a healthier, more inclusive, and resilient Arlington for all. According to data from the Greater Boston Food Bank, the food insecurity rate in Arlington is 20% of the population, or 9,148 residents. In FY24, EATS served 3,020 low-to-moderate income Arlington residents—a 312% increase since the pandemic began in March of 2020. Despite this growth, we are only serving approximately 33% of the total population in need.</p> <p>Food insecurity inequitably affects certain populations, one of which is senior citizens. In FY24, EATS served 628 seniors (defined as age 62+) through our Market and Home Delivery programs. Arlington senior citizens represent 16.9% of town residents, yet they make up 23% of our client base, demonstrating a greater need than the general public. We are determined to grow our services in order to respond to that need and better serve this population.</p> <p>As medical and elder care expenses become overwhelming for some, Arlington EATS seeks to make nourishing food on the table a given for all. Because age and medical issues can prevent moderate to low-income seniors from working, the EATS market provides groceries for seniors so that they can maintain independence despite their circumstances. Our programming contributes to financial stability for seniors, as money saved on groceries can be redirected to other essential needs, such as housing and medical expenses. Each visit to the Market, guests received approximately \$175 worth of food.</p> <p>See attachment for more details.</p>	
B. GOAL	
<p>Nourishing communities with access to healthy foods significantly strengthens the economic foundation of a community. Our organization strives to combat poverty by not only ensuring food security but also by empowering individuals through access to employment opportunities, educational resources, reliable transportation, and other vital services in line with the Town of Arlington's long-term vision for growth and development.</p> <p>EATS empowers individuals by improving their overall health and well-being through access to nutritious food. This translates to a healthier community with reduced healthcare costs stemming from diet-related illnesses. The positive impact extends beyond physical health, nurturing mental and emotional well-being, fostering a vibrant community, and even enhancing workplace engagement.</p> <p>For seniors facing food insecurity, we offer flexible service options, including convenient market access and home delivery, ensuring they receive the nourishment they need without undue burden. Our partnership with the Arlington Council on Aging provides transportation support, enabling seniors to maintain their independence and enjoy the social benefits of visiting our market and connecting with others. Initiatives like our Arlington Farmers' Market and Fresh Buck Programs, where Arlington EATS runs the farmers market and provides vouchers up to \$15 per week to match SNAP dollars, not only provide access to fresh, locally sourced food, but also serve as a vibrant hub for community building, food insecurity stigma reduction, and social interaction.</p> <p>See attachment for more details.</p>	
C. INPUTS	
<p>Arlington EATS, previously known as the Arlington Food Pantry, has been a vital service for the community since 1991. We often describe Arlington EATS as a village. There are many dedicated contributors that make this organization a success; here are a few:</p> <p>Andi Doane has served as the Executive Director of EATS since 2015. She has overseen significant growth, increasing the organization's annual budget from \$100,000 to over \$1,500,000. A key achievement was spearheading a successful capital campaign and overseeing the construction of a permanent home for EATS, a landmark accomplishment in the organization's 30-year history.</p> <p>Susan Dorson, EATS Program Director, joined the organization in 2019 and has skillfully navigated the challenges of the pandemic. She plays a crucial role in fostering strong relationships with local organizations to ensure community members have access to vital resources.</p> <p>Vera Ok, our Market Manager, brings valuable experience from Mill City Grows in Lowell, where she supported immigrant and refugee farmers. Vera holds a Bachelor's degree in Sustainable Agriculture and Environmental Resource Economics.</p> <p>Johanna Niles, EATS Community Food Access Manager, oversees our home delivery program, as well as Fresh Bucks and the Arlington Farmers' Market. Her previous experience of overseeing a Meals on Wheels and Senior Dining program at Drake Village provides valuable insight into the needs of seniors in Arlington.</p> <p>See attachment for more details</p>	
D. ACTIVITIES	
<p>Key project activities include the purchase and distribution of nutritious food. The Market is currently open specifically for seniors on Mondays from 2-4 pm and for the general public on Mondays 4-7 p.m., Tuesdays 9 a.m.-12:30 p.m., Wednesdays, 9 a.m.-12 p.m., and Saturdays 10 a.m.-12 p.m. In the year ahead, we will continue to assess the needs of seniors and will monitor the need for expanding senior hours.</p> <p>The Home Delivery Program operates on Thursdays and delivers groceries to individuals who are unable to visit the market for medical reasons. Our aim is to increase food access for those who can not access the Market due to medical challenges or transportation barriers and have reduced the restrictions on applying for home delivery.</p> <p>Staff play a vital role in overseeing the program's success. Their responsibilities include sourcing and purchasing food, overseeing program strategy and procedures, and effectively recruiting and scheduling volunteers. Our volunteers are also essential to the program's daily operations, contributing their time to staff the market during open hours, process and transport home deliveries, and manage the flow of food stock throughout the week. Each week, Arlington EATS requires 150 volunteers to staff programmatic needs.</p> <p>See attachment for more details</p>	
E. OUTPUTS	
<p>The number of unique individuals projected to utilize EATS programs in FY25 is 3,775, a 25% increase from FY24. Of this, we project that 25% of the individuals served will be senior citizens.</p> <p>The amount of food that will be distributed in FY25 is projected to be 1,100,000 pounds, a 22% increase from FY204. Each household will receive between 35-50 pounds of food per visit.</p> <p>The number of Arlington residents participating as volunteers is expected to be 450 in FY25.</p> <p>The number of seniors Arlington EATS will serve will be 725.</p> <p>The number of seniors receiving home delivery from Arlington EATS will be 131.</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>Enhanced food access for seniors: Senior citizens in Arlington will have access to nutritious food at no cost through dedicated senior hours at the Market.</p> <p>Increased participation in programs: More seniors, approximately a 15% increase, will benefit from EATS programs and transportation services, leading to improved health and overall well-being.</p> <p>Improved accessibility and inclusivity: Increased market hours will encourage greater senior participation in EATS programs.</p> <p>Empowerment and improved quality of life: Addressing the immediate food needs of community members will empower them to pursue a higher quality of life, free from the constraints of food insecurity.</p>	<p>Our ultimate goal is to empower senior citizens to achieve self-sufficiency, with Arlington EATS serving as a safety net. We believe that by ensuring access to nutritious food, we can significantly transform our community.</p> <p>We aim to shape the overall health landscape, curbing healthcare costs by diminishing diet-related illnesses and providing safe access to food for senior citizens who may already be medically restricted.</p> <p>Financial stability will become fortified as households, liberated from the financial strain of food costs, will channel resources toward vital needs like housing and education. The holistic impact extends to mental health, contributing to emotional well-being and fostering a closely-knit community across ages. Ultimately, providing nutritious food will not only improve individual health and economic stability but also strengthen the social fabric of our community, creating a more resilient and thriving Arlington for all.</p>

Program Year 51 Application-supplemental information
Project: Food Access for Seniors
Organization: Arlington EATS

Part III. Project Narrative Table

A, Needs Statement, continued

Our work is essential in contributing to the overall health of our clients as well as reducing healthcare costs. For example, longtime Arlington resident Patty, a retired nurse, was often limited to processed foods due to her budget. She told us, "I just could not afford to buy the foods that I needed to stay healthy." When she experienced dangerously high blood sugar levels as a result of those processed foods, a social worker referred her to EATS. Once Patty had access to a variety of nourishing options offered by the EATS Market, she reported that her health improved and she was no longer in danger of a diabetes diagnosis. Arlington EATS has a wide variety of items for special diets including low sugar, low salt, and gluten free options. We are committed to providing services to as many individuals like Patty as possible.

Not only are we working to serve the health needs of the senior population, we are also committed to serving their mental and emotional well-being needs. Food-insecure seniors have significant limitations in activities of daily living. We work to take away the burden of purchasing and retrieving nutritious foods for the Arlington senior population while providing residents with community, dignity, and independence. We reserve certain hours specifically for senior citizens at our market, providing a less heavily trafficked shopping experience. We also partner with the Arlington Council on Aging to provide free van rides to and from the market for senior citizens. Our market provides elderly residents with a strong sense of community, essential for a population that often experiences extreme loneliness given the necessary isolation due to risk of illness.

This year, household food insecurity rates have reached their highest level post pandemic. Government programs implemented during the height of the pandemic are now phasing out as daily expenses continue to rise. The everyday work we do at EATS has never been more important. Many senior individuals are immunocompromised and going to the grocery store can still be dangerous due to risk of infection and home delivery services like Amazon and Peapod can be unaffordable. Our home delivery programs and senior specific market hours have become essential for this community in the wake of the pandemic, ensuring that they receive sufficient food in a safe manner. In FY2024, we provided 22,063 market visits and home delivery services to 1089 unique households. Visits by seniors represented 23% of our total guest visits. We remain resolute in our commitment to meeting the growing needs of our senior community.

B. Goals, continued

By alleviating the financial strain of food expenses, EATS empowers households to allocate resources towards critical needs such as housing, utilities, and medical expenses. Addressing food insecurity is paramount in creating a more equitable and just society. By reducing disparities in access to resources, we foster a stronger and more prosperous community for all. EATS actively collaborates with key partners, including the Arlington Council on Aging, Arlington Housing Authority, and Minuteman Senior Services, to leverage collective strengths and effectively combat food insecurity and empower individuals to thrive.

In essence, EATS provides a cornerstone for a resilient and interconnected community by ensuring access to nutritious food for all seniors.

C. Inputs, continued

Our board of directors reflects the diverse community we serve, with several members having personal experience with food insecurity. This valuable perspective deeply informs our mission and guides our work.

We leverage a diverse network of food sources, including The Great Boston Food Bank, Food Link, Boston Area Gleaners, Spoonfuls, local grocery stores, Holden Produce, and generous community donations, to ensure a consistent supply of nutritious food.

EATS relies heavily on the dedication of its 500+ active volunteers, the majority of whom are Arlington residents. In 2024, our volunteers offered 15,527 hours to our organization. We are fortunate to have many volunteers with unique skill sets who generously share their expertise to our organization.

Having assumed management of the Arlington Farmers Market, EATS ensures that all seniors have access to healthy foods at this community event through our SNAP match program — Fresh Bucks. Many seniors do not use SNAP services, and when asked why they told us, “I don’t think I qualify” and “Language barrier.” Our presence at the farmers market allows for many senior residents to easily connect with SNAP services and a number of other essential food assistance programs like Senior FMNP coupons. We offer all of this information in a number of different languages to make sure that anyone interested can receive these life changing services.

We also provide culturally appropriate foods to meet the needs of Arlington’s diverse community. We make sure that the foods we carry reflect the preferences of our clients so that they can enjoy nourishing meals of their choice at home. This commitment to offering a wide variety of quality food products aligns with our mission of promoting food security while honoring individual preferences and cultural diversity.

EATS stands as the only agency in Arlington that serves individuals regardless of age and income. Amidst a 25% surge in grocery prices since the pandemic, EATS remains steadfast in

its commitment to supporting the community. In fiscal year 2024, we distributed a remarkable 899,959 pounds of food to 3,020 low-to-moderate-income individuals in need.

In November 2022, EATS achieved a significant milestone by relocating both our programs and administrative offices to a new facility at 117 Broadway. This move has enabled us to significantly expand our services. As a result of this growth, we have seen a 57% increase in the average number of families we serve each week. We now offer food distribution on more days and have created a welcoming space for a variety of community agencies to provide essential services to EATS guests. These partners include the Arlington COA, Arlington Youth Counseling Center, Electrify Arlington, the Town of Arlington's DEI Department, the Housing Corporation of Arlington, WIC, Saint Vincent de Paul, MassHealth, and Lamplight Literacy.

D. Activities, Continued

The building provides a safe, accessible and dignified space for Arlington residents to access food. Guests make an appointment ahead of time and shop for food once a week. The space allows guests to connect with and access other community agencies that provide services beyond food access, such as clothing and other essential items.

EATS prioritizes emergency preparedness and has a proven track record of adapting to unforeseen circumstances. During the COVID-19 pandemic, the organization swiftly transitioned to a no-contact home delivery model, ensuring uninterrupted food access for all clients while prioritizing the safety of staff and volunteers. This demonstrates EATS' commitment to serving the community effectively during challenging times.

Anticipated Start Date: September 2025	Anticipated End Date: June 2026			
Amount of Request: \$243,295	Project Address(es): 54 Medford Street, Arlington, MA 02474			
C. Eligibility				
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.				
Low/Moderate Income Benefit:				
<input checked="" type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://geomap.ffiec.gov/FFIECGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: 3564				
<input type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS				
<input type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures.				
<input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.				
Slum/Blight:				
<input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted.				
<input type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.				
Urgent Need:				
<input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.				
Beneficiaries:				
Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents.				
<input checked="" type="checkbox"/> All beneficiaries are Arlington residents				
<input type="checkbox"/> _____ % of beneficiaries are Arlington residents				
Does your project benefit any of the following demographics?				
<input type="checkbox"/> Abused children	<input checked="" type="checkbox"/> Elderly persons (age 62 and older)	<input checked="" type="checkbox"/> Battered spouses		
<input checked="" type="checkbox"/> Homeless persons	<input checked="" type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*)	<input type="checkbox"/> Illiterate adults		
<input type="checkbox"/> Persons living with AIDS	<input type="checkbox"/> Migrant farm workers	<input type="checkbox"/> Other (please specify): _____		
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.				
Persons Served: 110	Households Assisted: 105	Jobs Created: _____	Businesses Assisted: _____	

D. Project Summary

Brief Project Description: *Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.*

The current parking lot and walkways owned by the Arlington Housing Authority at Chestnut Manor are in critical need of repaving. The Executive Office of Housing and Livable Communities' Capital Planning System indicates that it has been at least nearly 40 years since these parking lots were last paved.

Repaving these parking lots and walkways will not only address health and safety concerns, but also improve ADA accessibility on the Chestnut Terrace side of Chestnut Manor, which is the more utilized than the front of the building where most of the ADA accessible features exist. Making these improvements will be the first step in creating more accessible entrances on the Chestnut Terrace side of Chestnut Manor.

Returning Applicants: *Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.*

Performance Evaluation Plan: Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?

There will be numerous checks and balances within this project. This project will be planned, designed, procured and completed in accordance with all Massachusetts procurement laws, regulation and guidance. In addition to AHA staff oversight, there will be Executive Office of Housing and Livable Communities (EOHLC) staff members with construction, architecture and project management experience overseeing the project. An architecture firm known as a "house doctor," will be assigned to design and oversee the project as well. They will schedule check-ins, meetings and complete punch lists with the contractor at various phases throughout the projects life. Additionally, in accordance with MGL Ch. 149 the contractor will need to have the appropriate certifications. They will also receive a DCAMM contractor evaluation, which could impact their ability to complete future work for state and local agencies.

Town of Arlington Goals: *Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.*

- ☒ Town of Arlington Master Plan
 ☒ Fair Housing Action Plan
 ☒ Net Zero Plan
☒ Housing Plan
 ☐ Open Space & Recreation Plan
 ☐ Other _____
☒ Connect Arlington Sustainable Transportation Plan

Please explain which goals and/or strategies the proposed project advances:

Master Plan - Art. 4 & 7 / Sustainable Transportation Plan - F.2 / Fair Housing Plan - Strategy E / Net Zero Action Plan - ZEM 2 / Affordable Housing Production Plan - Goal 4

Consolidated Plan Goals and Objectives	
--	--

Which Consolidated Plan Goal does your project align with? (select one)

- | | |
|-------------------------------------|---|
| <input checked="" type="checkbox"/> | Improve the Condition of Existing Housing: Provide decent, affordable housing |
| <input type="checkbox"/> | Increase Economic Development Opportunities: Create economic opportunities |
| <input checked="" type="checkbox"/> | Enhance Parks, Public Facilities, and Infrastructure: Create suitable living environments |
| <input type="checkbox"/> | Increase Access to Jobs, Education, Transportation, and Other Services: Create suitable living environments |

Geographic Distribution of Activities: (Town wide or Census Tract)

If the geographic distribution is in a specific area, please note below.

- ☐ Town wide
☒ Specific Area – Which block group(s)/census tract(s) is/are the project located in?

3564

Community Availability:

Is the proposed project available from any other providers in the community?

- ☒ No, not available from other providers in the community
☐ Yes, available from other providers in the community (please explain_____)

E. Attachments	
----------------	--

The following attachments must accompany this proposal:

- ☐ 501(c)(3) Letter of Tax Determination Status from the Internal Revenue Service (IRS)
- ☒ One (1) copy of agency's most recent financial audit
- ☐ One (1) copy of agency's MA Certificate of Good Standing

The following attachments are optional and may be used to supplement your proposal:

- ☒ Letters of Support
☐ Resumes, brochures, newspaper articles, or other organizational marketing materials

Part II. Project Budget

Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.

A. Non-Construction Projects/Activities (Public Services, Economic Development)

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
TOTAL PROPOSED BUDGET			

B. Construction Projects (Housing, Public Facilities)

Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction	194,636		
Acquisition			
Appraisals/Studies			
Design	48,659		
Other:			
Other:			
TOTAL PROPOSED BUDGET	243,295		

C. Summary of Other Funding:

Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)

Funding Source	Amount	Committed or Pending
Other Federal:		
State:		
Local:		
Private:		
Total:		

Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support. The Arlington Housing Authority does not have any additional pending funding sources, but is planning to submit an application for a grant(s) so that EV Charging stations could be installed as part of this project. Additionally, we plan to submit a grant to upgrade the street and parking lot lighting during this project as well. Neither of these funding sources will impact the AHA’s ability to move forward with the core project, which is to repave the parking lots and walkways at Chestnut Manor.

D. Cost-Benefit Analysis:

Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.

TOTAL CDBG REQUEST AMOUNT:

TOTAL NUMBER OF PROPOSED BENEFICIARIES:

\$ 243,295

110

= \$

2,211.77

PER BENEFICIARY

E. Funding Availability:

If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.

It is possible that we can advocate to EOHLC for additional capital funding to cover special features such as EV charging stations through special funding sources for that purpose. Insufficient funding for repaving project could result in delaying the project another year or so. It could also result in only part of the parking lot or roadway being completed.

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>The current parking lot and walkways owned by the Arlington Housing Authority at Chestnut Manor are in critical need of repaving. The Executive Office of Housing and Livable Communities' Capital Planning System indicates that it has been at least nearly 40 years since these parking lots were last paved.</p> <p>Repaving these parking lots and walkways will not only address health and safety concerns, but also improve ADA accessibility on the Chestnut Terrace side of Chestnut Manor, which is the more utilized than the front of the building where most of the ADA accessible features exist. Making these improvements will be the first step in creating more accessible entrances on the Chestnut Terrace side of Chestnut Manor. Failure to repave this parking lot and roadway in the near future will result in increased health and safety risks especially during the winter months.</p>	
B. GOAL	
<p>The goal of this project is to repave the parking lot and walkways at Chestnut Manor. This repaving job will provide Chestnut Manor residents and Ch. 689-2 residents a safer place to live. It will also make these roadways safer for service providers and visitors as well as walkers, runners or bicyclists from the Arlington community that use these parking lots and walkways. Additionally, these improvements will be completed in accordance with ADA and other requirements, which will better serve our residents and the greater community. Also, the AHA is working to add EV charging stations and will consider other improvements that support sustainability, energy efficiency and decarbonization goals.</p>	
C. INPUTS	
<p>There will be numerous checks and balances within this project. This project will be planned, designed, procured and completed in accordance with all Massachusetts procurement laws, regulation and guidance. In addition to AHA staff oversight, there will be Executive Office of Housing and Livable Communities (EOHLC) staff members with construction, architecture and project management experience overseeing the project. An architecture firm known as a "house doctor," will be assigned to design and oversee the project as well. They will schedule check-ins, meetings and complete punch lists with the contractor at various phases throughout the projects life. Additionally, in accordance with MGL Ch. 149 the contractor will need to have the appropriate certifications. They will also receive a DCAMM contractor evaluation, which could impact their ability to complete future work for state and local agencies.</p>	
D. ACTIVITIES	
<p>This project will involve repaving the parking lots and AHA owned roadway at Chestnut Manor. The AHA will utilize the expertise, and resources available through its own staff as well as those available through the Executive Office of Housing and Livable Communities, which includes an assigned construction advisor, designer, engineer, and project manager. Additionally, the AHA will work with the Sustainability program at EOHLC to determine the potential surrounding EV charging stations and other related improvements.</p>	
E. OUTPUTS	
<p>The repaving of these paved surfaces at Chestnut Manor will result in a safer roadway for residents, pedestrians and drivers. It will increase accessibility and reduce impediments to accessing the building and the new Ch. 689-2 development.</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>The repaving of these paved surfaces will immediately result in a safer and more accessible environment for residents and the community.</p>	<p>The repaving of these paved surfaces will provide better access for residents, service providers, families and members of the community at Chestnut Manor and the new Ch. 689-2 development.</p>

Community Development Block Grant (CDBG) Subcommittee
c/o Mary Muszynski, Town of Arlington
730 Massachusetts Ave
Arlington, MA 02476

Dear Community Development Block Grant (CDBG) Subcommittee:

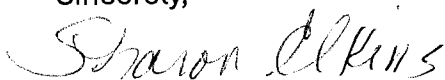

I am writing to express my support for the CDBG funding application submitted by the Arlington Housing Authority for the repaving of the Chestnut Manor parking lot and walkways. This project holds immense significance for the residents of Chestnut Manor, a senior housing complex, where many individuals rely on rollator walkers, quad canes and wheelchairs to aid their mobility.

The current condition of the parking lot, walkways and drive poses safety concerns. The repaving project is crucial in addressing these health and safety issues promptly while also improving building accessibility and encouraging residents to move about the property.

There are many mobility challenged residents who need to get out and walk every day, not only to meet their basic needs, such as food shopping and picking up prescriptions, but also to exercise, socialize, and participate in activities of the community. The repaving project will enhance the safety and quality of life for community members.

Thank you for your consideration of this project.

Sincerely,

A handwritten signature in cursive script that reads "Sharon Elkins".

Sharon Elkins

Former President of the Chestnut Manor Tenant Association

D. Project Summary
Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i> <p>Arlington Youth Counseling Center (AYCC) is a community-based mental health clinic serving Arlington youth (ages 3-21) and their families. AYCC is the leading provider of outpatient and school-based child and adolescent mental health services in Arlington, offering individual, group, and family counseling, psychiatric evaluation, and medication management. AYCC is committed to ensuring that all community youth and families have access to culturally sensitive and high quality care. To this end, AYCC strives to identify and address systemic inequities that create barriers to care, including financial barriers. AYCC is one of the only providers in the area that accepts youth with public health insurance and provides thousands of dollars of free and reduced-fee care to families who are uninsured, under-insured, or who otherwise cannot afford the cost of deductibles and copays. AYCC utilizes CDBG funding to provide free and reduced-fee care to low/moderate income families in need of financial assistance. In addition to youth mental health services, AYCC runs First Step- a support group for victims and survivors of domestic violence.</p> <p>AYCC seeks \$20,000 in CDBG funding to provide the following services: 1) free and reduced-fee mental health counseling and medication treatment and 2) therapeutic groups and support services for people who have experienced domestic violence.</p>
Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i> <p>In fiscal year 2024, AYCC conducted over 9,800 counseling and psychiatry sessions, and 30 group sessions, to 455 community youth and their caregivers. Roughly 28% of sessions were conducted via telehealth, enabling access to youth and families who were not able to engage in person. AYCC added a part-time bi-lingual (Spanish/English) Black therapist to meet the growing demand for services in Spanish. AYCC conducted more sessions and served more clients than in 2023.</p> <p>First Step continues to meet weekly, with 6-8 members attending every week.</p> <p>In the first and second quarter of FY25, AYCC has successfully utilized CDBG funding to offer free and reduced-fee mental health counseling and psychiatry to 8 families (5 youth, 3 adults), providing 126 counseling sessions and 7 psychiatry sessions in total. Without CDBG funds, these families may have declined necessary mental health services due to financial barriers.</p>
Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i> <p>AYCC will utilize its electronic health records (EHR) and billing system to document and track the need for, and distribution of grant funding among AYCC clients throughout the year. Financial barriers among prospective clients will be identified and documented at intake, and reassessed throughout treatment by the Billing Manager and AYCC clinicians. AYCC will also conduct biannual client satisfaction surveys and clinical review of treatment goals and objectives to assess satisfaction with and efficacy of treatment.</p>
Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.</i> <div><div><input checked="" type="checkbox"/> Town of Arlington Master Plan</div><div><input type="checkbox"/> Fair Housing Action Plan</div><div><input type="checkbox"/> Net Zero Plan</div><div><input type="checkbox"/> Housing Plan</div><div><input type="checkbox"/> Open Space & Recreation Plan</div><div><input type="checkbox"/> Other _____</div><div><input type="checkbox"/> Connect Arlington Sustainable Transportation Plan</div></div> <p><i>Please explain which goals and/or strategies the proposed project advances:</i></p>

E. Attachments
<p>The following attachments must accompany this proposal:</p> <div><div><input type="checkbox"/> 501(c)(3) Letter of Tax Determination Status from the Internal Revenue Service (IRS)</div><div><input type="checkbox"/> One (1) copy of agency’s most recent financial audit</div><div><input type="checkbox"/> One (1) copy of agency’s MA Certificate of Good Standing</div></div> <p>The following attachments are optional and may be used to supplement your proposal:</p> <div><div><input type="checkbox"/> Letters of Support</div><div><input type="checkbox"/> Resumes, brochures, newspaper articles, or other organizational marketing materials</div></div>

Part II. Project Budget			
Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.			
A. Non-Construction Projects/Activities (Public Services, Economic Development)			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
personnel	\$20,000	\$1,305,500	\$1,325,500
office supplies		\$4000	\$4000
EHR + Zoom		\$44,000	\$44,000
other		\$6,500	\$6,500
TOTAL PROPOSED BUDGET	\$20,000	\$1,360,000	\$1,380,000
B. Construction Projects (Housing, Public Facilities) Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction			
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET			
C. Summary of Other Funding: Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)			
Funding Source		Amount	Committed or Pending
Other Federal:			
State:	Department of Education	\$137,500	pending
Local:	Town subsidy, school contract	\$120,000/\$40,000	pending
Private:	Cummings Foundation/Insurance Client Co-payments	\$50,000/1,030,000	pending
Total:		1,377,500	
Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support. Department of Education: pending Town Subsidy/school contract: pending, town committee, superintendent approval Cummings Foundation: Committed grant installment for 10 years Insurance & Client Payments: anticipated revenue for FY26			
D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.			
<div>TOTAL CDBG REQUEST AMOUNT: \$ 20,000</div> <div>TOTAL NUMBER OF PROPOSED BENEFICIARIES: #20-25</div> <div>= \$ 800-1000 PER BENEFICIARY</div>			
E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.			
Yes, the Arlington Youth Counseling Center will continue to make high quality mental health services accessible and affordable to all youth and families in the community, regardless of their ability to pay. Historically, CDBG has been a critical and reliable source of funding to support this goal. Should this year's project be funded at a lower amount through CDBG, AYCC would seek out other sources of funding to ensure that no family would be denied services due to financial constraints.			

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>One in every five children, ages 3-17, suffers from a mental health disorder in a given year. Suicide is the leading cause of death for children ages 10-14. Left untreated, mental health disorders can have debilitating effects, causing significant functional impairments at home, in school, and socially with peers. Early detection and effective mental health interventions can help to minimize these effects, increase stability, and restore wellbeing in the lives of young people and their families. In Arlington, demand for youth mental health services continues to increase, as more children and teens expressed feelings of anxiety and depression.</p> <p>Over the past fiscal year, 202 children/teens/adult caregivers have sought mental health services at AYCC. There are still over 200 people waiting to be seen at AYCC. Fortunately, because of AYCC's free and reduced-fee services (supported by CDBG), Arlington youth and families who are uninsured or under-insured do not face additional financial barriers to accessing care at AYCC.</p>	
B. GOAL	
<p>It is AYCC's overarching goal to provide equitable access to mental health services by offering funding support to clients when gaps in coverage, or other financial constraints exist.</p>	
C. INPUTS	
<p>AYCC's Executive Director and Billing Manager will be responsible for overseeing the financial assistance application process for clients, and will manage the allocation of CDBG funding to eligible families.</p> <p>AYCC's intake coordinator will assess for financial need among prospective clients, and will invite prospective clients to complete grant funding applications, as indicated.</p> <p>AYCC clinicians will provide mental health counseling and medication treatment to AYCC clients. Clinicians will also assess and refer clients for financial assistance, as needed, throughout the course of treatment.</p>	
D. ACTIVITIES	
<p>The Executive Director and Billing Manager will update CDBG eligibility criteria in grant documents, and distribute grant applications to families with identified financial need. The intake coordinator will also assess for financial need and distribute grant applications to prospective clients.</p> <p>The Executive Director and Billing Manager will review applications and supporting documentation to determine eligibility for CDBG assistance.</p> <p>The Billing Manager will credit CDBG funding to approved client accounts for outstanding session co-payments, insurance deductibles, or other client balances.</p> <p>AYCC clinicians and psychiatrist will provide mental health counseling, psychiatric evaluation, and medication treatment to youth and families of all income levels, regardless of ability to pay.</p>	
E. OUTPUTS	
<p>Income-eligible youth and families who are approved for (CDBG) financial assistance will receive mental health services through AYCC, at no cost to them.</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>Youth and families from low/moderate income-earning households will receive mental health services to address their presenting mental health concerns.</p>	<p>Improved social, emotional, and behavioral functioning among youth- at home, in school, and in the community, as a result of therapeutic counseling and medication treatment.</p> <p>Improved health and wellbeing among Arlington families.</p>

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information			
A. Contact & Organizational Information (If application is completed by a Collaborative, provide the lead entity contact only)			
Agency/Organization: Arlington Boys & Girls Club			
Contact Name: Derek Curran		Title: Executive Director	
Mailing Address: 60 Pond Lane			
Email Address: dcurran@abgclub.org		Phone: 781-648-1617	
Universal Entity Identifier (UEI)#: KUQ3FW7NUQL <small>All entities receiving federal assistance must have a UEI #.</small>		Registered on SAM.gov? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <small>All entities receiving federal assistance must be registered on SAM.gov</small>	
Please Identify the Type of Organization Applying for Funds (Note: More than one may apply)			
<input checked="" type="checkbox"/> 501(c)3	<input type="checkbox"/> For-profit authorized under 570.201(o)	<input type="checkbox"/> Faith-based Organization	<input type="checkbox"/> Unit of Government <input type="checkbox"/> Institution of Higher Education
Collaborative Partners: If this application is being submitted on behalf of a collaborative please identify all partnering agencies here.			
B. Project Information			
Project Name: Enhance swimming pool accessibility at the Arlington Boys & Girls Club		Is this project new to your organization? <input checked="" type="radio"/> Yes <input type="radio"/> No	
Anticipated Start Date: July 1st 2025		Anticipated End Date:	
Amount of Request: 12,500		Project Address(es): ADA Pool Chair Lift & ADA Accessible Stair System	
C. Eligibility			
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.			
Low/Moderate Income Benefit:			
<input type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://geomap.ffiec.gov/FFIECGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: _____			
<input checked="" type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS			
<input type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures.			
<input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.			
Slum/Blight:			
<input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted.			
<input type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.			
Urgent Need:			
<input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.			
Beneficiaries:			
Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents.			
<input type="checkbox"/> All beneficiaries are Arlington residents			
<input checked="" type="checkbox"/> 75 % of beneficiaries are Arlington residents			
Does your project benefit any of the following demographics?			
<input type="checkbox"/> Abused children	<input checked="" type="checkbox"/> Elderly persons (age 62 and older)	<input type="checkbox"/> Battered spouses	
<input type="checkbox"/> Homeless persons	<input type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*)	<input type="checkbox"/> Illiterate adults	
<input type="checkbox"/> Persons living with AIDS	<input type="checkbox"/> Migrant farm workers	<input type="checkbox"/> Other (please specify): _____	
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.			
Persons Served: 1500 Households Assisted: _____ Jobs Created: _____ Businesses Assisted: _____			

D. Project Summary									
Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i> The Arlington Boys & Girls Club (Club) is seeking funds to replace our ADA pool chair lift and ADA accessible pool stairs as result of all the use over the years. A new ADA pool chair lift and ADA pool stairs would allow our members with mobility challenges, including seniors and those with disabilities, to continue to safely and independently enjoy the pool. This not only aligns with our commitment to inclusivity but also opens up the facility to a broader community, potentially increasing membership and usage. With CDBG funding, we can improve pool access by installing a high-quality, durable chair lift and new Pool entry stairs that provide safety and equal access to all. It's an investment in both the community and in future growth of Club members.									
Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i> N/A									
Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i> Conduct surveys or interviews with members who have used the pool chair lift and accessible pool stairs. Include questions such ease of use, safety, comfort, and accessibility. Goal would be to have more than 80% of those satisfied with functionality and usability of the pool lift and accessible stairs.									
Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.</i> <table><tr><td><input checked="" type="checkbox"/> Town of Arlington Master Plan</td><td><input type="checkbox"/> Fair Housing Action Plan</td><td><input type="checkbox"/> Net Zero Plan</td></tr><tr><td><input type="checkbox"/> Housing Plan</td><td><input type="checkbox"/> Open Space & Recreation Plan</td><td><input type="checkbox"/> Other _____</td></tr><tr><td colspan="3"><input type="checkbox"/> Connect Arlington Sustainable Transportation Plan</td></tr></table> <i>Please explain which goals and/or strategies the proposed project advances:</i>	<input checked="" type="checkbox"/> Town of Arlington Master Plan	<input type="checkbox"/> Fair Housing Action Plan	<input type="checkbox"/> Net Zero Plan	<input type="checkbox"/> Housing Plan	<input type="checkbox"/> Open Space & Recreation Plan	<input type="checkbox"/> Other _____	<input type="checkbox"/> Connect Arlington Sustainable Transportation Plan

Part II. Project Budget

Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.

A. Non-Construction Projects/Activities (Public Services, Economic Development)

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
ADA Pool Chair Lift	\$5500		\$5,500
ADA Accessible Pool Stairs	\$5000		\$5,000
Installation	\$2,000		\$2000
TOTAL PROPOSED BUDGET	\$12,500		\$12,500

B. Construction Projects (Housing, Public Facilities)

Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction			
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET			

C. Summary of Other Funding:

Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)

Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:			
Private:			
Total:			

Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support.

D. Cost-Benefit Analysis:

Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.

TOTAL CDBG REQUEST AMOUNT:

\$ 1500

= \$ 10

PER BENEFICIARY

TOTAL NUMBER OF PROPOSED BENEFICIARIES:

#

E. Funding Availability:

If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.

CDBG Application, Town of Arlington, Program Year 51

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
A new ADA pool chair lift and new ADA accessible pool stairs will ensure that all swimmers, regardless of mobility, will continue to fully enjoy our pool safely and with ease and independence. The pool chair lift will provide safe and comfortable access to the pool for individuals with limited mobility, allowing them to enter and exit the water without assistance. Additionally, new accessible stairs will continue to offer a safe and user-friendly entry into the pool which will help individuals with various mobility needs feel more comfortable entering the pool. Swimmers of all ages and abilities will benefit from the accessible stairs.	
B. GOAL	
To ensure the pool is completely accessible and swimmers of all ages have the opportunity to use the pool at the Arlington Boys and Girls Club no mater what disability or mobility challenges they may have.	
C. INPUTS	
The Club dedicates staff, time, and equipment to ensure that all individuals have access to our swimming pool. Training is provided to staff on how to use the pool equipment.	
D. ACTIVITIES	
The Arlington Boys & Girls Club pool is in operation six days a week for fifty weeks annually, serving swimmers of all ages young and old. Hundreds of swim lessons are taught each year for children and adults. Weekly adult aquacize are held which are very popular with our senior citizens. We have a nine-month adult Special Needs swim program with 20 participants, a one hundred and twenty-five member swim team, and numerous youth groups including schools, boy scouts and community groups that use the pool each year.	
E. OUTPUTS	
Our Aquatics Director and Operations Director are responsible for teaching staff how to use the pool lifts, accessible pool stairs, and ladders in the pool area. An estimated 1500 swimmers will use this new equipment annually while taking part in a variety of swim activities, and with that comes the responsibility of ensuring that all swimmers are able to enter and exit our pool safely.	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
Children and Adults with special needs will be able to enter the pool safely and comfortably. Adults and children with physical disabilities will be able to enter the pool safely and comfortably.	Our goal is to increase the number of children and adults that will participate in swim activities by installing updated accessible pool lift and accessible pool stairs.

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)

D. Project Summary									
Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i> The proposed funding will allow the Club to continue serving families who need financial assistance for child care and other programs. Each year becomes increasingly difficult for families to provide care for their children while they are at work. The requested funding will allow the Club to continue to provide top quality child care programs to children and families who need a helping hand. The Club prides itself on having programs that help enhance the lives of children and help shape their future. The Club offers a broad range of programs in the following five core National Boys & Girls Club program areas; Character and Leadership Development, Education and Career Development, Health and Life Skills, the Arts, and Sports, Fitness, and Recreation. All programs are designed to work towards positive outcomes for youth and reinforce necessary life skills. When children are at the Club, parents know that their children are in a safe place receiving positive direction from a caring and dedicated staff.									
Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i> We were able to use all of our funds to support many families that needed financial support. We take great pride in not turning away families due to financial constraints. By supporting those who need us most, children are getting valuable time participating in activities that enrich their lives.									
Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i> There will be a designated staff member assigned to admin the Scholarship program. This person will be responsible for collecting the necessary information from families seeking financial assistance and will ensure that all income criteria is met. This person will also be responsible for ensuring that the children/families receiving CDBG funds are having a positive experience here at the Arlington Boys & Girls Club.

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>In Arlington many households consist of single parent families or families in which both parents work. As a result children often times may be at home unsupervised during out of school time. This puts children at risk for sedentary screen time, poor food choices, and high-risk social behavior. Being able to provide quality programs for children who may otherwise be at home truly exemplifies what our mission is which is to enable all children, especially those who need us most, to realize their full potential as caring and responsible citizens.</p>	
B. GOAL	
<p>The Club aims to provide a safe place for children where they can have fun and enjoy a positive experience surrounded by their friends and a caring staff. While at the Club children can take part in a wide range of activities that focus on leadership, character development, education, health and life skills, sports, fitness, and recreation.</p>	
C. INPUTS	
<p>The Club will have a designated staff member assigned to administer the Scholarship Program. This person will be responsible for collecting the necessary information from families seeking financial assistance as well as ensuring that all income criteria is met. All records will be kept in a secure location at the Arlington Boys & Girls Club. Scholarships are granted on a first come first serve basis. Scholarship recipients use funds immediately for programs, usually during summer months.</p> <p>The Club will reach target population by working with other youth agencies, schools, Arlington Youth Consultation Center, and Department of Children and Families. Other avenues that Club will take to reach target population will include Facebook, Arlington Patch, and the Arlington Advocate. Flyer's regarding Club programming will also be placed in and around Arlington.</p> <p>100% of the allotted CDBG funds will go directly to our scholarship eligible families. The Club will take on all administrative costs associated with CDBG funds.</p>	
D. ACTIVITIES	
<p>Affordable childcare would be the major activity to be conducted with the use of CDBG scholarship funds. These funds are primarily used during the summer, with the exception being the last two years due to the pandemic. As a result of the pandemic, CDBG funds have been used for summer programs, as well as during the school year with our ABC Preschool Program, Afterschool Program, and other activities here at the Club.</p> <p>We fully anticipate using the funds, should we receive them this year, for our Summer programs. We are expecting our enrollment to be at or near full capacity, which in turn will result in a far greater need for financial assistance for many families who need care throughout the day during the summer months.</p> <p>Our summer programs are offered for children ages 3 to 17. They are:</p> <p>Creative Explorer program for children ages 2.9 to 5. This is a half day program.</p> <p>Kids Zone program for children ages 5 to 9. This is a full day program.</p> <p>Boating Exploration for children ages 8 to 12. This is a half day program offered in the morning and afternoon.</p> <p>Club Kids Program. This is a drop-in program for children ages 6 to 17. This program is offered 9:00am to 4:45pm for members who want to "drop-in" and participate in Club activities such as the games room, gym, pool etc...</p>	
E. OUTPUTS	
<p>We anticipate providing financial assistance to 60 children from approximately thirty to thirty-five families.</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>Parents and children learn that the Club is a safe place for their child.</p> <p>Childrens self-help skills are developed and enhanced through daily participation in Club activities.</p> <p>Children learn how to cooperate with each other in a group setting.</p> <p>Children are introduced to Club programs and activities.</p>	<p>Children and parents have a positive experience participating in activities at the Arlington Boys & Girls Club and return for more Club programming.</p>

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information			
A. Contact & Organizational Information (If application is completed by a Collaborative, provide the lead entity contact only)			
Agency/Organization: Caritas Holdings, Inc.

B. Project Information			
Project Name: Caritas - Improving Arlington Affordable Housing		Is this project new to your organization? <input type="radio"/> Yes <input checked="" type="radio"/> No	
Anticipated Start Date: 1/31/2026		Anticipated End Date: 5/31/2026	
Amount of Request: \$175,000		Project Address(es): 22 Fessenden Road & 12 Russell Terrace	
C. Eligibility			
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.			
Low/Moderate Income Benefit:			
<input type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://geomap.ffiec.gov/FFIECGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: _____			
<input checked="" type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS			
<input checked="" type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures.			
<input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.			
Slum/Blight:			
<input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted.			
<input checked="" type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.			
Urgent Need:			
<input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.			
Beneficiaries:			
Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents.			
<input checked="" type="checkbox"/> All beneficiaries are Arlington residents			
<input type="checkbox"/> _____ % of beneficiaries are Arlington residents			
Does your project benefit any of the following demographics?			
<input type="checkbox"/> Abused children	<input checked="" type="checkbox"/> Elderly persons (age 62 and older)	<input type="checkbox"/> Battered spouses	
<input checked="" type="checkbox"/> Homeless persons	<input type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*)	<input type="checkbox"/> Illiterate adults	
<input type="checkbox"/> Persons living with AIDS	<input type="checkbox"/> Migrant farm workers	<input type="checkbox"/> Other (please specify): _____	
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.			
Persons Served: 35 Households Assisted: 35 Jobs Created: 0 Businesses Assisted: 0			

D. Project Summary
Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i> Caritas Communities is requesting funds to improve the safety, accessibility, functionality, and longevity of our affordable housing residences in Arlington at 22 Fessenden Road and 12 Russell Terrace. These properties are home to 35 low-income individuals. At 22 Fessenden Road, we plan to replace all windows in the building, as they are aging and drafty. At 12 Russell Terrace, we plan to replace the run-down carpet in common areas with industrial-grade carpet on the first floor and vinyl plank elsewhere; we also plan to patch and paint all the walls in the hallways of the entire residence. This project will continue to demonstrate to our residents that their health and safety is paramount and will enable Caritas to practice our mission by restoring dignity to our Arlington home. This project will enable our residents to experience homes are properly cared for, and will extend the use of our assets for another several decades.
Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i> We have been awarded \$100,000 to replace the roof, fascia, and gutters, as well as insulate parts of the building at 22 Fessenden Rd. We plan to put the project out to bid on the State's website in January 2025 and finish the work by July 31, 2025.
Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i> Capital renovations are evaluated by adherence to schedule and budget, as well as regular inspections to ensure that the project meets our quality standards. Due to the condition and age of the residences, our Director of Facilities and Project Manager estimate that the work, in its entirety, will take approximately five months (two months for exterior work, one month for interior work, and two months for any administrative processes, unforeseen delays, historical approvals, etc.). Any unanticipated disruptions to this schedule will be managed appropriately. Caritas also gathers feedback from the residents as to their enjoyment of the living space once the project is completed. Feedback from residents comes through individual interactions with Resident Service Coordinators and Property Managers who report on morale within the houses, in resident satisfaction surveys, and in exit surveys for residents leaving our properties. We also regularly respond to maintenance requests and track resident retention rates to measure satisfaction with the condition of our housing. We believe that the quality of the living environment is critical to the success of the program. Overall, we expect that this project will enable Caritas to better care for the health and well-being of the residents in Arlington. We have received overwhelmingly positive feedback from our residents regarding past CDBG projects, so we expect the same for this year's submission. If outputs and outcomes are not achieved as planned due to problems with personnel or structural complications, our professional staff will troubleshoot to come up with the most appropriate solutions to bring the project to a successful conclusion.
Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.</i> <div><div><input checked="" type="checkbox"/> Town of Arlington Master Plan</div><div><input checked="" type="checkbox"/> Fair Housing Action Plan</div><div><input checked="" type="checkbox"/> Net Zero Plan</div><div><input checked="" type="checkbox"/> Housing Plan</div><div><input type="checkbox"/> Open Space & Recreation Plan</div><div><input type="checkbox"/> Other _____</div><div><input type="checkbox"/> Connect Arlington Sustainable Transportation Plan</div></div> <i>Please explain which goals and/or strategies the proposed project advances:</i>
Consolidated Plan Goals and Objectives Which Consolidated Plan Goal does your project align with? (select one) <div><div><input checked="" type="checkbox"/> Improve the Condition of Existing Housing: Provide decent, affordable housing</div><div><input type="checkbox"/> Increase Economic Development Opportunities: Create economic opportunities</div><div><input type="checkbox"/> Enhance Parks, Public Facilities, and Infrastructure: Create suitable living environments</div><div><input type="checkbox"/> Increase Access to Jobs, Education, Transportation, and Other Services: Create suitable living environments</div></div>
Geographic Distribution of Activities: (Town wide or Census Tract) If the geographic distribution is in a specific area, please note below. <div><div><input type="checkbox"/> Town wide</div><div><input checked="" type="checkbox"/> Specific Area – Which block group(s)/census tract(s) is/are the project located in? census tract 3566.02</div></div>
Community Availability: Is the proposed project available from any other providers in the community? <div><div><input checked="" type="checkbox"/> No, not available from other providers in the community</div><div><input type="checkbox"/> Yes, available from other providers in the community (please explain_____)</div></div>
E. Attachments
The following attachments must accompany this proposal: <div><div><input checked="" type="checkbox"/> 501(c)(3) Letter of Tax Determination Status from the Internal Revenue Service (IRS)</div><div><input checked="" type="checkbox"/> One (1) copy of agency’s most recent financial audit</div><div><input checked="" type="checkbox"/> One (1) copy of agency’s MA Certificate of Good Standing</div></div> The following attachments are optional and may be used to supplement your proposal: <div><div><input type="checkbox"/> Letters of Support</div><div><input type="checkbox"/> Resumes, brochures, newspaper articles, or other organizational marketing materials</div></div>

Part II. Project Budget			
Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.			
A. Non-Construction Projects/Activities (Public Services, Economic Development)			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
TOTAL PROPOSED BUDGET			
B. Construction Projects (Housing, Public Facilities) Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction	\$175,000		\$175,000
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other: Caritas Staff Salaries		\$31,634.00	
TOTAL PROPOSED BUDGET	\$175,000	\$31,634.00	\$206,634
C. Summary of Other Funding: Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)			
Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:			
Private:	Caritas Communities, Inc.	\$31,634.00	\$31,634.00
Total:		\$31,634.00	\$31,634.00
Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support.			
D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.			
<div>TOTAL CDBG REQUEST AMOUNT: \$175,000 = \$5,000 PER BENEFICIARY</div> <div>TOTAL NUMBER OF PROPOSED BENEFICIARIES: #35</div>			
E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.			
If Caritas does not receive enough funding to complete the full scope of the project, we can scale back our project to improve what we do have funds for, and reapply next year for funding to complete the remaining improvements at either/both properties. The priority of improvements for these properties are: (1) 22 Fessenden Rd - \$100,000 ; (2) 12 Russell Terrace - \$75,000.			

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>The project to improve Caritas affordable housing at 22 Fessenden Road and 12 Russell Terrace will address a priority need in the Arlington 5-Year Consolidated Plan by improving the condition of existing affordable housing in the Town. The aged lodging houses located at these properties have been in dire need of repairs for years now. CDBG funding has had an enormous impact on improving these houses, and we are just a few capital expenditures away from having impeccable living conditions by lodging house standards.</p> <p>The renovations are sorely needed to provide residents the dignity of clean, well-functioning and well-maintained housing. This project will eliminate current health, accessibility and safety issues, make the property more functional and environmentally efficient, and extend the use of the house for another several decades.</p>	
B. GOAL	
<p>This project will improve safety, accessibility, and dignity for our residents. It will have a lasting impact on the durability and functionality of the buildings, and enable our buildings to remain in good condition for all current and future low-income residents of Arlington.</p>	
C. INPUTS	
<p>The project would be overseen by Tom Nee, Senior Operations Director (and Arlington Resident) and Ryan McLaughlin, Project Manager at Caritas Communities. The town of Arlington has a long-standing relationship with Caritas Communities and regularly refers individuals with housing needs to us. During the project, the Project Manager will oversee and coordinate execution while choice of construction materials and quality of the provided work will be procured by Caritas Director of Facilities, Gil Kalensinksas. In addition, the Project Manager will coordinate with the Property Manager, On-Site Manager, and Resident Services Coordinators to notify tenants and receive their feedback on any concerns they have regarding the work.</p> <p>The Caritas Communities staff is highly experienced in managing renovation projects on time and on budget. We have performed countless renovations across our portfolio of 34 buildings. A recent HUD REAC inspection of 12 of our homes earned a score of 91b, which is an exceptionally high rating, demonstrating our commitment to quality living standards.</p>	
D. ACTIVITIES	
<p>The project at 12 Russell Terrace will make the hallways much safer, healthier, and more aesthetic. The current carpet in all corridors has eroded from enduring high traffic for over two decades, and there are potential trip hazards present for our elderly and disabled residents. The current carpet also contains a smoke and urine stench and is years beyond its useful life. Installation of thick, commercial-grade carpet on the first floor and stairs will provide a durable walking surface free from trip hazards. On the second and third floors, vinyl plank flooring will also provide much-needed durability as well as a surface that is much easier to maintain/clean.</p> <p>At 22 Fessenden Road, we plan to replace all windows at the property. These windows are aging and often drafty, which results in increased utility usage in both the summer and winter months. The drafty windows are also potential health risks to some of our elderly and health-compromised residents at the property. Given the historic nature of the lodging house, we will replace these windows in-kind with virtually no aesthetic effect but great environmental and safety impacts.</p> <p>Improvements at both properties will help maintain the buildings as well as the health, dignity and security of our residents for many years to come.</p>	
E. OUTPUTS	
<p>Our affordable housing properties in Arlington (at 12 Russell Terrace and 22 Fessenden Rd) will be made safer, more functional, more accessible, and more dignified for all 35 low-income, mostly formerly homeless residents -- including the elderly and disabled individuals. These improvements will show that the community cares about the dignity and well-being of the people who live there. Furthermore, Caritas Communities, as Manager of the properties, can ensure that each property will be properly maintained to extend the life of the building for many decades to come.</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>Two Arlington affordable housing property will be made safer, more accessible, more improved, and more dignified.</p> <p>New hallway floring and paint.</p> <p>New windows.</p> <p>Improved living conditions for 35 LMI, formerly homeless, elderly and disabled residents of Arlington, MA.</p>	<p>Improved longevity for an affordable housing property in Arlington.</p> <p>Decreased utilities expense, giving Caritas a chance to spend more on programming and/or other maintenance items.</p> <p>Improved living conditions for 35 LMI, formerly homeless, elderly and disabled residents of Arlington.</p> <p>Improved living conditions for current and future Caritas residents.</p> <p>Enhanced self-esteem and housing security for 35 LMI, formerly homeless, elderly and disabled residents of Arlington.</p>

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

D. Project Summary									
Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i> <p>The Council on Aging provides a robust menu of programs and services to Arlington Residents age 60+. When residents have high medical needs, extensive memory impairments, or require one-on-one level of care, an Adult Day Health program is an appropriate, effective and important next step for the resident and their families/caregivers to consider. Adult day health programs provide respite for caregivers, many who have no other options for rest or time to tend to their own personal needs. The Arlington COA makes referrals to Cooperative Elder Services, Inc (CESI). when there are residents in need of Adult Day Health Program. All adult day health programs have out of pocket costs and for many, the cost is not affordable. This CDBG Grant allows for 8 Arlington Residents to receive a \$1,000 scholarship (equivalent to 12 days of programing) of Adult Day Health Programming at CESI. The recipients of these scholarships are able to benefit from the quality programs and social interactions that CESI provides, and their caregivers are able to benefit from the crucial break that they need. Many of these residents and caregivers continue to participate in COA programs and services, especially our Caregiver Support Groups.</p>									
Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i> <p>Over the years, this grant has provided financial relief to the cost of Adult Day Health tuition at CESI for Arlington families. Administering these scholarships provides assistance to families that need them, without providing much strain on COA staff or resources. A strength of working with CESI is that they are right in town, well established and have all of the resources they need to run their programs, including their own transportation program for residents, if needed. We have had a long standing relationship with CESI and when either they or we learn of a resident who is in need of their program, we discuss this scholarship with the family and if they meet the low-moderate income requirement, a COA social worker meets with them and then we work with CESI to administer the scholarship. These scholarships are a long standing program that is self sustaining when the funds from this grant are there to support them. The only challenge of this program has been staff turnover at CESI, and needing to meet multiple individuals who assume new positions to educate them on the details of the program and history of this program.</p>									
Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i> <p>We are in communication with CESI staff regularly, but at the end of each quarter, we discuss the strengths and weaknesses of the program and areas for improvement before submitting our CDBG Quarterly report. We evaluate program success based on feedback from the residents who receive the scholarships (through discussions with COA Social Workers and periodic evaluations). We also evaluate results of the overall project based on the amount of grant funds used each year (historically, we have spent all funds by the end of the 3rd quarter).</p>									
Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Part II. Project Budget

Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.

A. Non-Construction Projects/Activities (Public Services, Economic Development)

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
	\$8,000		\$8,000
TOTAL PROPOSED BUDGET	\$8,000		\$8,000

B. Construction Projects (Housing, Public Facilities)

Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction			
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET			

C. Summary of Other Funding:

Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)

Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:			
Private:			
Total:			

Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support.

D. Cost-Benefit Analysis:

Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.

TOTAL CDBG REQUEST AMOUNT:

\$ 8,000

= \$ 1,000

PER BENEFICIARY

TOTAL NUMBER OF PROPOSED BENEFICIARIES:

#8

E. Funding Availability:

If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.

If the project is funded at a lower amount, less residents will be able to receive scholarships for Adult Day Health services. We have determined that \$1,000 scholarships are effective and provide a benefit to the resident and their family/caregivers that is worthwhile (designed so that the resident can attend for one day, at least once per month). \$1,000 provides a benefit of 12 days of programming through CESI. When financial constraints are not an issue, many attend adult day health programs multiple times per week. For residents who have financial hardships and low incomes, this scholarship proves access to a quality service that they could not otherwise afford.

CDBG Application, Town of Arlington, Program Year 51

3

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
There are currently at least 11,035 residents age 60+ in Arlington (2020 US Census). Almost 70% of caregivers in Arlington experience the financial impact of having to provide quality care for a family member. Many of these caregivers are supporting family members with dementia and other memory impairment issues, which are of growing concern not only in Arlington but across the country. In many instances, caregivers are forced to leave employment, resulting in significant financial loss to care for a family member. Connecting older adults and their families/caregivers to Adult Day Health programs is important because they are services that we are not able to provide through the Council on Aging due to the high needs of the individuals who need them. These programs are crucial to family/caregivers and often provide the only respite and continued social engagement for the older adult in need of the program. However, they come with a financial cost and many can not afford additional expenses on top of their already high costs of living and low incomes.	
B. GOAL	
To provide access to a quality Adult Day Health program for residents who could not otherwise financially afford it. Attending this program will decrease social isolation, provide respite for caregivers and improve quality of life for the aging population of Arlington who receive the scholarships.	
C. INPUTS	
Continue to have COA Social Workers and Community Advocates aware of CESI and the scholarships available so appropriate referrals can be made. Identify community members who would benefit from adult day health programming through COA programs, community partnerships, social work services, activities in the community.	
D. ACTIVITIES	
Educate COA Board Members and Volunteers about the difference between COA programs/services and Adult Day Health programs. Organize tours of the CESI facility for community stakeholders so they are aware of the services CESI provides. Educate all COA staff, provide regular updates about CESI programs, and discuss guidelines in trainings for flags to watch for in our community when a referral to an adult day health program might be necessary.	
E. OUTPUTS	
Provide more community education so that all age residents are aware and knowledgeable about what adult day health programs are. Use current relationships with ACMi, articles in YourArlington.com, articles in Arlington 60+ News and community volunteers to educate the community as a whole.	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
Provide 8, \$1,000 scholarships for low-income Arlington residents to use toward CESI programming in FY26.	Arlington families will be more aware of the benefits of adult day health programs and view CESI as a resource when they need it. They will know to contact the COA to make this referral and be able to access the most up to date resources and assistance that they could benefit from.

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)

PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information	
A. Contact & Organizational Information (If application is completed by a Collaborative, provide the lead entity contact only)	
Agency/Organization: Council on Aging, Town of Arlington	
Contact Name: Kristine Shah	Title: Executive Director
Mailing Address: 27 Maple Street Arlington, MA 02476	
Email Address: kshah@town.arlington.ma.us	Phone: 781-316-3401
Universal Entity Identifier (UEI) #: TILSFL7CKC97 <small>All entities receiving federal assistance must have a UEI #.</small>	
Registered on SAM.gov? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <small>All entities receiving federal assistance must be registered on SAM.gov</small>	
Please Identify the Type of Organization Applying for Funds (Note: More than one may apply)	
<input type="checkbox"/> 501(c)3 <input type="checkbox"/> For-profit authorized under 570.201(o) <input type="checkbox"/> Faith-based Organization <input checked="" type="checkbox"/> Unit of Government <input type="checkbox"/> Institution of Higher Education	
Collaborative Partners: If this application is being submitted on behalf of a collaborative please identify all partnering agencies here.	
B. Project Information	
Project Name: COA Transportation Program	Is this project new to your organization? <input type="radio"/> Yes <input checked="" type="radio"/> No
Anticipated Start Date: July 1, 2025	Anticipated End Date: June 30, 2026
Amount of Request: \$30,000	Project Address(es): 27 Maple Street Arlington, MA 02476
C. Eligibility	
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.	
Low/Moderate Income Benefit: <input type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://geomap.fiec.gov/FIECGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: _____ <input checked="" type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS <input type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures. <input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.	
Slum/Blight: <input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted. <input type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.	
Urgent Need: <input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.	
Beneficiaries: Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents. <input checked="" type="checkbox"/> All beneficiaries are Arlington residents <input type="checkbox"/> _____ % of beneficiaries are Arlington residents	
Does your project benefit any of the following demographics?	
<input type="checkbox"/> Abused children <input checked="" type="checkbox"/> Homeless persons <input type="checkbox"/> Persons living with AIDS	<input checked="" type="checkbox"/> Elderly persons (age 62 and older) <input type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*) <input type="checkbox"/> Migrant farm workers <input type="checkbox"/> Battered spouses <input type="checkbox"/> Illiterate adults <input type="checkbox"/> Other (please specify): _____
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.	
Persons Served: <u>820</u> Households Assisted: <u>780</u> Jobs Created: _____ Businesses Assisted: <u>12</u>	

D. Project Summary

Brief Project Description: Please share a brief "elevator pitch" summary of your project. Please avoid using abbreviations or acronyms.

The COA Transportation Program is a regional leader and has been acknowledged as one of the most extensive and cohesive, providing services to 820 low/moderate-income individuals age 60+ in Arlington, over the last year alone. The need for transportation continues to be a key factor that impacts the ability of residents to age in place and directly impacts social isolation, access to healthcare and aging independence. COA transportation provided 18,936 rides in FY24 to 820 individuals. The COA continues to stretch the Transportation program as far as we can with very limited resources and has grown the program significantly over the past 5 years due to increasing demand. It is crucial to know that we are the transportation provider for Arlington EATS (providing rides to 37 unique individuals to EATS per month, 3,384 rides to EATS annually). It is also important to know that COA Transportation provides rides to Arlington Housing Authority residents more than any other addresses in town, with over 30% of all rides going to or from AHA buildings. Other monthly highlights of COA transportation include: 557 rides/month to the Community Center, 176 rides/month to Market Basket for lower cost groceries, 96 rides/month to cancer related medical appointments, and 66 rides/month to non-cancer medical appointments. In addition, COA transportation provides access for low-income residents to get to the Arlington library, Town Hall, ESL classes, Post Office, grocery stores, personal care appointments and pharmacies.

Returning Applicants: Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.

In each and every community survey, transportation is identified as a key factor that impacts equity, access to healthcare, mental health and employment. Due to the high percentage of older adults living in Arlington specifically, and the aging "boomer" generation, we have seen a tremendous increase in transportation requests from low-moderate income residents age 60+ over the past 5 years. Our program strength is clearly illustrated in the numbers of rides we have provided in the past year alone (see above project description). We are versatile and fit ride requests in with the vehicle that makes the most sense for both the COA and rider (either the COA Van, a volunteer driver, Uber, or other service). We had an opportunity to apply for a MassDOT grant this year and were awarded a Community Transportation Grant to fund a fully-electric passenger van, the first in the region being used for a Council on Aging, which will be arriving in Summer 2025. When Arlington Belmont Taxi closed suddenly this year, the COA pivoted quickly and assisted all older adult riders who had been relying on taxi service to use COA vans or educate them on ride sharing services like Uber. We continue to seek as many grants as possible to support our Transportation Program, however, due to the high cost of transportation partnerships, these funds are quickly expended and are all hugely necessary. We continue to research and utilize new technology, collaborate with already established programs and search for new ways to keep costs as low as possible. This \$30,000 CDBG Grant is imperative in the COA being able to continue running a transportation program.

Performance Evaluation Plan: Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?

We have a well established database (My Senior Center) which tracks all ride requests, ride schedules and rider details. This tool allows for us to constantly evaluate areas of need and report accurate numbers and outcomes to grant funders. We also receive annual rider feedback through transportation surveys which is hugely helpful. Our Van Drivers and Volunteer Drivers are also key individuals who provide important feedback on our program. Our Van Drivers are all trained by MassDOT and are often the first eyes on older adult residents who are having serious issues, including medical situations, quality of life suffering, lack of nutrition. Both COA Van Drivers and Volunteer Drivers are in communication with COA staff when they have concerns and we are able to meet with and help an older adult resident who is struggling, who may have not been identified otherwise.

Town of Arlington Goals: Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.

- | | | |
|---|---|--|
| <input type="checkbox"/> Town of Arlington Master Plan | <input type="checkbox"/> Fair Housing Action Plan | <input type="checkbox"/> Net Zero Plan |
| <input type="checkbox"/> Housing Plan | <input type="checkbox"/> Open Space & Recreation Plan | <input checked="" type="checkbox"/> Other Age and Dementia Friendly Action Plans |
| <input checked="" type="checkbox"/> Connect Arlington Sustainable Transportation Plan | | |

Please explain which goals and/or strategies the proposed project advances:

Consolidated Plan Goals and Objectives

Which Consolidated Plan Goal does your project align with? (select one)

- ☐ Improve the Condition of Existing Housing: Provide decent, affordable housing
- ☐ Increase Economic Development Opportunities: Create economic opportunities
- ☐ Enhance Parks, Public Facilities, and Infrastructure: Create suitable living environments
- ☒ Increase Access to Jobs, Education, Transportation, and Other Services: Create suitable living environments

Geographic Distribution of Activities: (Town wide or Census Tract)

If the geographic distribution is in a specific area, please note below.

- ☒ Town wide
- ☐ Specific Area – Which block group(s)/census tract(s) is/are the project located in?

Community Availability:

Is the proposed project available from any other providers in the community?

- ☒ No, not available from other providers in the community
- ☐ Yes, available from other providers in the community (please explain _____)

E. Attachments

The following attachments must accompany this proposal:

- ☐ 501(c)(3) Letter of Tax Determination Status from the Internal Revenue Service (IRS)
- ☐ One (1) copy of agency's most recent financial audit
- ☐ One (1) copy of agency's MA Certificate of Good Standing

The following attachments are optional and may be used to supplement your proposal:

- ☒ Letters of Support
- ☒ Resumes, brochures, newspaper articles, or other organizational marketing materials

Part II. Project Budget

Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project's acceptance, the Town may request a detailed budget.

A. Non-Construction Projects/Activities (Public Services, Economic Development)

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
CDBG Grant	\$30,000		\$30,000
Symmes Transportation Grant		\$15,000	\$15,000
Sanborn Grant (Cancer related rides)		\$48,000	\$48,000
Rider Fees and other small grants		\$18,200	\$18,200
Town General Fund Transfer		\$50,000	\$50,000
TOTAL PROPOSED BUDGET	\$30,000	\$131,200	\$161,000

B. Construction Projects (Housing, Public Facilities) Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction			
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET			

C. Summary of Other Funding: Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)

Funding Source	Amount	Committed or Pending
Other Federal:		
State:		
Local: Symmes Memorial Fund, Sanborn Foundation	\$15,000, \$48,000	Pending
Private:		
Total:		

Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support. In addition to the two larger local grants above, we also seek annual financial support to partially cover the costs for some riders including: Arlington EATS (\$2,000), Minuteman Senior Services (\$4,000). Also, the Town of Arlington has committed \$50,000 from the General Fund for FY26 (as they have since FY19).

D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.

TOTAL CDBG REQUEST AMOUNT: \$ 30,000 = \$ 36.59 PER BENEFICIARY
TOTAL NUMBER OF PROPOSED BENEFICIARIES: #820

E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.

Our CDBG Transportation Grant has decreased through the years since FY18, from \$36,000 to \$30,000. Any further decreases in this grant would significantly impact the ability for the COA to run our Transportation Program, despite the growing need.

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT

Across the board, Arlington community surveys, including the most recent Community Health Needs Assessment (2024), residents identified transportation as a key issue. Consistently, in surveys related to Older Adults, transportation is a leading issue that impacts isolation, mental health, quality of life and independence. The numbers speak for themselves: COA Transportation provided over 18,000 rides last year alone to 820 low/moderate-income residents. Over 2,000 were medical rides. 30%+ of the total riders were Arlington Housing Authority residents and over 3,000 of the rides went to/from Arlington EATS. An example copy of one of our recent daily transportation schedules is attached for a glimpse in to the complexity and breath of the rides we provide through the COA, to riders who have no other options.

B. GOAL

The COA will continue to run a transportation program that will meet the growing needs of older adults as they age in Arlington. We will continue to be flexible and adapt as needed to reflect needs of the population we serve. As use of technology increases among our constituents, we will adapt our ride reservation systems, as transportation options phase out (ex: taxi companies), we will pivot to educating on more modern options. As parking continues to be a difficulty across town, we will offer our COA Vans as options for residents to access our programs and services without relying on a personal vehicle and/or searching for a parking spot.

C. INPUTS

The COA will continue to search for and advocate for financial support of our transportation program so that it can adequately expand to meet the growing need. We will continue to prioritize under-served, low/moderate-income residents who do not have other transportation options. Continue to recruit and train as many volunteer drivers as possible.

D. ACTIVITIES

Continue promoting COA Transportation in as many outlets across Arlington possible, including through community partners and directly to residents through media outlets, volunteer outreach, and community events. Continue to meet with local transportation based organizations/attend transportation focused trainings and groups with community partners to improve our current transportation programs and seek assistance on how to meet this exponentially growing demand.

E. OUTPUTS

Continue/expand upon the current COA Transportation Options (2 fully accessible, COA passenger vans on the road 5 days/week, team of volunteer medical drivers trained and available to assist, older adults educated on how to use Uber/ride share options, Arlington older adults have Senior Charlie Cards for MBTA discounts and if they qualify, have access to the MBTA "The Ride."). COA evolves to embrace new technology that relieves manual transportation staff work, including ride scheduling and rider information.

F1. SHORT-TERM OUTCOMES

The COA is able to meet the transportation needs of low/moderate-income older adults, under served communities, and not have to reduce transportation offerings during a time that demand is increasing.

F2. LONG-TERM OUTCOMES

Arlington older adults, especially those who are low/moderate-income, are able to access programs and services that they need, without transportation barriers. COA Transportation is able to grow and meet the ever growing needs of the older adult community, especially those who are low/moderate-income.

Mike - ~~from Cindy KARR~~ ①

The rules for the Market Basket Van are: Be ready on time in both directions, only two bags per person, you have to be able to carry your own groceries.

When I'm able, I do the 8:15am run with Mike ~~from Cindy KARR~~ on Tuesday mornings. I walk with a cane, and I'm not very steady on my feet. I bring a cart, so I can fit more groceries in.

Mike helps me if necessary with the three porch & van steps; saves a front row seat for me, brings my cart onto the van, and off, and into my apartment. The amount of energy that saves me is enormous.

Very unlike me, Mike is able to take everybody as they come, and deal well with them where they're at. The world would be a much

Mike

(2)

better place if everyone could do that.

He is generous, compassionate, kind, and much more, while he gets things done seamlessly. He can be funny. He takes offense rarely.

My greatest thanks and deepest honor to Mike ~~Sagiano~~, not only for what he does, but for who he is.

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information			
A. Contact & Organizational Information (If application is completed by a Collaborative, provide the lead entity contact only)			
Agency/Organization: Council on Aging, Town of Arlington			
Contact Name: Kristine Shah		Title: Executive Director	
Mailing Address: 27 Maple Street Arlington, MA 02476			
Email Address: kshah@town.arlington.ma.us		Phone: 781-316-3401	
Universal Entity Identifier (UEI)#: TILSFL7CKC97 <small>All entities receiving federal assistance must have a UEI #.</small>		Registered on SAM.gov? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <small>All entities receiving federal assistance must be registered on SAM.gov</small>	
Please Identify the Type of Organization Applying for Funds (Note: More than one may apply)			
<input type="checkbox"/> 501(c)3	<input type="checkbox"/> For-profit authorized under 570.201(o)	<input type="checkbox"/> Faith-based Organization	<input checked="" type="checkbox"/> Unit of Government <input type="checkbox"/> Institution of Higher Education
Collaborative Partners: If this application is being submitted on behalf of a collaborative please identify all partnering agencies here.			
B. Project Information			
Project Name: COA Volunteer/Transportation Coordinator		Is this project new to your organization? <input type="radio"/> Yes <input checked="" type="radio"/> No	
Anticipated Start Date: July 1, 2025		Anticipated End Date: June 30, 2026	
Amount of Request: \$53,134		Project Address(es): 27 Maple Street Arlington, MA 02476	
C. Eligibility			
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.			
Low/Moderate Income Benefit:			
<input type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://geomap.ffiec.gov/FFIECGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: _____			
<input checked="" type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS			
<input type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures.			
<input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.			
Slum/Blight:			
<input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted.			
<input type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.			
Urgent Need:			
<input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.			
Beneficiaries:			
Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents.			
<input checked="" type="checkbox"/> All beneficiaries are Arlington residents			
<input type="checkbox"/> _____ % of beneficiaries are Arlington residents			
Does your project benefit any of the following demographics?			
<input type="checkbox"/> Abused children	<input checked="" type="checkbox"/> Elderly persons (age 62 and older)	<input type="checkbox"/> Battered spouses	
<input checked="" type="checkbox"/> Homeless persons	<input type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*)	<input type="checkbox"/> Illiterate adults	
<input type="checkbox"/> Persons living with AIDS	<input type="checkbox"/> Migrant farm workers	<input type="checkbox"/> Other (please specify): _____	
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.			
Persons Served: 3,980 Households Assisted: _____ Jobs Created: 1 Businesses Assisted: _____			

D. Project Summary
Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i> <p>This CDBG Grant funds the Volunteer/Transportation Coordinator Position within the Council on Aging. This position is 28 hours/week and has been in place since 1990. This role oversees two of the most crucial elements of the department: Volunteer management and transportation. In FY24 the COA managed 320 volunteers with various responsibilities, some examples including working weekly shifts overseeing the Community Center volunteer desk, driving residents to medical appointments, or delivering Turkey Dinners on Thanksgiving Day to homebound older adult residents. The Transportation Coordinator scheduled and completed over 18,000 rides in the last year, alone. Ride requests come in to the COA office and it is the coordinators job to speak with the person about their transportation need and match them with the appropriate service (COA Van, Volunteer Medical Driver, Uber, or other transportation method). They also assist older adults in applying for the MBTA Senior Charlie Card or in referring to programs such as the MBTA Ride if applicable. The Volunteer/Transportation Coordinator tracks all volunteers, statistics, ride requests and data using My Senior Center. They also complete the daily transportation schedule, Van Driver Schedules, schedule vehicle repairs/ maintenance, and grant reports to MassDOT and other organizations. Although this position could easily be full-time, other COA staff fill in when emergencies arise outside of the current 28 hours/week that the Volunteer/Transportation Coordinator works. We are extremely grateful that our current Volunteer/Transportation Coordinator is bilingual, as we provide transportation services to a large number of non-English speaking residents daily.</p>
Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i> <p>Over the past year, one of the biggest strengths of this position was in managing the increased number of complex of ride requests that came through the department. Our transportation program is utilized by low/moderate-income older adults, many who have various mobility issues, mental health issues, financial strain and complex situations. The coordinator spends a lot of time understanding requests that come through, matching with an appropriate means of transportation and navigating the transportation from start to finish, often walking the resident through the process closely. At first thought, scheduling transportation sounds like it could be a simple task, however, this coordinator regularly encounters emotional transportation requests related to serious medical situations, changes in appointment schedules, situations outside of our control such as traffic, multi-lingual resident requests and riders with complex medical needs. They also work closely with residents when ride-sharing is the only option, and talk residents through using Uber when an emergency situation arises. With over 11,000 Age 60+ residents in Arlington and over 1,800 rides completed over the last year alone, the transportation aspect alone of this job is extremely busy. The volunteer management on top of transportation makes it all the more crucial.</p>
Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i> <p>COA requests regular feedback regarding all of our programs and services, especially related to transportation, but also for each of our volunteer run programs. Our database allows for accurate compiling of numbers so that we can evaluate hard data in regards to the rides we provide specific to our transportation program, which is helpful as we evaluate the best transportation areas to focus on.</p>
Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.</i> <div><div><input type="checkbox"/> Town of Arlington Master Plan</div><div><input type="checkbox"/> Fair Housing Action Plan</div><div><input type="checkbox"/> Net Zero Plan</div><div><input type="checkbox"/> Housing Plan</div><div><input type="checkbox"/> Open Space & Recreation Plan</div><div><input checked="" type="checkbox"/> Other <u>Age and Dementia Friendly Action Plans</u></div><div><input checked="" type="checkbox"/> Connect Arlington Sustainable Transportation Plan</div></div> <p><i>Please explain which goals and/or strategies the proposed project advances:</i></p>
Consolidated Plan Goals and Objectives Which Consolidated Plan Goal does your project align with? (select one) <div><div><input type="checkbox"/> Improve the Condition of Existing Housing: Provide decent, affordable housing</div><div><input type="checkbox"/> Increase Economic Development Opportunities: Create economic opportunities</div><div><input type="checkbox"/> Enhance Parks, Public Facilities, and Infrastructure: Create suitable living environments</div><div><input checked="" type="checkbox"/> Increase Access to Jobs, Education, Transportation, and Other Services: Create suitable living environments</div></div>
Geographic Distribution of Activities: (Town wide or Census Tract) If the geographic distribution is in a specific area, please note below. <div><div><input checked="" type="checkbox"/> Town wide</div><div><input type="checkbox"/> Specific Area – Which block group(s)/census tract(s) is/are the project located in? <div></div></div></div>
Community Availability: Is the proposed project available from any other providers in the community? <div><div><input checked="" type="checkbox"/> No, not available from other providers in the community</div><div><input type="checkbox"/> Yes, available from other providers in the community (please explain <div></div>)</div></div>
E. Attachments
<p>The following attachments must accompany this proposal:</p> <div><div><input type="checkbox"/> 501(c)(3) Letter of Tax Determination Status from the Internal Revenue Service (IRS)</div><div><input type="checkbox"/> One (1) copy of agency’s most recent financial audit</div><div><input type="checkbox"/> One (1) copy of agency’s MA Certificate of Good Standing</div></div> <p>The following attachments are optional and may be used to supplement your proposal:</p> <div><div><input type="checkbox"/> Letters of Support</div><div><input type="checkbox"/> Resumes, brochures, newspaper articles, or other organizational marketing materials</div></div>

Part II. Project Budget			
Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.			
A. Non-Construction Projects/Activities (Public Services, Economic Development)			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
CDBG Grant	\$53,134		\$53,134
TOTAL PROPOSED BUDGET	\$53,134		\$53,134
B. Construction Projects (Housing, Public Facilities) Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction			
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET			
C. Summary of Other Funding: Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)			
Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:			
Private:			
Total:			
Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support.			
D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.			
<div>TOTAL CDBG REQUEST AMOUNT: \$ 53,134</div> <div>TOTAL NUMBER OF PROPOSED BENEFICIARIES: #3,980*</div> <div>= \$ _____ PER BENEFICIARY</div>			
E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.			
*3,980 calculation: 820 individual riders used COA Transportation Over past Year + 3,160 Arlington Residents participating in programs/services that have volunteer involvement over past year. If this grant is funded at a lower amount, it would decrease the number of hours that this position was hired to work and would significantly impact COA Transportation and Volunteer run programs.			

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>The Council on Aging offers and relies on engagement of volunteers (320 current volunteers annually) in order to complete our extensive programs and services. The COA also runs a robust transportation program that the community relies on heavily, which completed over 18,000 rides last year alone. Included in these rides were over 3,000 going to Arlington EATS and over 30% to Arlington Housing Authority residents. The Volunteer/Transportation Coordinator is needed in order to meet the needs of recruiting/managing/stewarding volunteers and also manage the entire Transportation Program.</p>	
B. GOAL	
<p>Continue to recruit quality volunteers as needed in order to run COA programs and services, train them appropriately and manage their activities. Continue to run a robust, high quality and efficient Transportation Program to meet the ever growing need of the aging adults in Arlington, being flexible to adapt, change and grow as necessary.</p>	
C. INPUTS	
<p>Maintain the investment in the Volunteer/Transportation Coordinator position. Train them appropriately and acknowledge the hard and complex work that the position completes. Provide them with appropriate resources so that they can do their job well, including translation services, leads toward new transportation relationships. Creating a welcoming and inviting space at the Arlington Community Center that will encourage more older adults</p>	
D. ACTIVITIES	
<p>This program manages the 320+ volunteers who contribute to the 130+ programs and events hosted by the Council on Aging. As stated in earlier sections of this application, this position is also responsible for running our entire transportation program, which completed over 18,000 rides in the past year.</p>	
E. OUTPUTS	
<p>Volunteer opportunities allow for older adults to engage in their community, reduces isolation and provides a sense of purpose for many. The programs and activities that these volunteers engage in touched over 3,160 individuals in the past year alone.</p> <p>Continue/expand upon the current COA Transportation Options (2 fully accessible, COA passenger vans on the road 5 days/week, team of volunteer medical drivers trained and available to assist, older adults educated on how to use Uber/ride share options, Arlington older adults have Senior Charlie Cards for MBTA discounts and if they qualify, have access to the MBTA "The Ride.")</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>COA volunteer roles are filled with a well trained pool of interested and engaged volunteers.</p> <p>The COA is able to meet the transportation needs of low/moderate-income older adults, under served communities, and not have to reduce transportation offerings during a time that demand is increasing.</p>	<p>Arlington older adults, especially those who are low/moderate-income, are able to access programs and services that they need, and serve as a volunteer if they are interested. Transportation needs of older adults in Arlington are able to be met through the COA transportation and/or community partners.</p>

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

D. Project Summary
Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i> Installation of curb ramps at intersections with roadways improves the safety and accessibility for ALL users that choose to use sidewalks and access the public right of way. The Town of Arlington utilizes an Accessibility Analysis Map that was developed to prioritize areas utilized by under-served and other vulnerable populations which tend to rely more on public amenities, including parks, open space, community buildings, public transit, etc. The DPW Engineering Division utilizes the Accessibility Analysis Map as well as additional overlay tools and requests from vulnerable users when planning and selecting curb ramp locations to include with the Annual Curb Ramp Project. If funding is approved the project has historically included approximately 50 locations within Eligible Block Groups. However, based on construction cost increases in recent years, the actual quantity moving forward is anticipated to be lower barring increased funding. The quantity of ramps constructed can vary due to topography and site conditions at each individual ramp location. Any ramps not constructed will be added to the next Annual Curb Ramp Project. Typically work is performed in summer, fall, and spring.
Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i> The PY50 Annual Curb Ramp Project is still currently in progress. The contract is from July 1, 2024 to June 30, 2025. To date curb ramps have been upgraded at 29 locations focusing mainly on improved accessibility around the Hardy School area in East Arlington (Herbert Street and Brooks Avenue). DPW continues to make progress and improvements to curb ramps to increase connectivity and provide improved accessibility for users with physical disabilities.
Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i> The DPW will continue to compare the locations of ADA compliant and non-ADA compliant curb ramps against the Town's priority overlay on our internal GIS Accessibility Map. This tool allows the Town to determine locations of highest need for curb ramps for vulnerable users and provides a database to track improvements as they are completed.
Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.</i> <div><input type="checkbox"/> Town of Arlington Master Plan<input type="checkbox"/> Fair Housing Action Plan<input type="checkbox"/> Net Zero Plan</div> <div><input type="checkbox"/> Housing Plan<input type="checkbox"/> Open Space & Recreation Plan<input type="checkbox"/> Other _____</div> <div><input checked="" type="checkbox"/> Connect Arlington Sustainable Transportation Plan</div> <div><i>Please explain which goals and/or strategies the proposed project advances:</i></div>
Consolidated Plan Goals and Objectives Which Consolidated Plan Goal does your project align with? (select one) <div><input type="checkbox"/> Improve the Condition of Existing Housing: Provide decent, affordable housing</div> <div><input type="checkbox"/> Increase Economic Development Opportunities: Create economic opportunities</div> <div><input checked="" type="checkbox"/> Enhance Parks, Public Facilities, and Infrastructure: Create suitable living environments</div> <div><input checked="" type="checkbox"/> Increase Access to Jobs, Education, Transportation, and Other Services: Create suitable living environments</div>

Two priority areas have been identified for PY51. See attachment.</div>
Community Availability: Is the proposed project available from any other providers in the community? <div><input checked="" type="checkbox"/> No, not available from other providers in the community</div> <div><input type="checkbox"/> Yes, available from other providers in the community (please explain_____)</div>
E. Attachments
The following attachments must accompany this proposal: <div><input type="checkbox"/> 501(c)(3) Letter of Tax Determination Status from the Internal Revenue Service (IRS)</div> <div><input type="checkbox"/> One (1) copy of agency’s most recent financial audit</div> <div><input type="checkbox"/> One (1) copy of agency’s MA Certificate of Good Standing</div> The following attachments are optional and may be used to supplement your proposal: <div><input checked="" type="checkbox"/> Letters of Support</div> <div><input type="checkbox"/> Resumes, brochures, newspaper articles, or other organizational marketing materials</div>

Part II. Project Budget			
Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.			
A. Non-Construction Projects/Activities (Public Services, Economic Development)			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
TOTAL PROPOSED BUDGET			
B. Construction Projects (Housing, Public Facilities) Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction	\$113,000	\$20,550.00	\$157,550.00
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET	\$113,000	\$20,550.00	\$157,550.00
C. Summary of Other Funding: Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)			
Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:	DPW Capital Funds	\$20,550.00	Pending (Spring 2025 Town Meeting)
Private:			
Total:		\$20,550.00	
Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support. The Town contributes additional funding annually to supplement the Annual Curb Ramp Project and for other accessibility goals. For PY51, it is anticipated that an additional \$20,550.00 in Town contributions will be put toward this project pending annual Town Meeting budget approval.			
D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.			
<div>TOTAL CDBG REQUEST AMOUNT: \$ 113,000.00 = \$ unknown PER BENEFICIARY</div> <div>TOTAL NUMBER OF PROPOSED BENEFICIARIES: #unknown</div>			
E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.			
Yes, it can still feasibly be carried out, though reduced funding would result in the installation of fewer curb ramps and potentially affect line item costs for contract items if total construction costs vary significantly from the awarded contract value. Additionally, the cost of construction has been increasing and future considerations should be given to increasing the annual request to provide similar progress.			

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
Lack of curb ramps and non-compliant ramps present a physical barrier to many including those with low vision, mobility impairments, the elderly, and other vulnerable users. Installation of and/or improvements to curb ramps to obtain ADA compliance will increase the use of and accessibility to sidewalks through the project areas. Improvements will also add the ease of general use for all pedestrians including those utilizing mobility devices and strollers.	
B. GOAL	
Adding accessibility opportunities where there are none and improving accessibility on existing infrastructure to obtain compliance with the Town's ADA goals will provide a safer experience for for all residents and users.	
C. INPUTS	
The Engineering Division in conjunction with the ADA Coordinator and the CDBG Coordinator will ensure that the communication and administrative requirements for the grant are adhered to and construction/reconstruction will meet ADA and MA AAB requirements.	
D. ACTIVITIES	
Work includes improvements to curb ramps, sidewalks and bus stops if in the proximate area of the curb ramp work. The average cost of curb ramp installation is between \$4,000 and \$6,000. Prices typically vary depending on topography and specific road conditions, but at all times the project planning and implementation takes into consideration the main goal of increasing accessibility and mobility.	
E. OUTPUTS	
There were approximately 29 curb ramps updated under the current construction contract with more planned for Spring of 2025. The current plan for this CDBG Season includes 36 Curb Ramp locations in the area of Brattle Street/Grove Street and a segment of Jason Street. Costs may vary depending on site variabilities including abutting properties, slope and topography, and conditions of existing infrastructure. If additional curb ramps locations are possible with available funds, locations from the next years project plan may be utilized.	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
Increased safety and accessibility for users and ease of use for those with physical and mobility impairments.	Increased safety and accessibility for users and ease of use for those with physical and mobility impairments.

CDBG PY51 Annual Curb Ramp Project Application: Planned Work

<u>Description</u>	<u># Ramps</u>
Annual Curb Ramp Project.....	36

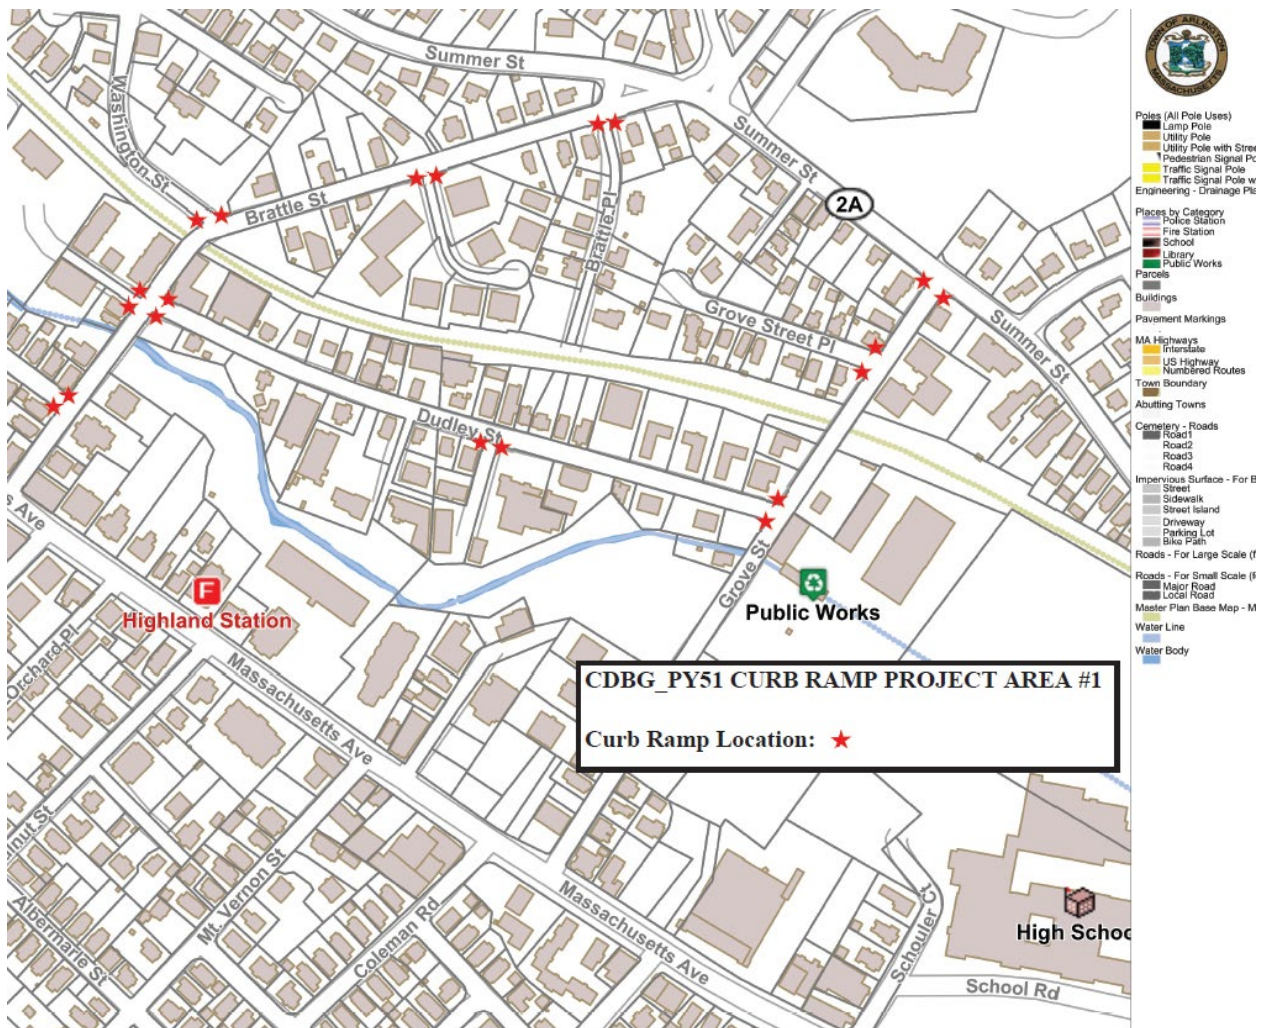

Installation of curb ramps at intersections with roadways improves the safety and accessibility for ALL users that choose to use sidewalks and access the public right of way. The Town of Arlington utilizes an Accessibility Analysis Map that was developed to prioritize areas utilized by under-served and other vulnerable populations which tend to rely more on public amenities, including parks, open space, community buildings, public transit, etc. The DPW Engineering Division utilizes the Accessibility Analysis Map as well as additional overlay tools and requests from vulnerable users when planning and selecting curb ramp locations to include with the Annual Curb Ramp Project. If funding is approved the project has historically included approximately 50 locations within Eligible Block Groups. However, based on construction cost increases in recent years, the actual quantity moving forward is anticipated to be lower barring increased funding. The quantity of ramps constructed can vary due to topography and site conditions at each individual ramp location. Any ramps not constructed will be added to the next Annual Curb Ramp Project.

See APPENDIX: 2025 CDBG CURB RAMP LOCATIONS, for the curb ramp location list developed by the Department of Public Works for the 2025 Construction Season.

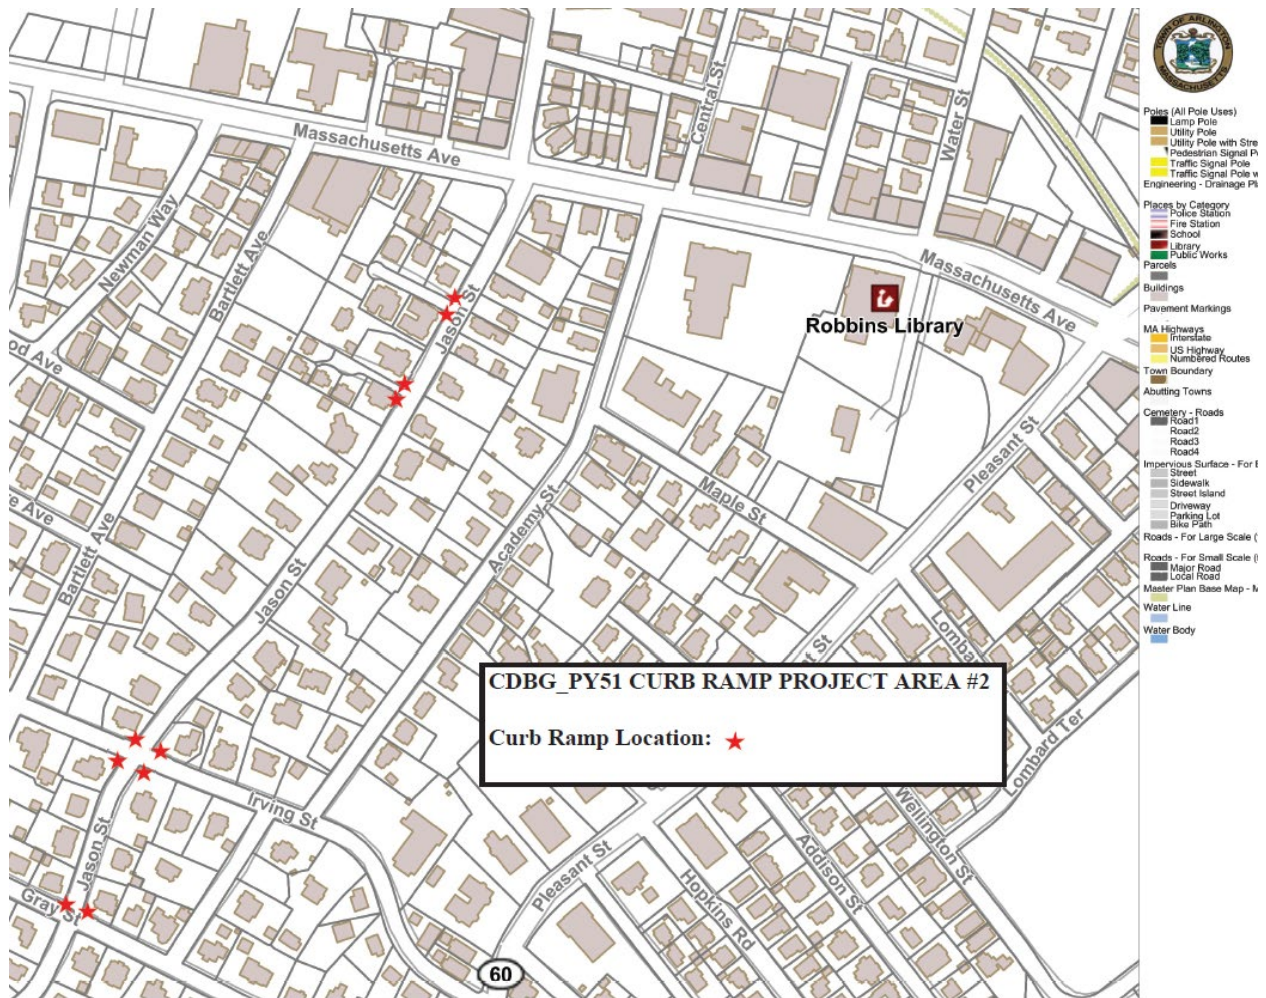

APPENDIX: 2025 CDBG CURB RAMP LOCATIONS

The curb ramp location list developed by the Department of Public Works for the 2025 Construction Season is as follows:

MAIN STREET	Side Street	Planned Curb Ramps (Each)	Estimated Cost
AREA #1			
Brattle Street	Laurel Street	2	\$8,000.00
“	Brattle Court	2	\$9,000.00
“	Dudley Street	2	\$9,000.00
“	Washington Street	2	\$8,000.00
“	Brattle Drive	2	\$8,000.00
“	Brattle Place	2	\$8,000.00
Dudley Street	Dudley Street Place	2	\$8,000.00
Grove Street	Summer Street	2	\$10,000.00
“	Grove Street Place	2	\$8,000.00
“	Dudley Street	2	\$9,000.00
sub-total:		20	\$85,000.00
AREA #2			
Jason Street	Gray Street	4	\$12,000.00
“	Irving Street	8	\$24,000.00
“	Jason Court	2	\$8,000.00
“	Jason Terrace	2	\$8,000.00
sub-total:		16	\$52,000.00
sub-total:		36	\$137,000.00
Contingency			
& Police Details (15%):		-	\$20,550.00
Total:		36	\$157,550.00
Note:			
A 15% contingency of \$20,550 is estimated for construction overages and Police Traffic Details. If actual costs fluctuate the quantity of curb ramps installed may increase or decrease accordingly.			
Funding Breakdown:			
CDBG Funds:		\$113,000.00	
DPW Funds:		\$44,550.00	
Total:		\$157,550.00

Ask a Question

██████████
W163950-052024

Hello Arlington Public Works Department,

We live at ██████████ and have a kid that recently started using a power wheelchair. There are wonderful curb cuts and sidewalks from our house to Jason & Gray, but after that, accessibility ends. There are no curb cuts on the Northeastern side of the intersection going toward Mass Ave. which prevents access to the corridor that is accessible and especially the Minuteman Bike Path. Jason Street's relatively mild slope also makes it the only potentially accessible connection to Mass. Ave. via a powered wheelchair, but connecting it would also help many others, as we have both an older and younger population that rely on strollers and walkers up here.

More specifically what I'm requesting is:

- 1) two more curb cuts at Jason & Gray
- 2) curb cuts at Irving & Jason
- 3) repair of sidewalk issues at the few problem spots

It would be wonderful and increase our local mobility options if even just one side could be connected.

Many thanks!
██████████

Street & Road Maintenance

other street & road concern

[ADDRESS]

Good morning. We are writing to request the installation of curb cuts at the 4 corners of Jason & Irving Sts. We and our upstairs neighbors have friends who are wheelchair users. We have a temporary ramp for access to the 1st floor but the absence of curb cuts are a barrier to their visiting. This would also benefit the community generally including w/c users or people with strollers going from A'ton Center to Menotomy Rocks Park or families using the school bus stop directly across from our house. Thank you very much. [REDACTED]

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information				
A. Contact & Organizational Information (If application is completed by a Collaborative, provide the lead entity contact only)				
Agency/Organization: Town of Arlington - Department of Planning and Community Development				
Contact Name: Katie Luczai	Title: Economic Development Coordinator			
Mailing Address: 730 Massachusetts Avenue, Town Hall Annex, Arlington, MA 02476				
Email Address: kluczai@town.arlington.ma.us	Phone: 781-316-3095			
Universal Entity Identifier (UEI)#: <small>All entities receiving federal assistance must have a UEI #.</small>	Registered on SAM.gov? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <small>All entities receiving federal assistance must be registered on SAM.gov</small>			
Please Identify the Type of Organization Applying for Funds (Note: More than one may apply)				
<input type="checkbox"/> 501(c)3	<input type="checkbox"/> For-profit authorized under 570.201(o)	<input type="checkbox"/> Faith-based Organization	<input checked="" type="checkbox"/> Unit of Government	<input type="checkbox"/> Institution of Higher Education
Collaborative Partners: If this application is being submitted on behalf of a collaborative please identify all partnering agencies here.				
B. Project Information				
Project Name: Storefront Improvement Program		Is this project new to your organization? <input checked="" type="radio"/> Yes <input type="radio"/> No		
Anticipated Start Date: September 1, 2025		Anticipated End Date: May 1, 2025		
Amount of Request: \$30,000		Project Address(es): 730 Massachusetts Avenue, Arlington, MA (primary)		
C. Eligibility				
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.				
Low/Moderate Income Benefit:				
<input checked="" type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://geomap.ffiec.gov/FFIECGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: 356701, 356500, 356704, 356300, 356601, 356602, 356100, 356703, 356400				
<input type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS				
<input type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures.				
<input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.				
Slum/Blight:				
<input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted.				
<input type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.				
Urgent Need:				
<input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.				
Beneficiaries:				
Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents.				
<input type="checkbox"/> All beneficiaries are Arlington residents				
<input checked="" type="checkbox"/> 25 % of beneficiaries are Arlington residents				
Does your project benefit any of the following demographics?				
<input type="checkbox"/> Abused children	<input type="checkbox"/> Elderly persons (age 62 and older)	<input type="checkbox"/> Battered spouses		
<input type="checkbox"/> Homeless persons	<input type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*)	<input type="checkbox"/> Illiterate adults		
<input type="checkbox"/> Persons living with AIDS	<input type="checkbox"/> Migrant farm workers	<input type="checkbox"/> Other (please specify): _____		
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.				
Persons Served: _____ Households Assisted: _____ Jobs Created: _____ Businesses Assisted: 4 _____				

D. Project Summary
Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i> Having well maintained facades and signage can increase foot traffic and revenue for local businesses. This program is designed to encourage private investment and reinvestment by new and existing property/business owners in CDBG eligible districts in Arlington. Applicants to the program may apply for a reimbursement of 75% of total project costs, up to \$7,500, in funding for storefront improvements. The program allows a 25% match by the property/business owner for moderate to substantial exterior and/or façade improvements in the designated areas. Examples of storefront improvements are new signage, installation of new exterior lighting, the restoration of, or new, windows and doors, and accessibility improvements.
Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i> N/A
Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i> This program will qualitatively assess the results of the Storefront Improvement Program. We will work with the client to evaluate foot traffic rates before vs. after improvements. We will also be sending out a survey to garner public feedback as to how improved storefronts affected the area.
Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.</i> <div><div><input checked="" type="checkbox"/> Town of Arlington Master Plan</div><div><input type="checkbox"/> Fair Housing Action Plan</div><div><input type="checkbox"/> Net Zero Plan</div><div><input type="checkbox"/> Housing Plan</div><div><input type="checkbox"/> Open Space & Recreation Plan</div><div><input type="checkbox"/> Other _____</div><div><input type="checkbox"/> Connect Arlington Sustainable Transportation Plan</div></div> <i>Please explain which goals and/or strategies the proposed project advances:</i> Within the Town of Arlington Master Plan, this project advances economic development - specifically the goal to encourage property and business owners to enhance storefronts and commercial signage where needed (p107).
Consolidated Plan Goals and Objectives Which Consolidated Plan Goal does your project align with? (select one) <div><div><input type="checkbox"/> Improve the Condition of Existing Housing: Provide decent, affordable housing</div><div><input checked="" type="checkbox"/> Increase Economic Development Opportunities: Create economic opportunities</div><div><input type="checkbox"/> Enhance Parks, Public Facilities, and Infrastructure: Create suitable living environments</div><div><input type="checkbox"/> Increase Access to Jobs, Education, Transportation, and Other Services: Create suitable living environments</div></div>
Geographic Distribution of Activities: (Town wide or Census Tract) If the geographic distribution is in a specific area, please note below. <div><div><input type="checkbox"/> Town wide</div><div><input checked="" type="checkbox"/> Specific Area – Which block group(s)/census tract(s) is/are the project located in? <div>356701, 356500, 356704, 356300, 356601, 356602, 356100, 356703, 356400</div></div></div>
Community Availability: Is the proposed project available from any other providers in the community? <div><div><input type="checkbox"/> No, not available from other providers in the community</div><div><input checked="" type="checkbox"/> Yes, available from other providers in the community (please explain <div>Common program in other communities including Cambridge, Salem, etc)</div></div></div>
E. Attachments
The following attachments must accompany this proposal: <div><div><input type="checkbox"/> 501(c)(3) Letter of Tax Determination Status from the Internal Revenue Service (IRS)</div><div><input type="checkbox"/> One (1) copy of agency’s most recent financial audit</div><div><input type="checkbox"/> One (1) copy of agency’s MA Certificate of Good Standing</div></div> The following attachments are optional and may be used to supplement your proposal: <div><div><input type="checkbox"/> Letters of Support</div><div><input type="checkbox"/> Resumes, brochures, newspaper articles, or other organizational marketing materials</div></div>

<h2>Part II. Project Budget</h2> <p>Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.</p>			
A. Non-Construction Projects/Activities (Public Services, Economic Development)			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Storefront Improvement Grant	\$30,000		\$30,000
TOTAL PROPOSED BUDGET	\$30,000		\$30,000
B. Construction Projects (Housing, Public Facilities) Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.

Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET			
C. Summary of Other Funding: Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)			
Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:			
Private:			
Total:			
Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support. This is a matching, reimbursable grant program. Property/business owners will be responsible for paying for improvements up front then will receive a reimbursement to cover 75% of their project costs, up to a maximum amount of \$7,500. Recipients are required to provide private contribution to leverage public resources.			
D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.			
<div>TOTAL CDBG REQUEST AMOUNT: \$ 30,000</div> <div>TOTAL NUMBER OF PROPOSED BENEFICIARIES: #4</div> <div>= \$ 7,500 PER BENEFICIARY</div>			
E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.			
Yes, if the project is funded at a lower amount than requested than we can adjust the percentage covered as well as the total contribution amount towards the beneficiaries.			

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>This project will help provide financial opportunities for small business owners to improve their storefront facades, thus improving the neighborhood streetscape. Storefronts are not typically a priority for business owners when faced with many competing needs to operate with limited capital. This means that over time storefronts deteriorate – temporary signage is left, windows and doors stay broken, and the appearance of the business declines, leading to blight. Residents have noticed the increase in blight. Through the Envision Arlington survey in 2024 respondents were quick to raise the issue of storefronts. When asked to comment on an issue of importance to them 32 respondents commented on the need to fill and improve storefronts in Arlington’s commercial areas. Respondents called out the need to “make Arlington more attractive” because the town had “too many depressing storefronts”. "We need to update the streetscapes so that shops are appealing, and people want to shop/eat there" one respondent commented. By helping our small businesses to improve their storefronts we can help combat blight and beautify our neighborhoods.</p>	
B. GOAL	
<p>As stated in the CDBG Consolidated Plan, this program will address economic development and the need to invest in commercial districts and support entrepreneurship. By investing in businesses and uplifting our commercial areas in Arlington we increase economic development opportunities. Additionally, this program will to offer support to not just beautify storefronts but also give the opportunity to make it affordable to improve energy efficiency and accessibility.</p>	
C. INPUTS	
<p>This project will be managed by the Economic Development Coordinator and assisted by Department Administrative staff as needed. This program will largely require administrative resources to support this project. This program has been replicated and administered in many neighboring communities including Cambridge, Medford, and Boston. Several best practice guides have been produced by New York City and the Local Initiatives Support Corporation (LISC). The Economic Development Coordinator will prepare the application, publicize the program, and select recipients. During program implementation administrative staff will help process the financial components within existing organizational processes. The Economic Development Coordinator will work closely with recipients to ensure they are supported through the design, permitting, execution, and completion of the recipient project.</p>	
D. ACTIVITIES	
<p>Having well maintained facades and signage can increase foot traffic and revenue for local businesses. This program is designed to encourage private investment and reinvestment by new and existing property/business owners in CDBG eligible districts in Arlington to increase economic development opportunities. Applicants to the program may apply for a reimbursement of 75% of total project costs, up to \$7,500, in funding for storefront improvements. The program allows a 25% match by the property/business owner for moderate to substantial exterior and/or facade improvements in the designated areas. Examples of storefront improvements are new signage, installation of new exterior lighting, the restoration of, or new, windows and doors, and accessibility improvements.</p> <p>Eligible applicants include:</p> <ul style="list-style-type: none">• Owners of eligible properties, and/or• Ground floor commercial tenants, with approval of the property owner. <p>Award amounts to property owners applying for improvements to multiple storefronts in the same building will be determined on a case-by-case basis.</p> <p>This program is conducted on the exterior of buildings so in-person gatherings will not occur under this program but should one take place appropriate public safety measures will be followed.</p>	
E. OUTPUTS	
<p>This program will directly assist at least four (4) businesses. Should projects require less financial contribution for recipients then remaining funds will be used to assist additional businesses. Exterior businesses will be directly improved and may help progress other town wide initiatives pertaining to DEI and climate goals.</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>Construction and exterior improvements of any kind always attract new foot traffic and become a point of interest within the local community. A decrease in blight will immediately occur as projects will improve the conditions of the business.</p>	<p>Strong neighborhoods are home to well-designed storefronts that enliven and establish a sense of place to the commercial district. Though simple, just visually improving storefronts can make neighborhoods safer and encourage nearby businesses to invest in their own streetscape. Combating blight happens over time but with each storefront that is improved, neighborhoods and commercial areas become better places to live.</p>

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information

D. Project Summary
Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i> Fidelity House offers child care job training and employment for teens from low to moderate family income levels. The youth develop skills that will help pave the way for future employment, life choices and developing an understanding of the benefits of employment.
Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i> The teens who work through this program are invaluable, a great asset to our programming and have been responsible & positive! It always take a little more effort to reach out to youth who can benefit from this opportunity and our challenge is always to make sure teens are aware of this opportunity and confident enough to try.
Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i> All statistical date is recorded and available for yearly comparisons. Criteria for success will be based on the number of teens and the length of time employed.
Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.</i> <div><div><input checked="" type="checkbox"/> Town of Arlington Master Plan</div><div><input type="checkbox"/> Fair Housing Action Plan</div><div><input type="checkbox"/> Net Zero Plan</div><div><input type="checkbox"/> Housing Plan</div><div><input type="checkbox"/> Open Space & Recreation Plan</div><div><input type="checkbox"/> Other _____</div><div><input type="checkbox"/> Connect Arlington Sustainable Transportation Plan</div></div> <i>Please explain which goals and/or strategies the proposed project advances:</i>

Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support.			
D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.			
<div>TOTAL CDBG REQUEST AMOUNT: \$5,000</div> <div>TOTAL NUMBER OF PROPOSED BENEFICIARIES: #5</div> <div>= \$1,000 PER BENEFICIARY</div>			
E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.			
The full amount goes directly to the youth. A lower amount will either reduce the number of teens we are able to hire or reduce the time they work per week but can still be offered.			

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>This Jobs, Jobs, Jobs program addresses the identified Arlington Service Need and plan: Increase Access to Jobs, Education, Transportation, and Other Services, specifically, to increase access to jobs. We have found that teens from low income families may not have the same support system or self confidence to pursue opportunities as teens from higher socio-economic backgrounds. The financial compensation is often used to benefit the teen and their family's basic needs. The job, learning to work with youth, is a lifelong skill that will benefit their interactions with their families and neighbors, their future families and could lead to a rewarding career path.</p>	
B. GOAL	
<p>Insure there are positions available for youth program employment for teens from low to moderate income families.</p> <p>Increase communication about summer employment opportunities and encourage teens from low to moderate income families to apply.</p>	
C. INPUTS	
<p>Training, child care jobs at Fidelity House & Fidelity House Day Camp and Program Director staff will be overseeing their progress and providing direction.</p>	
D. ACTIVITIES	
<p>The Program Directors will provide required training for teens to work with children, provide weekly employment and supervision and follow up with on the job feedback to enhance performance. Additional training to address public health or safety protocols or equipment needs will be provided if necessary.</p>	
E. OUTPUTS	
<p>5 youth benefit directly from the training and experience of college age and professional staff, affecting their families in a positive way indirectly and offering the youth they work with a new perspective.</p> <p>100% of the teens continue to work during the school year.</p> <p>This program served 100% of teens whose family household income levels are determined to be Extremely Low or Very Low by the Federal Department of Housing and Urban Development.</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>Low to moderate income youth will receive economic gain they can use immediately or towards future endeavors.</p> <p>Low to moderate income youth will learn employable job skills and gain experience for future employment.</p>	<p>Youth become active community members as employees, family members and good citizens.</p>

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information		
A. Contact & Organizational Information (If application is completed by a Collaborative, provide the lead entity contact only)		
Agency/Organization: Fidelity House		
Contact Name: Lisa Urben	Title: Youth Program Director	
Mailing Address: 25 Medford St, Arlington, MA 02474		
Email Address: fidelityhouseordir@hotmail.com	Phone: 781-648-2005	
Universal Entity Identifier (UEI)#: S7Q8KW9UXDB3	Registered on SAM.gov? <input type="checkbox"/> Yes <input type="checkbox"/> No	
All entities receiving federal assistance must have a UEI #.		
All entities receiving federal assistance must be registered on SAM.gov		
Please Identify the Type of Organization Applying for Funds (Note: More than one may apply)		
<input checked="" type="checkbox"/> 501(c)3	<input type="checkbox"/> For-profit authorized under 570.201(o)	
<input type="checkbox"/> Faith-based Organization	<input type="checkbox"/> Unit of Government	
<input type="checkbox"/> Institution of Higher Education		
Collaborative Partners: If this application is being submitted on behalf of a collaborative please identify all partnering agencies here.		
B. Project Information		
Project Name: Menotomy Manor Outreach Program	Is this project new to your organization? <input type="radio"/> Yes <input checked="" type="radio"/> No	
Anticipated Start Date: 7/1/25	Anticipated End Date: 6/30/26	
Amount of Request: \$21,000	Project Address(es): Fidelity House Day Camp & Menotomy Manor #3563	
C. Eligibility		
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.		
Low/Moderate Income Benefit:		
<input checked="" type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://geomap.ffiec.gov/FFIECGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: 3563		
<input type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS		
<input type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures.		
<input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.		
Slum/Blight:		
<input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted.		
<input type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.		
Urgent Need:		
<input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.		
Beneficiaries:		
Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents.		
<input checked="" type="checkbox"/> All beneficiaries are Arlington residents		
<input type="checkbox"/> _____ % of beneficiaries are Arlington residents		
Does your project benefit any of the following demographics?		
<input checked="" type="checkbox"/> Abused children	<input type="checkbox"/> Elderly persons (age 62 and older)	<input type="checkbox"/> Battered spouses
<input type="checkbox"/> Homeless persons	<input type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*)	<input type="checkbox"/> Illiterate adults
<input type="checkbox"/> Persons living with AIDS	<input type="checkbox"/> Migrant farm workers	<input type="checkbox"/> Other (please specify): _____
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.		
Persons Served: 140		
Households Assisted: _____		
Jobs Created: _____		
Businesses Assisted: _____		

D. Project Summary									
Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i> Fidelity House's Menotomy Manor Outreach Program directly serves the youth who reside at Menotomy Manor, Arlington's low income family housing. It is designed to offer opportunities, reduce the barriers that prevent participation (including transportation and financial) and assimilate the youth into community wide programming. It provides camperships and transportation to/from Menotomy Manor to attend our Summer Day Camp and gives free memberships, scholarships for school year youth programming as needed. Onsite programming and transportation to Fidelity House during the school year are part of the outreach. It is a unique program that is able to offer stability, short term and long term benefits for the youth/families that reside at Menotomy Manor and ultimately benefits the entire Arlington community.									
Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i> Fidelity House was able to provide opportunity to youth/families last summer by providing camp and transportation but needed to limit the length to one week to make sure we were able to serve as many families as possible with the funding available. We maintained our weekly onsite programming and made sure scholarships were provided for school year programming. This year we did need to limit school year programming opportunities due to building renovations that limited space and programming short term. Our main challenge continues to be to locate ways to serve a similar number of youth and be able to lengthen their participation time during a time when the cost of everything is increasing. During the summer, 100% of the youth are looking to attend more than one week of camp. Transportation becomes a limiting factor for attendance during the school year programming. Fidelity House is always assessing those needs in the hopes of providing a working balance of quality youth development to as many youth as possible.									
Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i> All statistical data is recorded and available for seasonal comparisons for all facets of the Outreach programming. Criteria for success is based on the number of youth/community attending our programs and the length of time services provided. Program evaluations are made seasonally, comparing past and potential use and impacting direct communication methods.									
Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.</i> <table><tr><td><input checked="" type="checkbox"/> Town of Arlington Master Plan</td><td><input type="checkbox"/> Fair Housing Action Plan</td><td><input type="checkbox"/> Net Zero Plan</td></tr><tr><td><input type="checkbox"/> Housing Plan</td><td><input type="checkbox"/> Open Space & Recreation Plan</td><td><input type="checkbox"/> Other _____</td></tr><tr><td colspan="3"><input type="checkbox"/> Connect Arlington Sustainable Transportation Plan</td></tr></table> <i>Please explain which goals and/or strategies the proposed project advances:</i>	<input checked="" type="checkbox"/> Town of Arlington Master Plan	<input type="checkbox"/> Fair Housing Action Plan	<input type="checkbox"/> Net Zero Plan	<input type="checkbox"/> Housing Plan	<input type="checkbox"/> Open Space & Recreation Plan	<input type="checkbox"/> Other _____	<input type="checkbox"/> Connect Arlington Sustainable Transportation Plan

D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.			
<div>TOTAL CDBG REQUEST AMOUNT: \$21,000</div> <div>TOTAL NUMBER OF PROPOSED BENEFICIARIES: #40</div> <div>= \$525 PER BENEFICIARY</div>			
E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.			
The amount of funding impacts the number of youth and the length of intervention served.			

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>The Menotomy Manor Program addresses the identified Arlington Service Need and plan: Increase Access to Jobs, Education, Transportation, and Other Services, specifically, to increase access to education (preschool), health and wellness, recreation, and health and social services activities.</p> <p>The need to develop a firm foundation, increase developmental skills and further the social, physical and emotional growth of youth in the community are universal and is a lifelong process. This program serves youth in our community who are at risk of not receiving the same opportunities and developmental foundation because of financial and transportation considerations. 100% of the families served live in low/moderate income housing, of which 65% family incomes are deemed extremely low or very low by HUD standards. 100% of the families utilized the transportation to programming. This translates to 100% of those families being at risk to not receiving the same opportunities or developmental foundation.</p>	
B. GOAL	
<p>Our program goals ultimately Increase Access to Education (preschool age), Transportation (removing a barrier to participation) and Other Services (day care and recreation activities that promote development of physical, social & emotional growth of the individual and develop citizenship).</p> <p>Increase both the participation and length of participation of youth that reside at Menotomy Manor.</p> <p>Decrease barriers to participation by providing transportation and financial assistance year round.</p> <p>Provide a consistent presence during their developmental years that also provides prevention/intervention programming and assimilates youth into a larger community.</p>	
C. INPUTS	
<p>Staff: Youth Program Director, Outreach Coordinator plus adjunct transport/ college/ high school age personnel.</p> <p>Bus : transportation</p> <p>Facilities: Day Camp location with pool, Fidelity House and onsite building use.</p> <p>Scholarships: year round</p>	
D. ACTIVITIES	
<p>The facilities, staff and transportation all work together to expand youth opportunities and experiences that will ultimately increase the physical, social & emotional growth of the individuals.</p> <p>In the Summer, scholarships are offered for Day Camp (including daily swimming lessons) and transportation from Menotomy Manor to camp and back is provided.</p> <p>During the school year, scholarships to programs, preschool age through high school age, are provided. Free memberships are offered.</p> <p>Onsite programming is offered one day a week.</p> <p>During very limited access restrictions, Fidelity House provides scholarships to youth for all child care programs that are able to operate.</p>	
E. OUTPUTS	
<p>This program will serve 100% of families/children whose family household income levels are determined to be Extremely Low, Very Low or Moderate Low by the Federal Department of Housing and Urban Development.</p> <p>Youth served will attend a minimum of one week of Fidelity House Day Camp</p> <p>The program will provide opportunities in both summer and school year for youth who reside at the low income housing.</p> <p>100% of the youth served will receive transportation to/from Fidelity House to Menotomy Manor.</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>Youth will learn new skills</p> <p>Youth will widen their circle of friendships and community contacts</p> <p>Youth will gain new perspectives</p> <p>Youth will increase their physical, social and emotional growth</p>	<p>Youth remain active, healthy citizens and self reliant in adulthood.</p>

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)

<input type="checkbox"/>	Resumes, brochures, newspaper articles, or other organizational marketing materials									

Part II. Project Budget

Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.

A. Non-Construction Projects/Activities (Public Services, Economic Development)

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
TOTAL PROPOSED BUDGET			

B. Construction Projects (Housing, Public Facilities)

Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction	\$150,000	\$11,800	\$161,800
Acquisition			
Appraisals/Studies			
Design		\$38,200	\$38, 200
Other:			
Other:			
TOTAL PROPOSED BUDGET	\$150,000	\$50,000	\$200,000

C. Summary of Other Funding:

Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)

Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:			
Private:		\$50,000	
Total:		\$50,000	

Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support.

D. Cost-Benefit Analysis:

Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.

TOTAL CDBG REQUEST AMOUNT:

\$ 150,000

= \$

3

PER BENEFICIARY

TOTAL NUMBER OF PROPOSED BENEFICIARIES:

#50,000 = (5000

E. Funding Availability:

If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.

The timetable of delivery would be affected.

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>Fidelity House's main building was built in 1921, well before the 1943 fire code establishment in Massachusetts, and currently does not house a fire sprinkler protection system. The 1921 date also preceded building codes that addressed insuring accessibility for people with disabilities. The Sprinkler System installation addresses aspects of two identified Arlington Needs and plan. It will be enhancing the safety environment of our facility for the community and will allow Fidelity House to adjoin two buildings (our adjacent gymnasium space and our main community center building) and provide access for all to utilize our services in either building.</p>	
B. GOAL	
<p>Fidelity House will install a fire sprinkler system in our community center building built in 1921. The fire protection will upgrade the safety for 100% youth, adults utilizing the community programs and provide improvement of an Arlington neighborhood/recreational facility.</p> <p>The addition of the fire sprinkler system will allow Fidelity House, with current 2024 building and fire codes, to connect our main building and gymnasium space and allow access for people with disabilities to utilize both our buildings for their own or their family's education (preschool), health and wellness, recreation and social service activities.</p>	
C. INPUTS	
<p>The Executive Director, Youth Program Director, Board appt. Consultant will oversee the delivery of project.</p> <p>Professional Fire Sprinkler System Installers, supplies, necessary town permitting acquisition will be provided by the Contractor.</p>	
D. ACTIVITIES	
<p>The Consultant, Directors and professional Fire Sprinkler System Installers will work together during the spring/summer months, to insure timely installation of the system to upgrade the fire protection safety of our youth & community.</p> <p>Upon completion of the system installation within our community center, a renovation to connect a fully accessible building to this building will be pursued to allow accessibility to people with disabilities in both buildings.</p>	
E. OUTPUTS	
<p>Fidelity House will be able to utilize fire protection safety that meets standards developed during a century of revisions since 1921.</p> <p>The architectural barriers of stairs will be eliminated and allow all to utilize both buildings.</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>The installation of a sprinkler system will reduce the risk of community loss of life up to 82% in the event of a fire.</p> <p>The installation of Sprinklers will reduce the average property loss by 71% in the event of a fire.</p> <p>Fidelity House's main building and gymnasium space will be able to be adjoined and share accessibility to all, increasing community program options.</p>	<p>The Arlington Community will have a safe and accessible community center that will continue to offer opportunities to meet, play and grow for future generations.</p>

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information			
A. Contact & Organizational Information (If application is completed by a Collaborative, provide the lead entity contact only)			
Agency/Organization: Food Link, Inc.			
Contact Name: Rachel Albert		Title: Executive Director	
Mailing Address: 108 Summer Street, Arlington, MA 02474			
Email Address: ralbert@foodlinkma.org		Phone: 781-819-4225	
Universal Entity Identifier (UEI)#: 47-1890355 All entities receiving federal assistance must have a UEI #.		Registered on SAM.gov? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No All entities receiving federal assistance must be registered on SAM.gov	
Please Identify the Type of Organization Applying for Funds (Note: More than one may apply)			
<input checked="" type="checkbox"/> 501(c)3	<input type="checkbox"/> For-profit authorized under 570.201(o)	<input type="checkbox"/> Faith-based Organization	<input type="checkbox"/> Unit of Government <input type="checkbox"/> Institution of Higher Education
Collaborative Partners: If this application is being submitted on behalf of a collaborative please identify all partnering agencies here.			
B. Project Information			
Project Name: Enhancing Food Link Hub to improve efficiencies in food rescue		Is this project new to your organization? <input checked="" type="radio"/> Yes <input type="radio"/> No	
Anticipated Start Date: July 1, 2025		Anticipated End Date: December 31, 2025	
Amount of Request: \$30,000		Project Address(es): 108 Summer Street, Arlington, MA 02474	
C. Eligibility			
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.			
Low/Moderate Income Benefit:			
<input type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://geomap.ffiec.gov/FFIECGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: _____			
<input type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS			
<input type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures.			
<input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.			
Slum/Blight:			
<input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted.			
<input type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.			
Urgent Need:			
<input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.			
Beneficiaries:			
Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents.			
<input type="checkbox"/> All beneficiaries are Arlington residents			
<input type="checkbox"/> 4 % of beneficiaries are Arlington residents			
Does your project benefit any of the following demographics?			
<input type="checkbox"/> Abused children	<input type="checkbox"/> Elderly persons (age 62 and older)	<input type="checkbox"/> Battered spouses	
<input type="checkbox"/> Homeless persons	<input type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*)	<input type="checkbox"/> Illiterate adults	
<input type="checkbox"/> Persons living with AIDS	<input type="checkbox"/> Migrant farm workers	<input type="checkbox"/> Other (please specify): _____	
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.			
Persons Served: 4065 Households Assisted: _____ Jobs Created: _____ Businesses Assisted: _____			

D. Project Summary									
<p>Brief Project Description: Food Link is committed to the mission of creating a more equitable food system throughout Arlington and Greater Boston while mitigating the impact of food waste on climate change. According to the Greater Boston Food Bank 34% of Massachusetts households experienced food insecurity. As of 2025 Food Link has a waitlist of 30 community organizations seeking food. In 2024, Food Link brought five agencies off its waiting list, a critical step in addressing the heightened demand for food, only to have five more organizations join the waitlist.</p> <p>In 2025, Food Link will intensify its food sourcing efforts to meet the growing demand and transition waitlisted agencies onto a regular food distribution schedule. This project will support Food Link’s enhancement to its operations hub to enable Food Link to be more efficient in processing a greater amount of food at the hub. More efficiency at the operations hub is a critical component to expanding distributions without the need for an expanded footprint. Specifically, Food Link seeks funding for 1) the purchase and installation of a cardboard box baler, and 2) the rewiring of the van refrigeration power outlets, including adding two more circuits. Food Link’s food donations generate approximately 350 pounds of cardboard waste weekly. Management of this waste is onerous, and a baler will help systematize the process for volunteers, leading to overall efficiency in operations and supporting Food Link’s ability to source and distribute more fresh food. The rewiring will provide more flexibility for Food Link to utilize refrigerated vehicles for short-term storage of perishables, thus expanding Food Link’s access to refrigeration – a necessary element to distributing more fresh food.</p> <p>Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i></p> <p>Food Link did not receive funding last year.</p>									
<p>Performance Evaluation Plan:</p> <p>Food Link will measure the increased efficiency of its enhanced systems through its ability to source and distribute more fresh food in a timely manner. Food Link will measure the effectiveness of this work by tracking the amount and types of food recovered and how this impacts Food Link’s ability to reduce the number of agencies on its waitlist.</p> <p>In 2024, a Barr Foundation-funded project with Listen4Good helped Food Link develop enhanced survey tools that elicited meaningful responses from recipients. The results demonstrated a need for more access to specific foods, including produce, proteins, dairy, healthy prepared foods, and foods that address specific dietary restrictions. In the coming year, Food Link will work to refine its surveys to create deeper, more meaningful feedback loops that will result in better service for the end users who benefit from Food Link’s fresh food distributions. Food Link will utilize its enhanced survey tools to measure the satisfaction of those receiving the food with the quantity and quality of the food delivered, with the ultimate goal of amplifying the voices of the under-resourced community members being served.</p>									
<p>Town of Arlington Goals: <i>Does the project support or advance any goals established in the Town of Arlington's plans? Part II. Project Budget			
Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.			
A. Non-Construction Projects/Activities (Public Services, Economic Development)			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
TOTAL PROPOSED BUDGET			
B. Construction Projects (Housing, Public Facilities) Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction	\$21,000		\$21,000
Acquisition			
Appraisals/Studies			
Design and Installation	\$4,000		\$4,000
Other: Training	\$2,000		\$2,000
Other: Landscaping	\$3,000		\$3,000
TOTAL PROPOSED BUDGET	\$30,000		\$30,000
C. Summary of Other Funding: Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)			
Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:			
Private:			
Total:			
Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support.			
D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.			
<div>TOTAL CDBG REQUEST AMOUNT: \$30,000 = \$7.38 PER BENEFICIARY</div> <div>TOTAL NUMBER OF PROPOSED BENEFICIARIES: #4,065</div>			
E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.			
Food Link uses its general operating funds for day-to-day activities, most of Food Link’s individual and institutional donors provide funding for programs related to food distributions. Food Link is seeking funding from the Town of Arlington for the entire cost of this small capital project.			

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>According to the Greater Boston Food Bank, 1.9 million adults in Massachusetts, 34% of households, experienced food insecurity in 2023 and 36% percent of households experienced child-level food insecurity -- meaning a child was hungry, skipped a meal, or did not eat for an entire day. Households experiencing food insecurity reported having to make difficult choices between paying for food or other necessities, with 69% choosing between food and utilities or transportation, 62% between food and mortgage or rent, 55% between food and medical care, and 39% between food and school tuition. Food Link helps alleviate these tough decisions by providing food through social service agencies, thereby stabilizing households and reducing the stress associated with financial trade-offs. While food insecurity is soaring, food waste is also on the rise, comprising approximately 24% of municipal solid waste disposed of in landfills in Massachusetts (Massachusetts Department of Environmental Protection, September 12, 2024, New Research Highlights Massachusetts as National Leader in Food Waste Reduction [Press Release]). Food Link alleviates food insecurity throughout Arlington, Middlesex County, and Greater Boston while keeping food out of landfills, helping to tackle climate change - the EPA reports that wasted food causes 58% of methane emissions nationwide.</p>	
B. GOAL	
<p>In January 2025, Food Link will engage a consultant to conduct a deep exploration into potential new sources of surplus food upstream from the retailers that currently provide the majority of food collected. This consultant will conduct outreach on Food Link's behalf to food producers, processors, and distributors to identify several new partners who can provide surplus food in bulk. These larger shipments are an essential strategic component of Food Link's growth trajectory.</p> <p>Food Link's hub needs the enhancement outlined in this proposal to efficiently and effectively process the heightened levels of food it sources to meet the goal of distributing more fresh food to food insecure people living in and around Arlington. Simultaneously, Food Link strives to have a meaningful impact on the local environment by not only reducing the amount of food waste but also by minimizing its own carbon footprint.</p>	
C. INPUTS	
<p>Physical Inputs: Baler -- Orwak Compact 3110 (or similar) Poured concrete pad for baler, its shelter, staging bales Shelter to protect baler and staged bales Electrical work for existing source near existing shed: replace HDPE conduit with galvanized steel conduit that will accommodate three new circuits; reposition three stanchions for outlet boxes for collision avoidance.</p> <p>Staffing Staff time for design and installation of baler and training Landscaping</p>	
D. ACTIVITIES	
<p>Design and installation Construction Creating standardized systems for staff and volunteers to follow</p>	
E. OUTPUTS	
<p>350-500 pounds of cardboard per week will be processed</p> <p>Increased food collection and distribution</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>Food Link will operate more efficiently and effectively thereby increasing its food recovery work</p>	<p>More people facing food insecurity will receive nutritious food</p>

Rachel Albert

Rachel Albert, Executive Director
Food Link, Inc.

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

D. Project Summary	
---------------------------	--

Brief Project Description: *Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.*

Housing Corporation of Arlington (HCA) seeks funds to address urgent capital needs for units within our long-held Scattered Site and Capitol Square sites, and perhaps also marginally for a set of new rental units we expect to acquire in late winter. This program is not new to HCA. These improvements will preserve units and improve energy efficiency. This will result in more comfortable housing for our low-income tenants, properties that are physically and financially sound for the long term, and, in some cases, depending on the improvement, energy efficiency. Construction and capital costs have significantly increased over the last several years. The budgets originally devised for many of our properties do not cover the buildings' current capital needs today. Thankfully, HCA is nearing completion on a Capital Needs Assessment, from which we will develop a comprehensive capital improvement and refinancing plan that we will start to implement in 2025. That plan will bring our older units up to a physical standard that – barring unforeseen circumstances – will enable a fully funded, less reactive, and more scheduled, improvements schedule.

Returning Applicants: *Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.*

HCA has completed two projects to date using the Program Year 50 funds, which had a contract start date of July 1, 2024. We have multiple other projects pending, including two new roofs, electrical work, porch repair and porch replacement. These projects will proceed in coming months. We expect to have expended all funds by July 2025. By early 2024, we had expended all funds awarded for Program Year 49 on other needed capital projects at our older buildings.

HCA continues to work closely with our third-party property management firm, Peabody Properties, to identify and prioritize capital needs for our 102-unit portfolio of older buildings. Our team is strong in identifying time sensitive capital needs and coordinating between HCA staff and property management staff to get quotes, have those quotes approved by the proper parties, seeking and receiving sign off from the Mass Historic Commission that the project in question will not negatively impact historic preservation, completing the work, and then requisitioning the Town for CDBG funds to cover the cost.

We were successful in initiating a capital needs assessment for our entire portfolio in 2024, which is still ongoing. We were also successful in hiring a new Real Estate Project Manager who will start in January 2025. This will enable us to develop a more comprehensive plan for capital needs and for refinancing our older units, and to raise money for such work. The result will be capital needs projects that are only rarely urgency, and most typically the result of a planned improvement that helps maintain highly physically sound buildings at all times.

We were also successful in securing a modest other capital needs grant from a private foundation. This will help to supplement CDBG funds, and also will help support some of the cost of the capital needs assessment consultant.

A prior weakness has been sluggishness in identifying building needs and not moving quickly on related capital projects. However, in the last year HCA has employed more consulting time to support asset and property management, Peabody has engaged more time from additional capital planning staff, and HCA's new real estate staff person also brings additional capacity. We have an updated tracking system in place as well. In 2025, given adequate funding, we will move projects more quickly.

Performance Evaluation Plan: Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?

HCA will track completion of projects against capital needs plans that we develop in partnership with our property management team. Those plans will prioritize capital needs based on health and safety and impact on property budgetary concerns. (For example, degraded flooring replacement in a vacant unit so that we can move in a new tenant is more urgent than replacing a roof that is due, but not showing signs of failure). Success will be met if we complete capital improvements identified as time sensitive and necessary, if upgrades are as green and energy efficient as we can afford, and if we expend all funds by the contract deadline. The approach will be both quantitative and qualitative, focusing on if we completed the capital improvement projects identified that were possible within the funding we had and the priorities we identified, if we select contractors only after reviewing multiple quotes, and if we expend all funds awarded within the contract timeline? Given the high cost of materials and labor and the range of needs among our properties, we expect to have no problem meeting our goals. Six months after the start of the contract, we will deeply review progress to date and confirm the next set of priority projects to ensure we remain on track. However, regular review of project progress will be ongoing. We will also evaluation responses to our annual tenant survey, where we ask tenants to report on their satisfaction with the quality of their homes.

Relating to the Arlington Goals section below: The Arlington Master Plan recommends using local funds, including CDBG, for affordable housing. It also recommends that the Town address the housing conditions of its aging housing stock. In the 2022 Arlington Housing Plan, in goal 3 of the section about addressing the shortage of affordable housing it is suggested that the Town should "preserve and maintain Arlington 's existing supply of affordable homes". Goal 1 of the Arlington Affordable Housing Trust's 5-Year Action Plan identifies preserving and modernizing Arlington 's existing affordable housing as a core goal, including identifying housing owned by HCA that may require improvements to be sustained for the long term.

Town of Arlington Goals: *Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.*

- ☒ Town of Arlington Master Plan
 ☐ Fair Housing Action Plan
 ☐ Net Zero Plan
- ☒ Housing Plan
 ☐ Open Space & Recreation Plan
 ☒ Other Housing Trust Action Plan
- ☐ Connect Arlington Sustainable Transportation Plan

Please explain which goals and/or strategies the proposed project advances:

Consolidated Plan Goals and Objectives	
---	--

Which Consolidated Plan Goal does your project align with? (select one)

- ☒ Improve the Condition of Existing Housing: Provide decent, affordable housing
 - ☐ Increase Economic Development Opportunities: Create economic opportunities
 - ☐ Enhance Parks, Public Facilities, and Infrastructure: Create suitable living environments
 - ☐ Increase Access to Jobs, Education, Transportation, and Other Services: Create suitable living environments

Geographic Distribution of Activities: (Town wide or Census Tract)

If the geographic distribution is in a specific area, please note below.

- ☐ Town wide
☐ Specific Area – Which block group(s)/census tract(s) is/are the project located in?

Community Availability:

Is the proposed project available from any other providers in the community?

- ☒ No, not available from other providers in the community
- ☐ Yes, available from other providers in the community (please explain _____)

E. Attachments	
----------------	--

The following attachments must accompany this proposal:

- ☐ 501(c)(3) Letter of Tax Determination Status from the Internal Revenue Service (IRS)
- ☐ One (1) copy of agency's most recent financial audit
- ☐ One (1) copy of agency's MA Certificate of Good Standing

The following attachments are optional and may be used to supplement your proposal:

- ☐ Letters of Support
- ☒ Resumes, brochures, newspaper articles, or other organizational marketing materials

Part II. Project Budget			
Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.			
A. Non-Construction Projects/Activities (Public Services, Economic Development)			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
TOTAL PROPOSED BUDGET			
B. Construction Projects (Housing, Public Facilities) Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.			
Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction	200,000	90,000	290,000
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET	200,000	90,000	290,000
C. Summary of Other Funding: Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)			
Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:			
Private:	Clinton Family Fund	90,000	committed
Total:		90,000	
Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support. The Clinton Family Fund is a small family foundation that has awarded HCA a grant specifically to support capital needs of our affordable housing. A small portion of those funds will go towards the cost of the Capital Needs Assessment that is now underway with a seasoned consultant. The complete list of present needs of our portfolio exceeds the total \$290,000 budget above, but this amount will cover our properties' most pressing needs as we finalize our comprehensive plan and secure additional funds via subsidy applications and refinancing.			
D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.			
<div>TOTAL CDBG REQUEST AMOUNT: \$200,000 = \$4,000 PER BENEFICIARY</div> <div>TOTAL NUMBER OF PROPOSED BENEFICIARIES: #50</div>			
E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.			
If we are granted less than requested, we will apply the funds to as many projects as we can within the funding we have available.			

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT

HCA seeks funds to support improvements focused on 102 units of our older affordable housing, currently home to 184 individuals. We may also need a small portion of these funds to support some renovations of affordable units at a new portfolio of homes we expect to acquire in late winter 2025. The portfolio of 102 older units includes 70 units among 2- to 9-unit properties throughout Arlington, known as our Scattered Site portfolio. Each building is unique, with a different schedule of prior improvements and current needs. One of our 2-family homes at 225 Broadway suffered a fire on December 23, 2024. HCA will be determining how to move forward to restore that site in coming months. While we expect insurance income to cover our needs, we may find that additional CDBG funds are needed. The 32 units in HCA's Capitol Square portfolio also require improvements to flooring, kitchens, and/or bathrooms when there is turnover after a long-time tenant departs.

Pritya Jayachandran, Executive Director of the National Housing Trust: "Our affordable housing system was never designed to account for the realities of maintaining housing for the long haul, particularly in the face of growing financial, security, and climate risks...What is overlooked in most housing policy discussions today are the new threats to affordable housing preservation: deteriorating economic and physical conditions in our communities, the strain that housing providers work under to maintain their portfolios, and systemic failures that allow those conditions to persist...The greatest threat to affordable housing is not the lack of resources to build, but the lack of resources to operate, maintain, and repair" (In the Rush to Build, Existing Affordable Housing is Falling Apart, May 9, 2024).

While all properties have capital reserves, they are inadequate to meet the needs. HCA requires additional funds in order to keep up with the increased cost of materials and labor as well as with the unique needs of our scattered site units. Over the last few years we have conducted a range of improvements with CDBG funds and other sources including (depending on the location), new windows, wall and ceiling repairs, refinished floors, new kitchen cabinets, new roofs, new exterior stairs and porch. However, at least every month, HCA staff learn of a new capital repair need in one of our properties.

The lack of resources to address these rehabilitation needs results in:

? Drain on financial resources and property management time: While all of our properties do meet basic health and safety code, lack of funds often results in small patches instead of the larger improvement that would fully solve the problem. The issue then requires further attention in the future because it was not comprehensively fixed. This strains our property budgets and staffing capacity, and can cause delays for other repairs that tenants need.

? Faster or increased property degradation: Once a building starts to degrade, if the degradation is not addressed, the building is vulnerable to greater damage over time. We need to ensure these structures not only meet basic health and safety code, but are available for low-income families for generations to come.

? Burden on tenants and degraded quality of life: HCA low-income tenants need and deserve high quality housing. Yet without ongoing improvements, our older properties degrade, making it harder to keep up with growing maintenance requests in a timely manner. This does a disservice to tenants and undermines HCA ' s ability to form positive and mutually trusting relationships with our tenants, whose partnership we need to sustain our properties.

The ultimate goal is to create a schedule of capital needs that allows for more proactive improvement projects. HCA is half-way through completing a Capital Needs Assessments for our portfolio, and will soon start to develop, raise funds for, and then implement a multi-year plan for comprehensive upgrades of our older units that include a heavy focus on energy efficiency upgrades. This will enable us to plan for and schedule improvements in the future and maintain buildings in good condition at all times. However, we must keep up with urgent capital needs in the meanwhile. CDBG funds will help ensure we continue to maintain our buildings while we complete the planning and funding of more intensive upgrades. The units to be improved are a vital source of affordable housing in the Town of Arlington and must be properly sustained.

B. GOAL

The sole purpose for this project is to align with the CDBG Plan goal of improving the condition of existing housing, including the preservation of rental housing to ensure units maintain code standards, and also to bring greater energy improvement where possible. We seek to ensure these older properties remain as quality affordable housing for the long term, and that near term needs don't undermine the safety or comfort for tenants, or degrade building structures, while we plan for bigger improvement to our portfolio; the planning of which is now well underway.

C. INPUTS

HCA's Executive Director, Erica Schwarz, and Office Manager, Ellen Roscoe-Bergman, will work closely with staff from Peabody Properties, Inc (PPI), HCA's property management firm, to implement the capital improvements. At PPI the Multi-Site Property Manager, Capital Planning Facilities Manager, and Maintenance Service Manager will advise on specific upgrades needed, secure quotes, and oversee completion of the work once HCA authorizes it to proceed. Peabody Properties maintains an extensive list of trusted vendors that they will tap to provide quotes for each project, and then oversee contracted work. The Executive Director will review quotes, give approvals, based on property needs, funds available, and HCA's sustainability goals. The HCA Office Manager will gain approval as needed from the Mass Historic Commission prior to the work starting, and will submit invoices and other documentation as required to the Town to draw down the funds.

D. ACTIVITIES

We anticipate completing projects at a subset of the following addresses:

2 Smith Street
6 Forest Street
11-13 Peirce Street
252 Massachusetts Ave
258 Massachusetts Ave
260 Massachusetts Ave
104 Rawson Road
1173 Massachusetts Ave
122-124 Washington Street
20 Westminster Ave
48-49 Decatur Street
77-79 Webster Street
16 Bow Street
29 Bow Street
225 Broadway
288 Summer Street
122-124 Washington Street
2 Orchard Place
1016 Massachusetts Ave
1166 Massachusetts Ave
6 Burton Road
40-42 Dorothy Road
118 Rawson Road
113 Medford Road
27 Acton Road
36-38 Sherborn Street
123 Warren Street

And also possibly at the sites of two additional addresses, which HCA expects to acquire by early March, 2025. We can add those addresses to our formal request once that acquisition is complete.

E. OUTPUTS

HCA expects to complete 5-9 projects listed in the Activities section, depending on the extent and cost of each project (for example, window replacements can be very costly). HCA will conduct these projects at an estimated 5-9 addresses, serving an estimated 25 low-income households, expected to directly impact approximately 50 individuals, who will live in an improved building and home.

F1. SHORT-TERM OUTCOMES

Tenants living in the improved affordable homes will experience gain safer, more comfortable, (in some cases) more physically accessible and that are easier maintain and sustain in good condition. HCA will prevent further degradation of properties.

F2. LONG-TERM OUTCOMES

Buildings evolve and degrade with time. They require constant maintenance if they are to last. Investments in HCA properties today help ensure that these affordable homes — which are a public and community resource, funded initially by multiple sources including from the Town of Arlington — will be safe, solid, affordable, healthy, and available for generations to come. Strategic improvements now will sustain our properties while we develop and start to implement a more comprehensive plan for more significant improvements across our older portfolio. The implementation of our comprehensive plan will enable HCA to shift from reacting to urgent property improvement needs to making capital improvements on a schedule, in order to maintain a very high level of housing quality at all times.

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)
PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information		
A. Contact & Organizational Information (If application is completed by a Collaborative, provide the lead entity contact only)		
Agency/Organization: Lamplight Women's Literacy Center		
Contact Name: Lisa Chiulli Lay	Title: CEO	
Mailing Address: P.O. Box 404, Arlington, MA 02476		
Email Address: lisa@lamplightliteracy.org	Phone: 781-859-7922	
Universal Entity Identifier (UEI)#: H5CFS1R23ET3 <small>All entities receiving federal assistance must have a UEI #.</small>	Registered on SAM.gov? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <small>All entities receiving federal assistance must be registered on SAM.gov</small>	
Please Identify the Type of Organization Applying for Funds (Note: More than one may apply)		
<input checked="" type="checkbox"/> 501(c)3	<input type="checkbox"/> For-profit authorized under 570.201(o)	
<input type="checkbox"/> Faith-based Organization	<input type="checkbox"/> Unit of Government	
<input type="checkbox"/> Institution of Higher Education		
Collaborative Partners: If this application is being submitted on behalf of a collaborative please identify all partnering agencies here.		
B. Project Information		
Project Name: ESOL Program	Is this project new to your organization? <input type="radio"/> Yes <input checked="" type="radio"/> No	
Anticipated Start Date: August 1, 2025	Anticipated End Date: June 12, 2026	
Amount of Request: 6,000	Project Address(es): Menotomy Manor, 2 Fremont Court, Arlington	
C. Eligibility		
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.		
Low/Moderate Income Benefit:		
<input type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://geomap.ffiec.gov/FFIECGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: _____		
<input checked="" type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS		
<input type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures.		
<input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.		
Slum/Blight:		
<input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted.		
<input type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.		
Urgent Need:		
<input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.		
Beneficiaries:		
Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents.		
<input type="checkbox"/> All beneficiaries are Arlington residents		
<input checked="" type="checkbox"/> 85 % of beneficiaries are Arlington residents		
Does your project benefit any of the following demographics?		
<input type="checkbox"/> Abused children	<input type="checkbox"/> Elderly persons (age 62 and older)	<input type="checkbox"/> Battered spouses
<input type="checkbox"/> Homeless persons	<input type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*)	<input checked="" type="checkbox"/> Illiterate adults
<input type="checkbox"/> Persons living with AIDS	<input type="checkbox"/> Migrant farm workers	<input checked="" type="checkbox"/> Other (please specify): immigrants/refugees
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.		
Persons Served: 65 Households Assisted: _____ Jobs Created: _____ Businesses Assisted: _____		

D. Project Summary									
<p>Brief Project Description: <i>Please share a brief “elevator pitch” summary of your project. Please avoid using abbreviations or acronyms.</i></p> <p>Lamplight Women's Literacy's ESOL (English for Speakers of Other Languages) program will serve 65 adult, immigrant and refugee learners with low-incomes at or below 80% of AMI. Free English language instruction will be offered four evenings a week at Arlington EATS and Menotomy Manor (twice per week at each location.) Instruction in English reading, writing, speaking, and listening will be provided at three levels: low beginner, high beginner, and intermediate. Students are regularly assessed to ensure that they are achieving intended learning gains. Students have access to individual career advising and job search assistance, as well as local social services referrals made through partner collaborations.</p>									
<p>Returning Applicants: <i>Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.</i></p>									
<p>Performance Evaluation Plan: <i>Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?</i></p> <p>Program effectiveness and student learning will be assessed in several ways. Embedded within the curriculum are frequent formative and summative assessments (writing assignments, quizzes, etc.) that give instructors immediate feedback on the degree to which learning goals are being achieved. After every 40 hours of program participation, students will be given the Diagnostic Assessment of Reading test (DAR-2). This multi-part assessment is administered individually by a trained instructor to determine a student's grade level mastery in comprehension, vocabulary, fluency, and phonics. Students' pre and post DAR scores are compared to track students' educational gains and give a detailed picture of a learners skill profile. Please note: While the DAR-2 test is currently used by our</p>

Part II. Project Budget

Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project’s acceptance, the Town may request a detailed budget.

A. Non-Construction Projects/Activities (Public Services, Economic Development)

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Instructor salary & employer payroll taxes	7,000	8,200	15,200
Student books & binders	0	1,625	1,625
classroom supplies & curriculum printing	0	1,000	1,000
end of term celebrations	0	750	750
administration overhead cost	0	1,000	1,000
TOTAL PROPOSED BUDGET	7,000	12,575	19,575

B. Construction Projects (Housing, Public Facilities)

Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction			
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET			

C. Summary of Other Funding:

Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)

Funding Source		Amount	Committed or Pending
Other Federal:		0	-
State:		0	-
Local:		0	-
Private:		12,575	committed & pending
Total:		12,575	committed (\$2,000) & pending (\$10,575)

Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support. Our fiscal year runs Oct. 1st - Sept. 30th. We have \$2,000 in private donations committed to the ESOL funding of programming in September 2025. We currently are finalists for a 10K grant from the Cummings Foundation which will be announced in June. We are also finalists for a 4K grant from the Lenny Zakim Fund which will be announced in February. Lamplight receives generous in-kind support in the form of free classroom space from Arlington EATS and Menotomy Manor.

D. Cost-Benefit Analysis:

Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project. Divide the funding request by the estimated number of people served by this program. Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.

TOTAL CDBG REQUEST AMOUNT:

\$ 7,000

= \$ 108

PER BENEFICIARY

TOTAL NUMBER OF PROPOSED BENEFICIARIES:

#65

E. Funding Availability:

If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.

Yes, if our project is funded at a lower amount than requested, it can still be feasibly carried out. We would need to reduce the number of levels of classes offered, subsequently reducing the number of students we have the capacity to serve.

CDBG Application, Town of Arlington, Program Year 51

3

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>Lamplight's first action as an organization in the summer of 2021 was to reach out to the residents of Arlington Housing Authority's Menotomy Manor. We sought to build relationships and conduct a needs assessment that asked residents what type of adult educational programming was most needed in their community. The results were a request for programming that would support people's career goals, financial stability, and ability to support their children in school. ESOL classes were one of the top requested programs and so, Lamplight responded by developing an ESOL program as its first offering. Despite adding more classes and locations since that time, we currently have a waiting list. Demand for services has steadily grown as Lamplight's reputation for quality programming became known within the community and more immigrants and refugees with low-incomes have moved into Arlington.</p>	
B. GOAL	
<p>Lamplight's goal is to meet the learning needs of non-English speaking, adult learners with limited incomes by providing a providing a free, comprehensive, and effective ESOL program within the community. This program is further focused on local workforce development needs and goals. All eligible students are currently employed, under-employed, or actively seeking employment. Programming addresses Arlington's Town Goal of diversity by extending a learning community and tangible supports to all residents. It also fulfills the Town's education goal of committing to provide for life-long educational opportunities. The ESOL program further meets the Town's business goal of supporting local small businesses by creating a more skilled local workforce and facilitating job connections between residents and employers. Lastly, it provides opportunity for the fruition of Arlington's goal of community and citizen service since many Arlington residents can volunteer in the ESOL program and be supportive to their</p>	
C. INPUTS	
<p>To execute this project, Lamplight will leverage its experience providing effective ESOL programming to adult learners. Our comprehensive, multi-level curriculum, includes a continuum of 9 courses. Through partnerships with Arlington EATS and Arlington Housing Authority's Menotomy Manor, we have use of their accessible community room spaces in which to provide programming. Private funding will provide for the partial stipend of our part-time instructor, Ericka Scott, who hold holds a Masters in ESOL Teaching and has 15+ years of teaching experience. Program management and additional instructional hours will be provided by Lamplight's CEO, Lisa Chiulli Lay who holds a Masters of Education in Teaching and Curriculum and also has over 15 years experience in teaching and educational program design. Lamplight programs will be further supported by 7 skilled community volunteers, most of whom are former or current educators.</p>	
D. ACTIVITIES	
<p>Initially, each student meets individually with an instructor to pre-test their current English language skills and develop a learning and career goals plan. Students are subsequently assigned to one of three ESOL class levels. Our curriculum is designed to make efficient use of instructional time and progress students through a cohesive and systematic approach to English language acquisition. Each class takes a Science of Reading approach to reading instruction and explicitly focuses on comprehension, fluency, vocabulary, and phonics skill development. Writing workshop time supports students' writing and grammar skill development, while providing an opportunity for student expression and pride in longer-term project completion. Speaking and listening activities require students to practice real-world language objectives and skill integration. These engaging activities and end-of-term class celebrations build a sense of community that is key to student retention. Skilled program volunteers are used to strategically</p>	
E. OUTPUTS	
<ul style="list-style-type: none">- Provide ESOL instruction to 65, low-income, adult learners who are working or actively looking to enter the workforce- Deliver 216 hours of high quality, professional ESOL instruction- Connect individuals to local social service supports and share information about area resources as needs arise- Meet with each student to discuss career goals and follow-up with career advising support including job application assistance, connections to other training programs, etc.	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<ul style="list-style-type: none">- Students will increase their English language proficiency; increasing their ability to speak, listen, read, and write using English- Students will become aware of and access other community resources- Students will become aware of additional employment and training opportunities and be supported in pursuing those opportunities if they so choose	<ul style="list-style-type: none">- Students will become proficient in English language, which opens up for them many new opportunities including: career advancement, community participation, continued education, and citizenship.- Students will advance in their career goals; securing higher paying and more fulfilling work.-Students will be more self-sufficient and better positioned to provide for the economic needs

CDBG

community development block grant program

FUNDING APPLICATION FOR PROGRAM YEAR 51 (JULY 1, 2025 – JUNE 30, 2026)

PLEASE REFER TO THE CDBG APPLICATION GUIDE WHEN COMPLETING YOUR APPLICATION.

Part I. Agency & Project Summary Information		
A. Contact & Organizational Information (If application is completed by a Collaborative, provide the lead entity contact only)		
Agency/Organization: Arlington Housing Authority		
Contact Name: Kimberly Serra	Title: Executive Director	
Mailing Address: 4 Winslow Street, Arlington, MA 02474		
Email Address: kserra@arlington.k12.ma.us	Phone: 5514276682	
Universal Entity Identifier (UEI): D8BTAQ31FGD9 <small>All entities receiving federal assistance must have a UEI #.</small>	Registered on SAM.gov? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <small>All entities receiving federal assistance must be registered on SAM.gov</small>	
Please Identify the Type of Organization Applying for Funds (Note: More than one may apply)		
<input type="checkbox"/> 501(c)3	<input type="checkbox"/> For-profit authorized under 570.201(o)	
<input type="checkbox"/> Faith-based Organization	<input checked="" type="checkbox"/> Unit of Government	
	<input type="checkbox"/> Institution of Higher Education	
Collaborative Partners: If this application is being submitted on behalf of a collaborative please identify all partnering agencies here.		
B. Project Information		
Project Name: Operation Success	Is this project new to your organization? <input type="radio"/> Yes <input checked="" type="radio"/> No	
Anticipated Start Date: 9/22/25	Anticipated End Date: 6/18/26	
Amount of Request: 4000	Project Address(es): 2 Fremont Court, Arlington, MA 02474	
C. Eligibility		
National Objectives: This project/activity must meet ONE of the HUD National Objectives listed below. Please check ONE box.		
Low/Moderate Income Benefit:		
<input checked="" type="checkbox"/> Low/Moderate Income Area Benefit (LMA): the activity meets the needs of persons residing in a specific area where at least 38.70% of the residents make a low- or moderate-income. Please refer to the map located at https://seomap.fiec.gov/FFIEGGeocMap/geocodeMap1.aspx to determine your activity's census tract code. Census Tract: 200000		
<input type="checkbox"/> Low/Moderate Limited Clientele (LMC): the activity benefits a group of persons (rather than residents in a particular area) 51% of whom themselves or their family make a low- or moderate-income. The following groups are presumed to be eligible: abused children, battered spouses, elderly persons, adults meeting the Bureau of Census' Current Population Reports definition of "severely disabled", homeless persons, illiterate adults and persons living with AIDS		
<input type="checkbox"/> Low/Moderate Housing (LMH): the activity provides or improves permanent residential structures which, upon completion, will be occupied by households that make a low- or moderate-income. This includes but is not limited to acquisition or rehabilitation. Housing can be either owner or renter occupied units in one family or multi-family structures.		
<input type="checkbox"/> Low/Moderate Jobs (LMJ): the activity creates or retains permanent jobs, of which 51% are held by LMI-earning persons.		
Slum/Blight:		
<input type="checkbox"/> Slum or Blighted Area (SBA): the project is in a designated slum/blighted area as defined under State or local law and will address conditions that qualified the area as slum or blighted.		
<input type="checkbox"/> Spot Blight (SBS): the project will prevent or eliminate specific conditions of blight or physical decay outside a slum area. Activities are limited to clearance, historic preservation, rehabilitation of buildings, but only to the extent necessary to eliminate conditions detrimental to public health and safety.		
Urgent Need:		
<input type="checkbox"/> Urgent Need: the activity alleviates emergency conditions. Please note: use of Urgent Need national objective is rare.		
Beneficiaries:		
Will all clients be residents of Arlington? If not, please provide a percentage of non-Arlington residents.		
<input checked="" type="checkbox"/> All beneficiaries are Arlington residents		
<input type="checkbox"/> % of beneficiaries are Arlington residents		
Does your project benefit any of the following demographics?		
<input type="checkbox"/> Abused children	<input type="checkbox"/> Elderly persons (age 62 and older)	<input type="checkbox"/> Battered spouses
<input type="checkbox"/> Homeless persons	<input type="checkbox"/> Severely disabled adults (as defined by Bureau of Census*)	<input type="checkbox"/> Illiterate adults
<input type="checkbox"/> Persons living with AIDS	<input type="checkbox"/> Migrant farm workers	<input checked="" type="checkbox"/> Other (please specify): Low income residents
Nationally Reportable Outputs: Please indicate the number of outputs expected for one or more categories.		
Persons Served: 15	Households Assisted: 13	Jobs Created: _____
		Businesses Assisted: _____

D. Project Summary

Brief Project Description: Please share a brief "elevator pitch" summary of your project. Please avoid using abbreviations or acronyms.

Operation Success provides middle school and high school students living in Menotomy Manor with resources to encourage their academic success. These include access to computers, school supplies, and one-on-one academic assistance from Arlington-area educators. Additionally, when available, students are also provided with a group trip to attend a cultural event or a class focused on a particular life skill.

Returning Applicants: Provide an assessment of your performance last year. Identify strengths, weaknesses, challenges, and opportunities, and how your organization will build upon and/or address these this year.

The students in our program attended regularly and showed notable improvement in their organization skills, study techniques, and ability to grasp their academic material. Additionally, we maintained strong community support. Our primary challenges were being able to provide sufficient school supplies and engage in community outreach due to limited funds.

Our new program evaluation system indicates that students are more easily able to reach their academic potential with support from our program, that they are able to more easily prioritize their work, and that the majority of their school supplies come from Operation Success.

Performance Evaluation Plan: Explain your plan for evaluating the progress and results of your project. What quantitative and/or qualitative methods will be used?

Our new Program Evaluation Process will consist of both qualitative and quantitative components. Throughout the school year, we will be recording student attendance as well as tracking metrics measuring how well the students are applying what they've learned in our program. These metrics will consist of measurables such as the frequency with which students struggle with their material and their improvement in skills of time management, organization, and planning.

We will also have students complete a self-assessment questionnaire. As a key component of our program is instilling students with a strong sense of self-sufficiency--as well as a connection to their local community--it is vital for us to know how well our program provides students with the knowledge that they can use these skills long-term and independently.

Town of Arlington Goals: Does the project support or advance any goals established in the Town of Arlington's plans? Please select all plans that apply and specify which goal or strategy within the plan that the project supports.

☒ Town of Arlington Master Plan

☐ Fair Housing Action Plan

☐ Net Zero Plan

☐ Housing Plan

☒ Open Space & Recreation Plan

☒ Other Arlington Town Goals

☐ Connect Arlington Sustainable Transportation Plan

Please explain which goals and/or strategies the proposed project advances:

Consolidated Plan Goals and Objectives

Which Consolidated Plan Goal does your project align with? (select one)

☐ Improve the Condition of Existing Housing: Provide decent, affordable housing

☒ Increase Economic Development Opportunities: Create economic opportunities

☐ Enhance Parks, Public Facilities, and Infrastructure: Create suitable living environments

☐ Increase Access to Jobs, Education, Transportation, and Other Services: Create suitable living environments

Geographic Distribution of Activities: (Town wide or Census Tract)

If the geographic distribution is in a specific area, please note below.

☐ Town wide

☒ Specific Area – Which block group(s)/census tract(s) is/are the project located in?

Menotomy Manor - Census Tract 3563.00

Community Availability:

Is the proposed project available from any other providers in the community?

☒ No, not available from other providers in the community

☐ Yes, available from other providers in the community (please explain _____)

E. Attachments

The following attachments must accompany this proposal:

☐ 501(c)(3) Letter of Tax Determination Status from the Internal Revenue Service (IRS)

☒ One (1) copy of agency's most recent financial audit

☐ One (1) copy of agency's MA Certificate of Good Standing

The following attachments are optional and may be used to supplement your proposal:

☐ Letters of Support

☐ Resumes, brochures, newspaper articles, or other organizational marketing materials

Part II. Project Budget

Please provide a budget for the proposed project, using Table A OR Table B, and Table C as applicable. Include all proposed expenses and funding sources in detail. Upon notification of a project's acceptance, the Town may request a detailed budget.

A. Non-Construction Projects/Activities (Public Services, Economic Development)

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
School Supplies	2700	1000	3700
Office Supplies	300	500	800
Event Fees	500	1000	1500
Academic Support	0	48000	4800
Administrative Expenses	500	200	700
TOTAL PROPOSED BUDGET	4000	75000	11500

B. Construction Projects (Housing, Public Facilities) Note: Federal wage rates may apply for some construction projects. Applicants are strongly advised to speak with Town of Arlington staff before submitting an application for a physical project.

Description	A	B	A+B
	CDBG Funds Requested	Other Funding	Total Proposed Budget
Construction			
Acquisition			
Appraisals/Studies			
Design			
Other:			
Other:			
TOTAL PROPOSED BUDGET			

C. Summary of Other Funding: Please indicate the amount and type of additional funding committed or pending for this project, if applicable. (Do not include CDBG amounts requested in this application)

Funding Source		Amount	Committed or Pending
Other Federal:			
State:			
Local:			
Private:	Individual Donations and in-kind labor	7500	committed
Total:		7500	committed

Applicants may use this space to share more information about secured or pending leveraged funds and in-kind support.

Our board has committed \$200 in contributions for administrative expenses, which will support expanded analytics for Program Evaluation. We will also be hosting an annual fundraiser which generates, on average, \$2,500 in contributions. These contributions are used to purchase school and office supplies for the children's use as well as fees for the cultural or life skills event.

Additionally, Arlington educators provide us with 192 total hours of academic support provided to the students. We've calculated the in-kind value of this to be \$4,800 (192 hours @ \$25/hr)

D. Cost-Benefit Analysis: Describe how the CDBG costs of your proposed project relate to the beneficiaries of the project.

Divide the funding request by the estimated number of people served by this program.

Example: \$10,000 funding request /100 proposed beneficiaries= \$100 per beneficiary.

TOTAL CDBG REQUEST AMOUNT: \$ 4000 = \$ 266.67 PER BENEFICIARY
TOTAL NUMBER OF PROPOSED BENEFICIARIES: #15

E. Funding Availability: If your project is funded at a lower amount than requested, can it feasibly be carried out? Please explain.

Yes, but with a reduction of services provided. As all of our volunteers are unpaid, we would still be able to provide direct educational support. However, reduced funding may require that we cut the cultural/life skills outing and, potentially, reduce the amount of school supplies, such as backpacks, that we can provide the students in our program. Students have indicated the majority of their supplies come from our program. With an increase in cost and increase in student numbers, we need more funding for the supplies.

Part III. Project Narrative Table

Using the prompts and questions provided on page 6 of the Application Guide, complete the table below.

A. NEED STATEMENT	
<p>A key component of economic advancement is education. Given that 97% of Arlington residents over the age of 25 have at least a high school diploma, graduating from high school is absolutely essential for the 5.4% of Arlington residents that live in poverty. Without reaching this level, it would be extremely difficult for those individuals to be competitive in the job market and achieve financial stability.</p> <p>For children living in low-income housing, financial restraints severely limit access to resources and support--such as internet access or after-school tutoring--making academic success even more difficult.</p>	
B. GOAL	
<p>To provide students living in Menotomy Manor with the support needed to achieve academic success and build life skills while encouraging a sense of belonging within their local community.</p>	
C. INPUTS	
<p>10 Arlington Public School educators with an average of 15 years of professional teaching experience. Our new clerk has professional non-profit experience as well as 13 years of experience in data analytics, which will be used to provide detailed data for program evaluation.</p>	
D. ACTIVITIES	
<p>1.5 hours of direct one-on-one support from current and retired Arlington Public School educators Monday-Thursday evening. Students will be provided with support on their current assignments to help ensure grasping of the material, as well as assistance in developing transferable skills such as organization, time management, clarity in writing...etc.</p> <p>We will also provide the students with a group trip to one cultural event or class/seminar focused on a particular life skill. Cultural events will have a Massachusetts-centric theme (such as attendance to a MA team sporting event, historical tour...etc.). These events provide a sense of connection to their local community as well as providing substantial mental health benefits by allowing them the ability to attend events that are available to their peers but may be inaccessible to them due to financial constraints, preventing a sense of alienation from their friends and classmates. Life skills classes will be focused on those skills that are essential for daily life as well as potentially serving as the foundation for a later marketable skill (e.g., cooking classes, art skills...etc.).</p>	
E. OUTPUTS	
<p>15 middle school and high school students of Arlington Public Schools that reside in Menotomy Manor</p>	
F1. SHORT-TERM OUTCOMES	F2. LONG-TERM OUTCOMES
<p>Students learn skills that improve their academic performance and reduce stress and anxiety related to their schoolwork. Students develop transferable skills, such as time management and organization, that can be applied to other areas of life. Students also feel a greater sense of belonging and attachment to their local community.</p>	<p>The skills learned in our program lead to increased economic opportunity, potentially as a result of improved grades, graduation rates, college attendance, or marketable skills.</p>

TOWN OF ARLINGTON
DEPARTMENT OF PLANNING and
COMMUNITY DEVELOPMENT

TOWN HALL, 730 MASSACHUSETTS AVENUE
ARLINGTON, MASSACHUSETTS 02476
TELEPHONE 781-316-3090

To: Select Board, CDBG Sub-Committee
From: Claire V. Ricker, AICP – Director of Planning and Community Development
Date: December 12, 2024
RE: CDBG Program Year 51 – request for funds

On behalf of the Department of Planning and Community Development, I am pleased to submit to you the following requests for Community Development Block Grant (CDBG) funds for Program Year 51 which runs from July 1, 2025, through June 30, 2026. These requests were developed to fall within the U.S. Department of Housing and Urban Development's mandated Planning and Administration cap of 20% of the Town's annual CDBG award.

Planning:

Planners – This is a request for **\$57,000** to fund a portion of the salary and fringe benefits for Department staff working on CDBG-related activities. Duties and responsibilities involve data gathering and analysis, survey creation and implementation, community engagement, land use planning and zoning activities, affordable housing studies and plan implementation.

Long Range Planning for Housing and Community Development Studies – This is a request for **\$67,500** to fund development of a comprehensive Master Plan update for the Town of Arlington. These activities will include:

- Studying the needs of extremely low-income and underhoused individuals and families to inform future funding applications and allocation of resources.
- Identifying resources to preserve homes that are on track to lose affordability due to expiring deed restrictions and other activities which advance affordable housing planning.
- Working with a planning consultant to conduct planning analysis, engage in enhanced community outreach, and advance recommendations from the Connect Arlington transportation plan, the Net Zero Action Plan, and the Affordable Housing Action Plan in order to develop an update to the Town of Arlington Master Plan.

Administration:

CDBG Administrator – This is a request for **\$86,111** to fund the salary and fringe benefits of the CDBG Administrator position. This staff person is responsible for the daily financial administration of the CDBG program and coordination of grant activities with program directors. The administrator is also responsible for maintaining all records and completing the reporting requirements of the CDBG program as required by HUD.

General Administration – This is a request for **\$19,389** to fund administrative costs related to overall program development, management, coordination, monitoring, and evaluation. This line item also includes funding legal advertising, membership dues for consortia and associations, and training and travel costs for the Administrator.

Total Request for Planning and Administration: \$230,000

Broadway Neighbors Coalition releases community design proposal for a better Broadway

Recent positive steps point to an exciting future for the Broadway corridor, but residents see a need—and opportunity—for near-term changes to improve safety & accessibility.

Who are We?

The Broadway Neighbors Coalition (BNC) is a neighborhood group centered on the Broadway & Warren corridor in East Arlington. We advocate for safe streets improvements—improved crosswalks, separated bike lanes, smarter parking—and other initiatives to make our streets and neighborhood safer and more vibrant. The BNC is led by a steering committee including Town Meeting members Vincent Baudoin, Jennifer Litowski, Catherine Farrell, Paul Schlichtman, and Ratnakar Vellanki.¹

Recent Progress

Three events create an opportunity for a safer, better Broadway.

First, at its August 19 meeting, the Select Board voted to rescind the special speed regulations on Broadway and Park Avenue. The change will need to go to MassDOT for approval; if approved, the speed limit on Broadway would revert to the Townwide limit of 25 MPH instead of the current limit of 30 MPH. The Town could post advisory (yellow) 25 MPH speed limit signs as a reminder to drivers. The BNC thanks the Select Board and the Transportation Advisory Committee for their work on this issue, which prepares the ground for redesign of the Broadway corridor for lower vehicle speeds and improved safety.

Second, [according to a September 12 news release](#), the Town of Arlington has won a \$1.1 million grant from the Boston Metropolitan Planning Organization to redesign Broadway as a Complete Street. “The Broadway Corridor Redesign Project... will study the one-mile corridor from Alewife Brook Parkway to Mass Ave and design improvements for increased access by persons who walk, bike, roll, or use transit. The project will also investigate methods for calming vehicle speeds, improving stormwater management, and mitigating urban heat island effects.” However, construction would not begin until 2029 at the earliest and would require the Town to secure millions of dollars of additional funding.

Third, the east portion of Broadway is currently being dug up for water main work, which will be followed by repaving and restriping. This provides an excellent opportunity to update the street design in ways that will reinforce the new speed limit and provide a safer, more welcoming environment.

¹ Former Steering Committee members Phil Goff and Katherine Fleming resigned in Aug. and Sept. 2024, respectively.

Need for Near-Term Improvements

With a full redesign of the street five to ten years away, there is an urgent need for near-term improvements. Our community engagement work found common and urgent concerns including:

- Lack of crosswalks
- Crosswalks lack safe features such as proper lighting, signage, grade changes, curb extensions
- Lack of bike lanes
- Unsafe vehicle speeds
- Bus stops lack accessible curb cuts, benches, trash cans, poor signage
- Issues with visibility at street corners
- Lack of shade trees
- High-speed cut-through traffic on side streets

While changing the speed limit is a positive step, we do not expect that it will meaningfully improve safety without other physical changes to the street. For example, cars coming across Route 16 from Somerville regularly treat Broadway as a drag strip, creating a quarter-mile section with no safe place to cross. Once the street is repaved following the water main rehabilitation work, the problem could actually get worse if the restriping follows the old, outdated design.

The Broadway Neighbors Coalition has developed a conceptual design for near-term safety and mobility improvements for the entire length of Broadway. This design could be implemented quickly and relatively inexpensively using tools like paint, flex posts, and signage. This aligns with the street design best practice of piloting changes using quick-build measures so the design can be evaluated and tweaked if necessary.

Community-Based Process

The Broadway Neighbors Coalition held a “Broadway Street Safety Walk and Spring Meeting” on June 10, 2023, at North Union Park. Participants discussed areas of concern and listed potential safety enhancements and neighborhood improvements. Notable guests included Sean Garballey (State Representative) and Laura Swan (Chair of the Transportation Advisory Committee).

The BNC Steering Committee then held two internal design charrettes to develop conceptual street designs. The first, held on September 9, 2023, focused on the east half of Broadway, particularly the ¼ mile section from Marathon Street to Route 16. Scott Smith (member of the Bicycle Advisory Committee) and John Aslanian (member of the Transportation Advisory Committee) were invited guests. The second charrette, on December 16, 2023, focused on the remainder of the Broadway corridor.

The BNC held a second spring meeting on March 23, 2024, at the Fox Library, with approximately 23 people in attendance. Steering committee members presented their conceptual street designs to the attendees. Working in groups, participants reviewed the designs and provided suggestions and further feedback. The result is the attached proposal, in two parts.

Part 1: Broadway Streetscape Proposal

The Broadway Streetscape Proposal is a conceptual redesign of the full length of Broadway from Arlington Center to Route 16. It includes improvements for people walking and cycling, in alignment with the Connect Arlington Plan, including:

- Separated bicycle lanes (SBL) in both directions for nearly the entire 1-mile stretch. Parking would be relocated to one side of the street, indicated in red. At certain limited areas with concentrations of businesses, on-street parking could be maintained on both sides of the street, but this would require safety features.
- Added crosswalks at Allen Street, Rawson Road, Bates/River, and Silk/Sunnyside. Rectangular Rapid Flashing Beacons (RRFBs) at key crosswalks. Special intersection treatments, such as raised crosswalks / speed tables, should be considered at certain intersections.
- Bus stop locations are clarified and, in some cases, adjusted.

Part 2: Broadway East Streetscape Proposal

The Broadway East Streetscape Proposal is a more detailed schematic design for the section between Marathon Street and Route 16. Because water main work already requires this section of Broadway to be repaved and restriped, we believe this design could be fully implemented by 2025/26 with little additional cost or difficulty. Notably, this section has very little demand for on-street parking, making it possible to introduce separated bike lanes as well as a turn lane at the Broadway/Route 16 intersection.

- This design shows bike lanes between the lane of traffic and the lane of parked cars, with a 2-foot buffer at the 'door zone' to protect cyclists from opening doors. However, we encourage the Town to also study whether parking-separated bike lanes would be beneficial.
- We propose consolidating two bus stops, Broadway @ Silk and Broadway @ Sunnyside, into a single bus stop that is accessible via a crosswalk and curb cut.
- We encourage the Town to implement other safety measures not shown on the sketch, such as improved signage, better lighting at crosswalks, speed tables / raised crossings, and other best practices.

Conclusion

We ask the Select Board, Planning Department, and Public Works Department to review this design and the community concerns that generated it. We hope the Town will seek community further input with a view to implementing many of these suggestions in the near term.

We believe these changes will make Broadway safer for everyone, including residents, patrons of local businesses, and the students who attend the many schools along Broadway. We also believe this dialogue can kick-start the community engagement process for the full Complete Streets redesign and help test many of the features that could eventually be included in such a design.

Signed,

Vincent Baudoin, Silk St.

Jennifer Litowski, Oxford St.

Catherine Farrell, Park St.

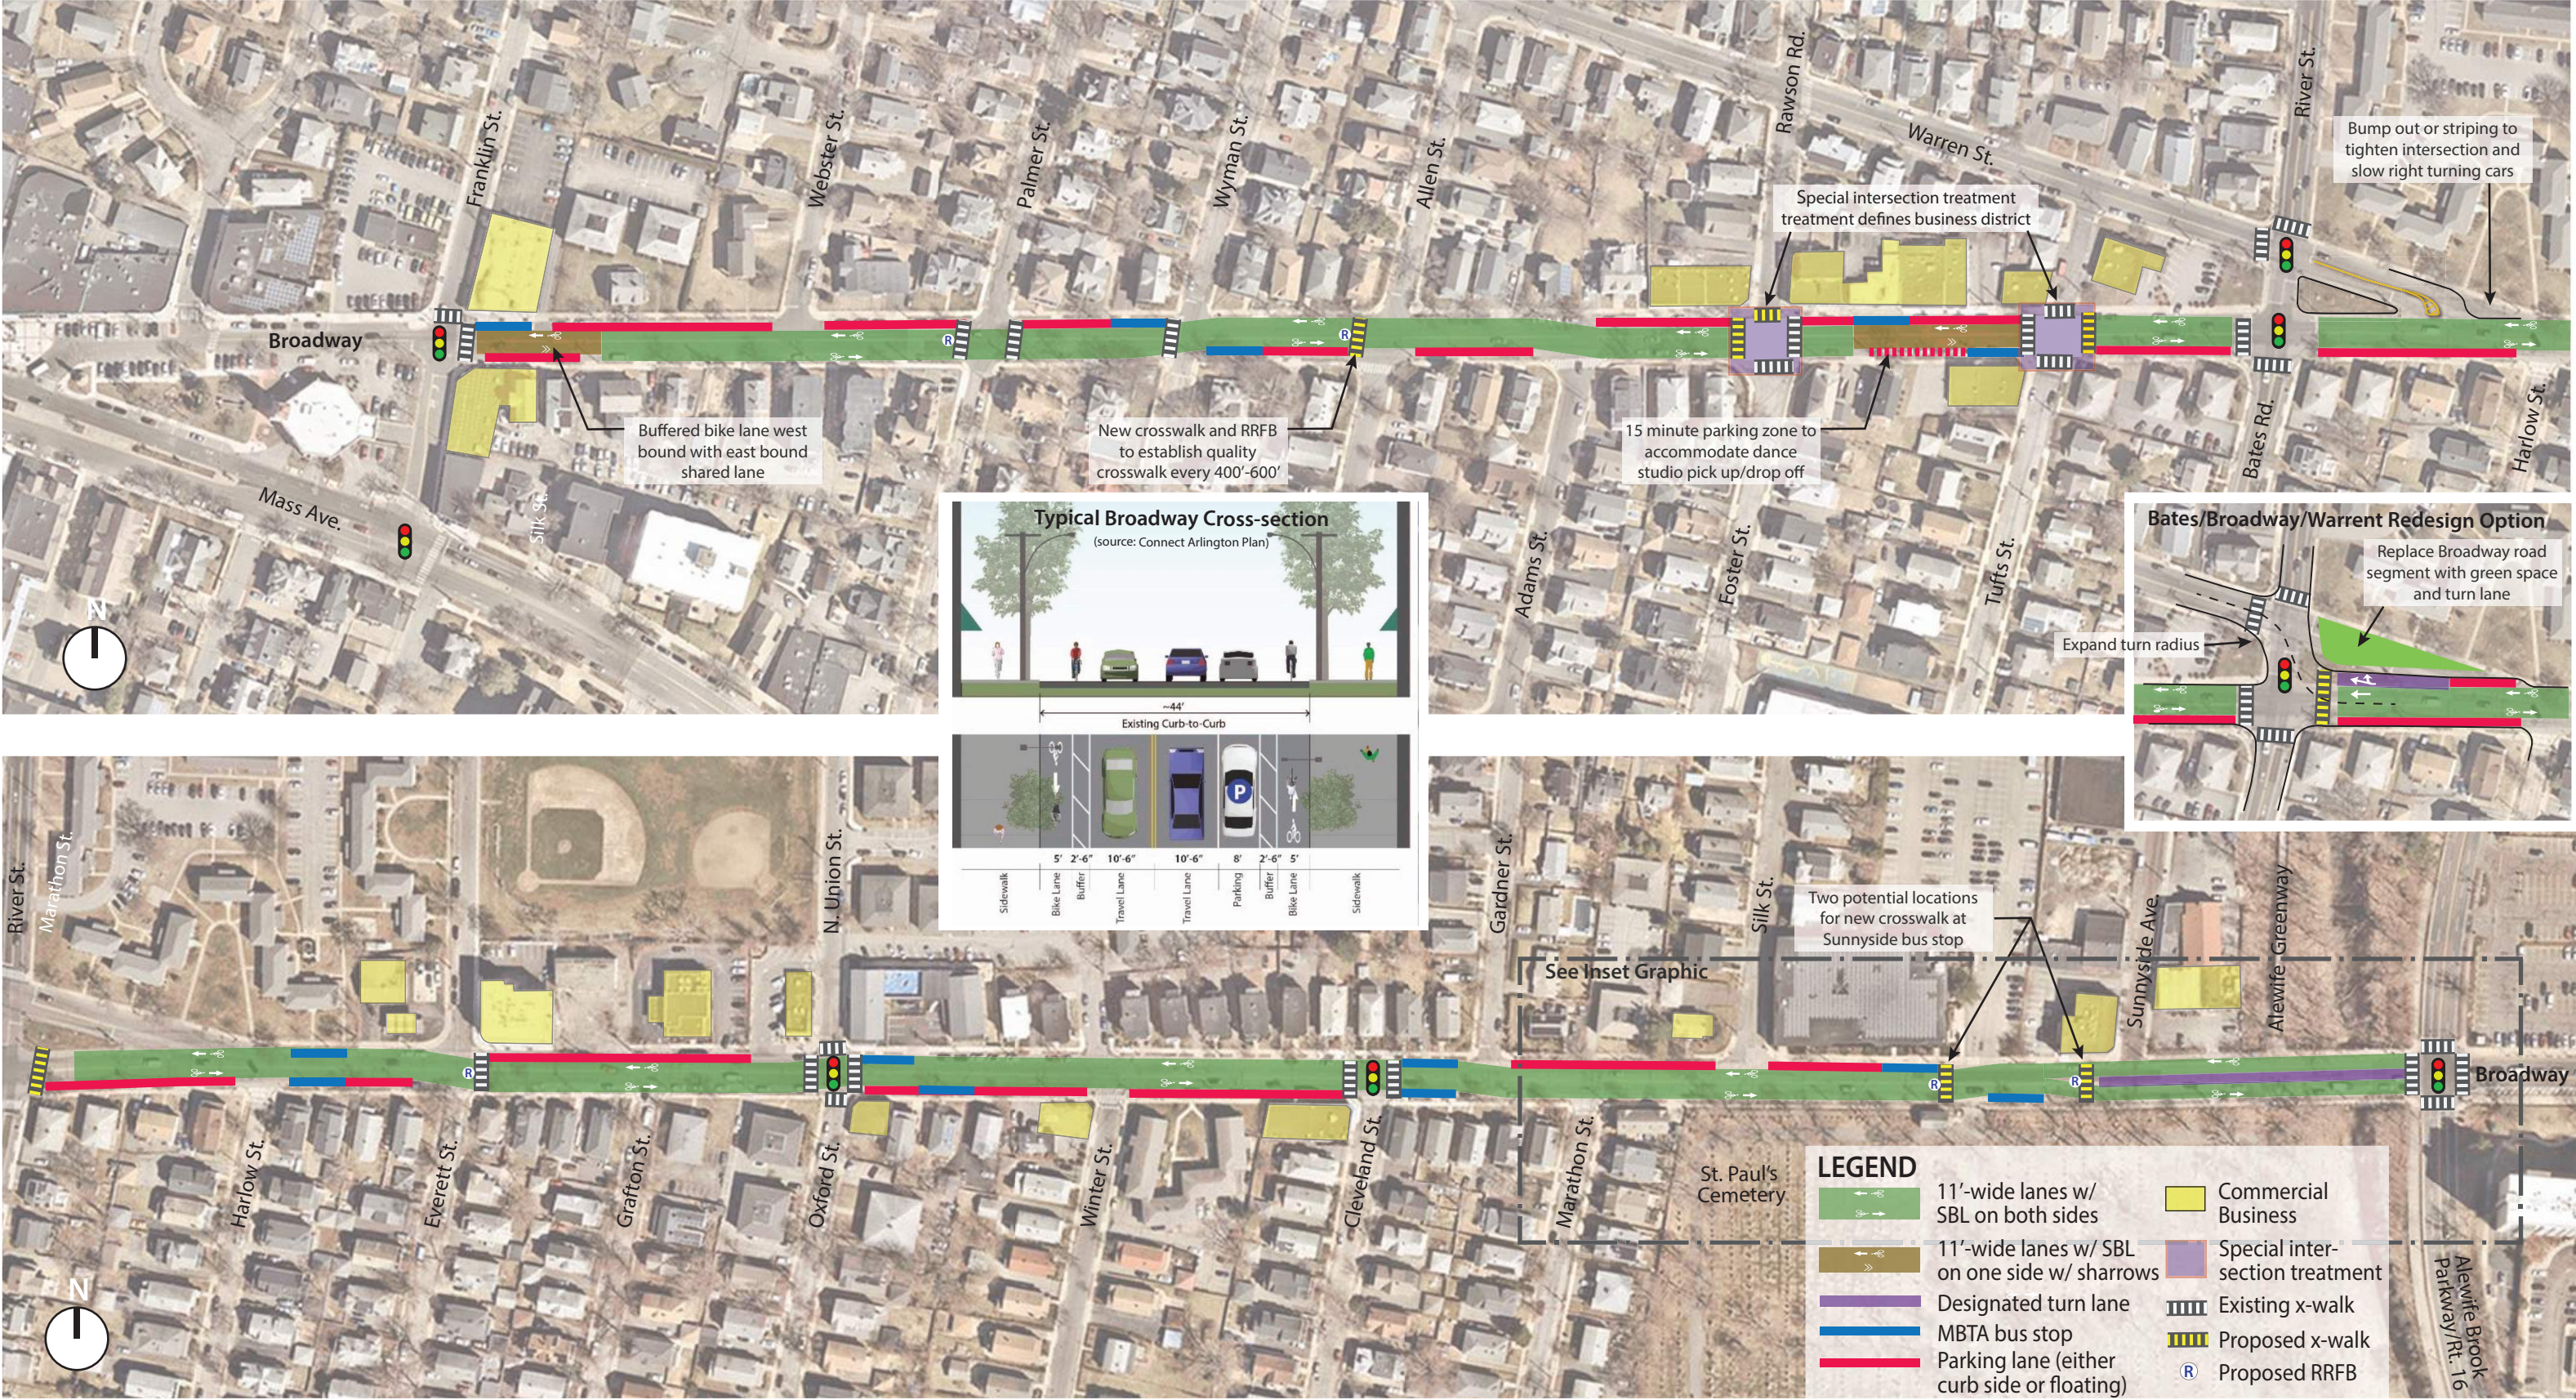

Paul Schlichtman, Mystic St.

Derek Brine
14 Linden St
Boston MA, USA
02127

January 11th, 2025

Arlington Select Board Town Hall
730 Massachusetts Avenue
Arlington, MA, USA
02476

Dear Members of the Arlington Select Board,

I am writing to formally request the dedication of the intersection of Churchill Avenue and Windermere Avenue, Arlington, MA, in honor of PFC Christopher Dareing Brine, my uncle, who gave his life in service to our country during the Vietnam War. As Chris's nephew, I never had the privilege of meeting him - I was born in 1983, sixteen years after his passing - but I have come to know him through my father's memories and a collection of documents that paint a portrait of a young man who embodied the ideals of service and sacrifice that he wrote about as an Arlington High School student.

Chris was born in Boston on December 20, 1947, and lived at 24 Windermere Avenue, Arlington until his enlistment in the U.S. Marine Corps in July 1966. He was a young man of remarkable character who touched many lives in his brief nineteen years. He had a passion for hockey and played with the St. Agnes Catholic Youth Organization Clippers where his impact extended beyond the ice, forming lasting friendships with his teammates who remembered him for his kindness and team spirit. His personal letters reveal someone who thought deeply about others - writing home from Vietnam, he asked that news of combat dangers be kept from his mother to spare her worry, while sharing thoughtful observations about life and duty with his teachers and friends. My father remembers his brother as someone who balanced youthful enthusiasm with mature reflection, showing both humility about his own choices and genuine concern for others. These qualities, combined with his quiet courage and strong sense of duty, left an indelible impression on the Arlington community he called home.

As reported in the Boston Globe, while many of his Arlington High School Class of 1966 classmates were making plans for college, Chris made the conscious decision to enlist in the Marines. It is not surprising he did so, as during his high school years, Chris demonstrated an extraordinary understanding of sacrifice and duty that proved tragically prescient.

In a Memorial Day essay he wrote in 1966 just months before his enlistment, Chris reflected: "Memorial Day is a time to honor and remember all patriotic people of our country who have given up their lives to preserve our freedom... Think of all the plans that you have for the future and remember that these men and their loved ones also had a dream that had to be given up." Less than a year later, Chris would make that ultimate sacrifice himself.

After training at Parris Island and Camp Pendleton, Chris was deployed to Vietnam with Company A, 1st Amphibian Tractor Battalion, 3rd Marine Division. His courage was evident when, on March 3, 1967, he was wounded by a mine explosion but chose to continue with his unit rather than be relieved. Just weeks later, on April 7, 1967, during Operation Canyon near Danang, his amphibious vehicle struck a hostile explosive device. Chris sustained severe injuries and was evacuated to the 106th General Hospital in Yokohama, Japan, where he was tended to under the dedicated care of military medical staff. He succumbed to his wounds 9 days later on April 16, 1967, at just 19 years of age. For his valorous service, he was awarded numerous military honors, including:

- The Purple Heart Medal for wounds received in action
- The Presidential Unit Citation
- The Combat Action Ribbon
- The National Defense Service Medal
- The Vietnam Campaign Medal
- The Republic of Vietnam Meritorious Unit Citation (Gallantry Cross Medal with Palm)
- The Gold Star Lapel Button

Chris's sacrifice deeply moved his community. Jon Deveau, a well-known classmate from Arlington High School, wrote powerfully in the Arlington Advocate about his friend under the headline "Chris Died for His Belief... and That Means a Lot." In personal correspondence with Chris' parents after Chris' death, Mr. Deveau captured the community's response noting, "All of us felt proud in our grief." Chris's own letters from Vietnam reveal his character - writing to his high school teacher just two months before his death, he expressed both his commitment to service and his compassion for the Vietnamese people, noting "I am glad to be doing my part." These testimonials speak to how Chris's life and sacrifice touched not only his family and friends but inspired reflection throughout the Arlington community.

The intersection I am proposing for dedication is mere steps from Chris's childhood home, where he grew up with my father and their family. Its dedication would serve as a lasting reminder of Chris's sacrifice and would honor his own words about the importance of remembering those who gave their lives for our country. As he wrote in that prescient Memorial Day essay: "It seems only fair that we should participate in some way to honor those who have helped us so greatly."

Further, this request aligns precisely with the Public Memorial Committee's criteria, particularly their emphasis on "Distinguished military service" as a primary consideration for memorialization, while the proposed location fits appropriately within Level 3 of the Committee's established levels of memorialization.

I respectfully request that the Select Board consider this proposal to memorialize PFC Christopher Dareing Brine at the intersection where he spent his youth, ensuring that future generations of Arlington residents will remember his service and sacrifice.

Sincerely,

Derek Brine

brine@alum.mit.edu

Memorial Day 1900

A

Memorial Day is a time to honor and remember all patriotic people of our country who have given up their lives to preserve our freedom. We never think about the men who have died unless it was someone close to our hearts.

On May Thirtieth of this year we are going to celebrate another Memorial Day and we should try to make it a time of thanks for the freedom we are enjoying now. In a few years some of the boys in our high school today may have given up their lives knowing that their families are safe within the boundaries of our country. Everyday there are boys our age being killed in wars and how often do we think of this fact.

Our heroes are decorated for their glorious actions and I believe that everyone who fights in a war should be honored, but especially the dead who have given up the most they have for us. It seems only fair that we should participate

in some way to honor those who have helped us so greatly.

Think of all the plans that you have for the future and remember that these men and their loved ones also had a dream that had to be given up. Families often remember and honor someone whom they loved and who has died in a war, but there is only one day that grateful Americans honor them.

On this Memorial Day let us show a real tribute to our dead by making sure their graves are decorated as you would like done if you had no one to remember you.

Also show respect for these men at least on this one day because you live free and happy every other day of the year because of the great donation they have made to America and you.

PFC. CHRISTOPHER D. BRINE, 19, IN VIET; ARLINGTON SERVICES

A solemn high Mass of requiem for Marine Pfc. Christopher D. Brine, 19, of 24 Windemere Ave., Arlington, will be celebrated at 9 a.m. Saturday at St. Agnes Church, Arlington.

Pfc. Brine died April 16 at the U.S. Army 106th general hospital in Yokahama where he was being treated for burns received in the

Danang area of South Vietnam on April 7. He had sustained 2nd and 3rd degree burns over 90 per cent of his body when the amphibious tractor on which he was riding detonated a hostile explosive device. His body was brought back to Boston Tuesday.

A June, 1966 graduate of Arlington High School, he played hockey with the CYO Chippers. After enlisting in the Marines, he served at Parris Island, Camp Lejeune and Camp Pendleton before being sent to Vietnam last January.

He leaves his parents, Henry J. and Amy (Dareing) Brine of Arlington; two brothers, David H. and Henry J., Jr. both of Arlington; and a sister, Mrs. Susan Heaney of Lexington.

APRIL 26 1967
HEROES

Richard H. Wilson, 234 Gray st., will be admitted to the Knight of Armour Club, the honorary organization for outstanding agents of The Traveler's Insurance Company, at a special conference to be held in late June at the Mountain House, Whitefield, N.H.

HIGH SCHOOL SOCIAL

All high school members are invited to attend the monthly High School Social May 12, from 8 to 10:30. Program includes gym games, records, dancing, games room and special activity of the month.

"A Real Nice Guy"

Dear Sir,

Unfortunately, most obituaries don't and can't tell what someone was really like as a person. I didn't know Chris Brine intimately, but I did know Chris well—well enough to be able to say proudly that I was a friend of Chris Brine's.

Chris was what we members of the so-called "now generation" would call a nice kid. This is a tribute which surprisingly few guys can claim. There are plenty of cool guys, stud guys, good athletes, hot tickets, etc. Chris was a nice guy.

Chris had no enemies that I knew of, with the exception of the V.C. Chris believed with all his heart that the Viet Cong and the North Vietnamese were definite enemies of the U.S. I called Chris over one weekend in the Fall when I was home, for I had heard that he was going to Viet Nam.

I expressed some very slight doubts about our being in Viet Nam. I also said some of my confusion was due to the fact that 18 and 19 year olds like himself were fighting in the Viet Nam Jungles while most of us were leading the relatively easy life of the college student—it didn't seem fair. Chris could easily have told me that I, a blundering, blank professor, should join up!

Chris didn't say this. His answer displayed intelligence and tolerance that our more wise and older "leaders" should show.

His answer, I'll never forget it, went something like this, "I respect your views, Jonny, but I feel we should be in Viet Nam. If we let the Communists take over South Viet Nam, they will take over all of Southeast Asia. They've got to be stopped somewhere." He went on to say that the country needed all the college graduates it could get—that someone had to fight in Viet Nam—as it might as well be him.

Chris is dead now. I'm still confused about the war. The President is our elected leader and he is supposed to know what is best for the country. I guess when it comes down to this, we should go along with our President. I'm not sure.

What I am sure about is that Chris died for something that he believed in; something he thought was right. His many, many, saddened friends have taken consolation in this as they have reassessed what is meaningful in their lives. No, Chris hasn't died in vain. He has made many of us think. He has helped preserve our democracy. . . . He was a real nice kid.

Sincerely,

Jon Deveau
New Haven, Conn.

BREAK FROM BATTLE—Marine radio operator catches a nap, after the exhausting battle to win Hill 881 in the northwestern corner of South Vietnam. He clutches a cigarette, pen and pad in his hands, as he dozes.

'Chris Died for His Belief, ... and That Means a Lot'

By JAMES SOUTHWOOD

Their decisions were made. They were counting the days to graduation. Like other graduating high school classes, there were some members of the class of 1966 who would go to college, some who would not and some who would enlist in the military.

Jon Deveau, 19, was a star athlete. He decided to go to college.

HIS FRIEND CHRIS BRINE enlisted in the U.S. Marines.

That was a year ago at Arlington High School.

Jon Deveau is a freshman at Yale University.

Chris Brine is dead. Pfc. Christopher D. Brine died April 16 at an Army hospital in Japan of burns he received one week earlier when an amphibious tractor exploded in the Danang area of South Vietnam.

Jon Deveau wrote a letter to the Arlington newspaper in which he recounted his friendship with the dead Marine. He told of what his high school classmate believed about the war in Vietnam.

THE LETTER WAS an elegy. Simply writ-

ten, it was a tribute to Chris Brine. The appearance of the letter in the local newspaper meant a lot to the young people of Arlington. Jon Deveau was a well-known athlete.

What made it really important is that Chris Brine's college friend recalled a weekend meeting with the young Marine when he was home on leave and Jon Deveau was home from college.

They talked about the war in Vietnam. Jon Deveau says, "I'm confused about the war. I don't know whether we should be there or not.

"BUT I DO KNOW that Chris believed we should be there and he died for his belief. And that means a lot. The war in Vietnam is a real big issue at Yale. We talk about it a lot. I don't know if Chris' death has changed my attitude, but it has made me think.

"It has made everyone who knew Chris think. Maybe that is the most important thing," said Jon Deveau.

Jon Deveau said something else. "I guess this is happening to a lot of high school classes all over the country. You know, friends you went to school with and never see again. Until you hear that they have died in Vietnam."

Dear Mr. + Mrs. Brine,

I'd just like to thank you for your kind note and also tell you how truly sorry I am about Chris's death. of course, your note was entirely unnecessary, but again, I thank you.

In writing my letter to the advocate, I just wanted to pay tribute to a good friend since I didn't feel I could be home for Chris's funeral. I felt I had to do something - his death had touched me deeply. The reaction my letter produced was completely unforeseen, I feel sort of guilty because of the ~~few~~^{few} words I have gathered for myself by my letter - this seems to have taken away something from what was to be just a tribute - at least in my eyes this seems to have happened - I hope it isn't so.

Thank you for sending the Eulogy - it is beautiful. What is said in the Eulogy is sort of what Bobby Bertagna and myself had felt was good (if there can be anything good in death) in Chris's death. Bobby told me how beautiful the mass and funeral was. He told me he felt proud in his grief. All of us felt proud in our grief. We sort of thought Chris would have liked to have gone this way. In death he has moved even higher in all our esteem.

sincerely yours,

Jonny Derveaux

P.S. I hope to God that this note has not prolonged or added to your grief. If it has, I'm very sorry.
